Orangeville Oct. 3, 1840.

PRESIDENTIAL ELECTION.

Let every democrat remember, that next Friday, the 20th, is the day, when the great battle is to be fought for the presidency—the day which is to decide whether Van Buren, democracy, and equal rights is to triumph—or whether we are to be governed by the federal, abolition anti-masonic bank shin plaster party for the next four years. Every democrat—every well wisher to his country—every patriot should repair to the polls on that day, and cast his vote for the Van Buren Electors. Let no man stay at home, or allow his neighbor to do so. All should resolve to spend that day for his own and his country's good. Come, then, one and all, and let the cry be that of the gallant Croghan, at the battle of fort Stevenson—"We can beat them, and by heavens we will."

FRIDAY NEXT,

To the Polls.

Democrats to your post, well armed and equipped for election duty, and with a determined spirit to maintain the liberty of your country, by sustaining the democratic party, and your own true interest. Come, then, one and all, and fight the battles of your country, peaceably at the ballot box, before it is too late. If the Federalists again get the upper hand, in our national affairs, we must expect the revival of the Alien and Sedition laws, a National Bank, and the continuation of shin plasters, and the destruction of all the dearest rights of freemen. To the Polls.

We were extremely sorry that we were unable to attend the Hickory Pole raising, at Orangeville, on Tuesday last. We understand from those that were present, that it was a tremendous gathering of the democracy of the "Star of the North," more than a thousand people being present. The meeting was able and eloquently addressed by A. B. Badrick, our own Congress member elect, and S. F. Headley, our State Senator. Enthusiasm prevailed of the right kind, such as always animates democrats when engaged in the glorious and righteous cause of protecting the rights of the people, against the encroachments of the federal aristocratic faction, which is now, as in former times, at war with Jeffersonian principles and measures. The company separated at an early hour, with a firm determination to attend the polls on Friday next, and cast their votes for the Van Buren Electoral ticket with the fullest assurance of giving it at least 1700 majority in the county.

There will be a great fall in the price of hard cider immediately after the next election.

The Van Buren Electoral Ticket can be had upon application to this office.

VOTE EARLY.

Come early to the polls, and get your tickets, and vote them immediately. This is important, that you may be ready to urge others to the polls. America expects every man to do his duty, on Friday next.

THE POLLS CLOSE

At 7 o'clock in the evening. No man should wait until the last hour.

REMEMBER,

Democrats, that ONE VOTE may change the election. Morton was elected Governor of Massachusetts, by a majority of one vote, and one vote may make the President. Remember, then, the importance of one vote.

REMEMBER,

Democrats, that you are voting against the same party that sustained the black cockade war by voting the VAN BUREN Electoral ticket.

REMEMBER,

That you are voting for the enemies to democracy, and the friends of a United Banks, incorporations, and other monopolies, when you vote the Harrison electoral ticket.

Remember the old and never falsified adage—"As goes Pennsylvania, so goes the Union." And remember, too, that it is only coming out, as we can come out, that we can save the Republic from disgrace.—A last word to you fellow-freemen of glorious Columbia county! Are you all awake to this great struggle? Are you all ready? You aided in saving Pennsylvania from ruin in 1838, and then believed that no more portentous danger could ever threaten our fair land than that which you assisted to avert. But the present is a thousand times more important even than that period—and calls for your votes, and your energies, with much more reason than then!

THE DAY OF BATTLE COMES.

Democrats are you on the watch-tower? Are you vigilant—are you active—are you untiring?

Republicans! A great battle is to be fought—the enemies' scouts are upon our lines—they watch to ensnare.

Fellow Laborers! Learn wisdom from your enemy—be on the alert—organize—prepare for the invader—rattle!

Soldiers of the cause! Arm for the contest—delay not—caval not—but arm! ARM!! and to the conflict!

Friends of Equal Rights! Yield not your own by the gift of God—cling to it—fight for it—die for it!

Countrymen—ONE, ALL! The foe is upon us—his spies are upon our camp—the timid are to be dismayed, the mercenary bought! UP, or UP—and stand to your arms till the last armed foe has fallen!

REMEMBER,

That every Abolitionist, Antimason, Black-Cockade Federalist and United States Bank man, is in favor of Harrison, and remember, too, that these are the men to govern, if Harrison is elected.

THE ELECTION.

Returns have been received from the elections throughout the state, and the result has certainly disappointed the expectations of both democrats and federalists.

The next delegation in Congress will be 15 Democrats to 13 whigs.

The Senate will be 15 democrats to 18 whigs, as classed by the Harrisburg Reporter. The House of Representatives, as classed by the same paper stand 50 to 50, giving the whigs a majority on joint ballot of three.

The popular vote shows a democratic majority of about 10,000.

In our next we will give a list of the members elect of Congress, and of the Senate and House of Representatives of this state.

"Democratic whigs"—oh what a name—as opposite to truth as it would be to call them "democratic federalists," and yet we see the federal papers giving this name to their party. Democratic whigs!—Possum up a gum tree."

Every democrat should go to the polls on the 20th inst. Your country calls,

At an election in the city of Baltimore on the 19th inst. Samuel Brady, democrat, was elected Mayor, over his opponent, S. C. Leaken, whig, by a majority of 232. The democrats have also elected a majority of the council.

BROTHERS IN THE DEMOCRATIC FAITH!

Are you all ready for the contest?

ARE YOU READY, to vote in favor of that same glorious party which for more than forty years, in civil and military struggles, has stood by the country?

ARE YOU READY to vote against the Party which, from the commencement of the Government up to this time, has been distinguished by a hatred of every thing Democratic—by opposing good measures, and by defending bad ones?

Let your answer be by voting in favor of the Van Buren Electoral ticket.

Read.—The Gloucester Herald—a leading anti-slavery journal—says—

"The design and hope of abolitionists, so far as political action is concerned, are to obtain the control of the ballot box—to wield the political power of the nation."

This they have effected in Vermont, and partially in Maine. Does not the South see what Harrison is leading them to?

PLAIN TRUTHS.

He who votes for William Henry Harrison for President, indirectly votes for Daniel Webster and Henry Clay, who will if the Federalists triumph, direct for four years the destinies of this republic.

He who votes for William Henry Harrison votes for the establishment of a United States Bank, with an increased capital, and for a national debt, by the assumption of more than \$200,000,000 State Stocks—a favorite and cherished measure of both Webster's and Clay's.

He who votes for William Henry Harrison votes for a restriction of the elective franchise, by property qualification, such restriction having been steadily supported by Gen. Harrison and a majority of the party who have chosen him as their leader.

He who votes for William Henry Harrison votes for men who will take from the people, (or their own appointed and responsible agents,) the public money which has been drawn from their pockets by tax, and place it in a bank or banks to be loaned out to speculators and stock gamblers.

He who votes for General Wm. Harrison being a naturalized citizen, votes for a man, and for a party who are opposed to the very law that created him a voter.—Savoca Observer.

A SHORT EXHORTATION.

DEMOCRATIC BROTHERS!

The approaching Presidential Election is of the utmost importance to you as Democrats—and as FREEMEN. It is an occasion when you will be called upon to decide, whether the good old doctrine of Democracy shall still prevail, or whether you will substitute for it the outrageous doctrines of John Adams and Alexander Hamilton, as carried over by Gen. Harrison, the Federal Bank candidate for the Presidency. On the 30th of October next, the contest will be strictly between Jeffersonian Democracy and Hamiltonian Federalism—a battle for ascendancy between TRUE REPUBLICANISM, and the corrupt apologists of a RUTHLESS DESPOTISM!

DEMOCRATIC BROTHERS!

There never was known, since the days of Thomas Jefferson, such a contest as the present. We solemnly adjure every true Democrat to be ACTIVE and VIGILANT. The Old Enemy is abroad in every direction—he has converted the holy temple, where prayers were offered by the "chosen of Israel," to their Creator, into a den of REVELRY and VICE! The Bank Aristocrat, whose vocation has been to crush the poor man into the dust, has thrown off his costly garments, and substituted in lieu thereof, robes made of "coon skins"—and for what? Why, fellow Democrats, to win the votes of INTELLIGENT FREEMEN!

DEMOCRATIC BROTHERS!

Your country calls upon you to vindicate her character from the foul aspersions of Federalism! Yea, the spirits of those brave soldiers, who, from the short-sighted and imbecile conduct of Gen. Harrison, were slaughtered at "TIPPECANOE," call upon you to vindicate your country's fame! Then to your tents, O Israel!

Rolling Ball.

EXAMINE YOUR TICKET.

It will take but one moment to read them over and see that all are right. The Van Buren ticket is headed with the names of James Clarke and George G. Leiper. Be sure you are right and then go ahead.

The British Whigs of this Country, and the Tories of England!

During the Whig meeting, in New York the other day, the Ship England, in the employ of the Barings, hung out the flag, "ENGLAND EXPECTS EVERY MAN TO DO HIS DUTY"—conveying to the Whigs an order that must be fulfilled!

When the news had reached New York that Maine had gone against Mr. Van Buren the passengers on the British Queen, then going down the River, GAVE THREE CHEERS FOR MAINE!

As the official returns of the election in this county was published only in a part of our edition last week, we have placed them on our first page this week.
