COMMISSIONER'S OFFICE, Danville, January 9th, 1841.

THE RESURRECTION OR, PERSIAN PILLS.

SUPERIOR TO THE HYGEAN, BRANDETH'S, EVANS INDIAN PURGATIVE, THE MATCHLESS (PRICED) SANATIVE, or any other pills or compound before the public, as certified to by Physicians and others.

Let none condemn them until they have tried them, and then we are certain they will not. It is now a settled point with all who have used the Vegetable Persian Pills that they are pre-eminently the best and most efficacious Family Medicine that has yet been used in America. If every family could become acquainted with their Sovereign power over disease, they would keep them and be prepared with a sure remedy to apply on the first appearance of disease, and then how much distress would be avoided and money saved, as well as the lives of thousands who are hurried out of time by neglecting disease in its first stages, or by not being in possession of a remedy which they can place dependence upon.

The Resurrection, or Persian Pills.

The name of these pills originated from the circumstance of the medicine being found only in the cemetaries of Persia. This vegetable production being of a peculiar kind, led to experiments as to its medicinal qualities and virtues. In half a century it became an established medicine for the diseases of that country. The extract of this singular production was introduced into some parts of Europe in the year 1783, and used by many celebrated Physicians in curing certain diseases, where all other medicine has been used in vain. Early in the year 1792, the extract was combined with a certain vegetable medicine imported from Dura Baga, in the East Indies, and formed into Pills. The admirable effect of this compound upon the human system, led physicians and families into its general use. Their long established character their universal and healing virtues, the detergent and cleansing qualities of their specific action upon the glandular part of the system, are such as will sustain their reputation and general use in the American Republic.

CERTIFICATES.

I certify that I have, by way of experiment, used the Hygean, and most of the various kinds of Pills, in my practice, which have borne the highest repute in the public estimation, that have been offered for sale in this vicinity for the last five years, including those called the Resurrection or Persian Pills; and the public may rest assured that none among the whole catalogue has answered a better purpose, as an easy and effectual remedy, than the Resurrection or Persian Pills, in most cases of disease.
CHARLES BACKUS, M. D.
Rochester, N. Y. Sept. 21, 1837.

TO MOTHERS.

Messrs. E. Chase & Co.—Gents.—Hearing much said about the extraordinary effects of the Resurrection or Persian Pills, upon those about to become mothers, we were induced to make a trial of them. My wife was at that time the mother of five children, and had suffered the most tedious and excruciating pains during and after her confinement of each. She had tried every means and taken much medicine, but found little or no relief. She commenced taking the Persian Pills about three months before her confinement (her health being very poor about this length of time previous) and in a short time she was enabled by their use to attend to the care of a mother to her family until her confinement. At the time she commenced taking the Persian Pills, and for several weeks previous, she was afflicted with a dry hard cough, and frequent severe cramps, which the use of the Pills entirely removed before using half a box. It is with the greatest confidence that we advise all those about to become mothers to make use of the Persian Pills. All those that have taken them in our neighborhood have got along in the same easy manner, and are about the house in a few days. There does not appear to be half the danger of other dangers setting in after confinement, where these Pills are taken.—We unfeignedly say, let none neglect taking them, for they are in the reach of the poor as well as the rich. We are truly thankful that there is a remedy which females can easily procure which tends to lessen the world of suffering, which many of them have to bear.

and perhaps save the lives of thousands which would otherwise be lost.
Rochester, May 14, 1838; corner of Callidonian square, Edinburg street; for further particulars see subscribers.

S. ROBERTS,
ANN O. ROBERTS,
ROCHESTER, Sept. 24, 1836.

Messrs. E. Chase & Co.

I think it my duty to let you know what a great cure your Pills have performed on me—I had been sick about 7 years—about 2 years and a half confined to my bed. I had been given over as incurable, with Consumption, by twelve physicians of the first standing; my lungs were seriously affected; I had 3 ulcers gather and break; my cough was dry and harsh most of the time; my liver was much swollen, and my stomach very dyspeptic. I had chills, fever, and night sweats, accompanied with extreme irritability of the nervous system, and other difficulties which I forbear to mention. After I was given over, I tried almost all medicines which were advertised, but to no advantage, until I tried your Vegetable Persian Pills. I began to gain in a short time after I commenced taking them; and, to be brief, before I took 3 boxes, I was able to ride out and to take considerable exercise, and at this time I enjoy good health, and am able to do good day's work. If any one wishes a more particular history of my sufferings, he may call on me, at the corner of Main and Clinton-streets, Rochester.

RUBY ADAMS.

PETS CURED.—The undersigned hereby certify, that we are the Parents of two children who have been afflicted with fits more or less from their infancy, and that we have spared no pains or expense in endeavoring to effect a cure, but without any beneficial effect, until hearing of the Resurrection or Persian Pills, when four boxes were immediately procured, and before three boxes were taken, the fits had abated in frequency, and every symptom much improved, and now we are happy to state that our children by the use of the Persian Pills, with the blessing of God, are entirely cured and have no symptom or appearance of fits, will find in the Persian Pills a sure and perfect cure.
JOHN & MARTHA JOHNSON,
Canton N. Y. Dec. 10, 1837.

The above pills may be had of the following agents—John Moyer, Bloomsburg; H. Miller, Berwick; J. Cooper & Sons, Hazleton; C. Hartman, Espeytown; John Sharpless, Catawissa; Lyman Sholes, Danville.
Ezra Taylor, agent for the State of Pennsylvania residing at Rochester N. Y. to whom all orders can be addressed.

DR. SWAYNE'S
COMPOUND SYRUP OF
PRUNUS VIRGINIANA

OR
WILD CHERRY,
For Coughs, Colds, Asthmas, Spitting of Blood, Soreness of Throat, Whooping Cough, and all Diseases indicative of CONSUMPTION.

DELAYS ARE DANGEROUS.—So it is with those who neglect their COLDS and COUGHS.—At first you complain of having a Cold, which is neglected; after which a soreness is experienced in the Bronchia, with a Hacking Cough, and finally the disease settles upon the lungs, which the patient will soon perceive by a wasting away of the body, attended with hectic fevers and spitting up of florid blood and mucus from ulcers on the lungs; a pain and weight is also experienced at the affected part of the lungs; the functions of the animal economy grow languid; the body becomes dry; the eyes sink deep within their cavities; at length the patient pays the debt of nature, when he is flattered himself with the hopes of a speedy recovery. To obviate all those distressing symptoms—"Save no Time" in procuring the above Invaluable Medicine at the very commencement of your Cold and Coughs whereby your health may be secured and time and money saved. For sale at "Tobias' Health Emporium Bloomsburg
