PROSPECTUS TO THE NEW VOLUME OF THE UNITED STATES MAGAZINE AND DEMOCRATIC REVIEW.

VOLUME XI, COMMENCING JULY, 1842.
JOHN L. O'SULLIVAN, Editor.

By an increase in the number of pages, and by an alteration in its typographical arrangements, the quantity of matter heretofore furnished to the readers of the Democratic Review, will be increased in its future numbers about

SEVENTY-FIVE PER CENT.

The Editor expects valuable aid to his own efforts during the course of the coming year, from a number of the most able pens of the great Democratic Party—together with that of others, in its purely literary department, to which the same political designation is not to be applied. Among them may be particularly named:

Bancroft, Parke Godwin, J. L. Stephens
J. L. Cooper, Hawthorne, Tilden,
A. Kendall, Davezac, Tassistro,
Whittier, Pauding, Eames,
Sedwick, A. H. Everett, Bryant,
Gilpin Brownson, Cass,
Butler, Cambreleng, C. J. Ingersoll.

The Monthly Financial and Commercial articles, which have frequently been pronounced by the most intelligent criticisms during the past year in themselves alone worth the subscription to the work will be continued from the same able-hand.

An arrangement has been made, by which the Boston Quarterly Review, edited by Mr. Brownson, will be merged in the Democratic Review, the latter being a frequent and regular contributor to its pages. It is proper to state, that Mr. Brownson's articles will be marked by his name—though to most readers they would doubtless reveal themselves by their internal evidence; and that it has been agreed, under the circumstances, that these contributions shall be independent of the usual liability to editorial revision and control—the author alone having a similar responsibility for whatever peculiarity of views they may contain, as though appearing in the original work which has been heretofore edited with such distinguished ability by himself.

Among other attractive papers in preparation for the forthcoming volume, will be found some personal sketches, reminiscences, and anecdotes of the private life of General Jackson, from the pen of an intimate friend and member of his Cabinet.

The Portraits of which it is intended to illustrate the numbers of the ensuing year, and which will be executed in a fine style of engraving, by J. L. Dick, of this city, are those of—

Col. R. M. JOHNSON, of Kentucky.
Hon. SILAS WRIGHT, of New-York,
" JAMES BUCHANAN, of Pennsylvania,
" JOHN C. CALHOUN, of South Carolina,
" T. H. BENTON, of Missouri,
" R. J. WALKER, of Mississippi,
" THEODORE SEBASTIAN, of Massachusetts
" C. C. CAMBRELENG, of New-York,
" Gov. DORN, of Rhode Island,
" PORTER, of Pennsylvania.

With two or three of the most eminent members of the great Liberal Party of Europe, from the different countries; or else of others of "home production," according to the facility of procuring portraits from abroad.

TERMS OF PUBLICATION.

The subscribers having assumed the publication of the above Magazine, pledge themselves that it shall be promptly issued on the first of each month in the cities of New-York, Philadelphia, Boston, Baltimore and Washington. It will also be sent by the most rapid conveyances to the different towns in the interior where subscribers may reside. The facilities afforded by the extensive Publishing business of the undersigned enable them to make this promise, which shall be punctually fulfilled.

To promote the proper objections in view, and relying upon the united support of the Democratic party, as well as others, the price of subscription is fixed at the low rate of Five Dollars per annum, in all cases in advance; while in mechanical arrangement, and in size, quantity of matter, &c. the United States Magazine will be placed on a par, at least with the leading monthlies of England. Each number will contain one hundred and twelve pages closely printed in double columns, from bourgeois type, cast expressly for the purpose, and upon fine white paper; thus giving to the work an increase in the amount of matter of over seventy-five per cent. The Portraits for the coming year, one of which will be given to each number, will be executed on steel in an effective and finished style; by J. L. Dick, which will be accompanied with an original biography; a feature in the plan, which it would be impossible to give in a work of this kind, without the most liberal and extensive support—as they could not be furnished without an outlay of at least \$2,500, per annum.

Any persons taking four copies, or becoming responsible for four subscribers, will be entitled to a fifth Copy Gratis.

Committees or Societies on remitting to the Publishers \$50 in current New-York funds, can receive thirteen copies of the work.

Persons residing in the country who may wish to receive the work by mail, can have it punctually forwarded, strongly enveloped, by remitting the amount of subscription to the publishers.

Remittances may be made by enclosing the money and mailing the same in the presence of a Postmaster. Bank notes that pass current in business generally in the State of New-York will be received.

PLAN OF PUBLICATION.

The Democratic Review will be punctually delivered free of expense to subscribers in the principal cities of the Union, on the first of the month, and forwarded to mail subscribers and agents on the 35th of the month preceding publication.

All communications for the Editor to be addressed (post paid) to
J. & H. G. LANGLEY, Publishers,
57 Chatham-street, New York.

To the Friends of the Democratic Party.

The United States Magazine and Democratic Review will require the energetic and cordial cooperation of every individual who wishes to see the pure and sound doctrines of American Republicanism advocated in such a manner as to exhibit the best possible examples of American principles and American Literature. The risk and expense attending the publication is so great, that without a pre-emptive co-extensive with the Union, it cannot be sustained. The literary and mechanical cost of pub-

lishing the work on a liberal scale proposed for the coming year, will exceed that of any other Periodical in the country; it therefore presents imperative claims upon the support and patronage of the party whose political tenets it is designed to advocate, and to those who are friendly to the advance of our Periodical Literature, it will be considered no less meritorious.

There is no section of the country where there could not be found one or more who would desire to be supporters of such a work; and to bring it to the knowledge of such, your friendly assistance is respectively solicited.

The following means have been adopted to promote the great object of this great undertaking: Five Dollars a year for such a work—comprising nearly 1500 pages of closely printed matter, in double columns, and including twelve finely engraved Portraits of the leading members of the Democratic party,—it must be evident, is much cheaper than the same amount of such matter was ever before furnished at in the United States; were not the system of advance payments insisted on, and were it not expected that every Republican in the country, able to afford it, will deem it a duty to take the work, and thus create a very large subscription list, it could not be published for less than double the sum.

The very first pens in the country are engaged in its assistance and furtherance of the project, as will be seen by our Prospectus.

Its literary matter shall be the best of its kind that can be produced, and it is the determination of the Proprietors to make this work unsurpassed by any other periodical extant.

Its typographical execution shall be, in all respects, the best that the present state of the art will enable the publishers to produce.

The Democratic Review is got up on truly national principles, and with a disregard of expense never heretofore attempted in periodical literature; this has been predicated upon the firm reliance of obtaining a very large list of paying subscribers, and until this shall be accomplished, the enterprise will entail a certain loss to the proprietors.

Every cent of the profit of the expected circulation, will be required to sustain the work at its present improved standard, and enable it to fulfill the destiny which is assumed for it—that of being a truly national periodical—the organ and a worthy representative of the literature of American Democracy.

The publishers fearlessly throw themselves on the Democracy of the Union for support. Upon them will depend to a great extent the success of so great an undertaking. The Publishers and Editor can, and indeed wish, to do more than bring the plan and the work fairly before the public. This they have done—the numbers already published are admitted on all sides to be worthy of the cause.

INDUCEMENTS TO NEW SUBSCRIBERS.

Persons remitting to the publishers a Ten Dollar Note in current N. Y. funds, will receive a copy of the Democratic Review for the ensuing two years.

BLOOD

Be ye purified in your blood, And Health will attend you. "The life of the flesh is in the blood." LEVITICUS, C. XVII. XI.

HOW IS THE BLOOD TO BE PURIFIED!!

Thousands can answer this question who know from actual experience that **DR. LEIDY'S BLOOD PILLS,**

A COMPONENT PART OF WHICH IS **SARSAPARILLA,**

Are the safest, best, and most effectual Pills now in existence.

BE CAUTIOUS LESS YOU MAY BE DECEIVED; THE ONLY ORIGINAL, TRUE & GENUINE **BLOOD PILLS,** ARE **DR. LEIDY'S BLOOD PILLS,** A COMPONENT PART OF WHICH IS **SARSAPARILLA.**

IT is attempted by Quacks and impostors to introduce their vile and dangerous nostrums by assuming for their name that of "BLOOD PILLS," knowing that the Blood Pills manufactured by Dr. Leidy have obtained the greatest reputation of any Pills in existence, and think by such trickery to impose upon the public by selling their own upon the popularity of Dr. Leidy's Blood Pills.

The public are therefore particularly requested to be cautious when purchasing, to ask for Dr. LEIDY'S BLOOD PILLS.

The public are assured that Dr. Leidy's Blood Pills are the safest, best, and most effectual of any now in use, containing neither Mercury or the Minerals, and may be employed by young and old, male and female at all times and under all circumstances without fear from taking cold, or restraint from diet in living or occupation.

In all cases where a purgation may be necessary these Pills will be found both effectual and easy in their operation, producing no nausea, or sickness of the Stomach, griping or any other unpleasant sensations.

Further comment is deemed unnecessary the numerous certificates published from time to time from Physicians and other individuals must have convinced the incredulous, and for the further information of all others, Dr. Leidy refers them to the directions which accompany each Box.

They are prepared and sold wholesale and retail, at **DR. LEIDY'S HEALTH EMPORIUM,** No. 191 NORTH SECOND STREET, below Vine street, (sign of the Golden Eagle and Serpents.) Also sold at **Leidy's Health Emporium, Bloomsburg.** Nov 20, 1841. 30

TETTER! TETTER! ITCH! ITCH!

DR. LEIDY'S TETTER AND ITCH OINTMENT.—An infallible remedy for various affections of the SKIN, removing Pimples, Pastules, and Eruption of the SKIN, and particularly adapted to the cure of TETTER and ITCH.

This ointment has been used in numerous schools throughout the city and county as well as Factories, employing numerous girls and boys, and among whom Tetter and Itch, as well as other Affections of the Skin, prevailed, with the most unexampled Success. Names of School Teachers, as well as superintendants and Proprietors of Factories, could be given confirming the above, but for the delicacy they feel in having their names published in connection with such loathsome and disagreeable affections.

Prepared and sold at Dr. Leidy's Health Emporium, (Sign of the Golden Eagle and Serpents,) No. 191 north second street, below Vine; also sold at **Leidy's Health Emporium, Bloomsburg.** Nov 20, 1841. 30

which, in addition to his former stock, comprises a complete assortment of articles in his line of business. All persons wishing to purchase any of the above articles are particularly invited to call and price the articles in his Store before buying elsewhere as he is determined to sell as low, and by a little Jewing, lower than can be bought any where else in the surrounding neighborhood.

The Subscriber considers it hardly necessary to mention the articles in particular as he is confident that no one can come amiss by enquiring for any article belonging to a Drug Store.

N. B. Merchants and Physicians will find it to their advantage to call and buy such articles as they may stand in need of, as they shall be accommodated at a very low percentage.

In few words all are respectfully invited to call, see and judge for themselves.
