

DISGRACEFUL SCENE.

The Legislature, during the present session, has been the scene of several quarrels between members most disgraceful to themselves and the state, and on Saturday last, another of the most outrageous character occurred on the floor of the house, the particulars of which we give below from the Keystone of that day.

PERSONAL RENCONTRE.

We regret to state that a personal Rencontre of serious character took place on the floor of the House of Representatives (this Saturday) forenoon, during its session, the particulars of which, so far as we could ascertain them, are something like the following: Mr. Bratton, the Editor of the State Capital Gazette, came into the House about ten o'clock and was standing near the fire place on the left of the Speaker's chair, when Mr. Edward McGowan, a member from Philadelphia county, came up to him with the Gazette in his hand, and asked if he was the author of a certain article personal to Mr. McGowan. Mr. Bratton replied that he was, when Mr. McGowan struck him with his fist—Mr. Bratton, we believe, struck back when Mr. McGowan seized a chair, and struck Mr. Bratton a blow over the head with it—Some little scuffle then ensued, Mr. McGowan drew a dirk knife, Mr. Bratton ran behind the Speaker's chair, where Mr. McGowan followed him and struck him across the shoulder with the dirk. The instrument, however, fortunately struck the bone and bent round, which doubtless saved the life of Bratton. The dirk was immediately taken from McGowan; & Deford moved the appointment of a committee to enquire into the facts of the case. Mr. McGowan was arrested and taken before Alderman Snyder, and held to bail in the sum of one thousand dollars.

The following is the article referred to above.

"YOU SHALL BOTH HAVE OF FICE IN THE CUSTOM HOUSE, IF YOU VOTE FOR THE TYLER CAN DIDATE FOR STATE PRINTR." As J. Porter Brawley said to McGowan and Bacon. "Agreed," was the response—and they did vote for him sure enough. In our next we shall hold up to the public gaze every man that has been bribed!

PAXTON MEETING.

Pursuant to public notice, a very large number of the citizens of Paxton District, Millin township, met at the house of Adam Michael on Saturday, the 8th of April, 1843, and organized by appointing Henry Lair President, John Shearman, sen. H. Hanager, Ludwig Mentzinger, Adam Michael, Conrad Bredbender, John Klingaman, John Shuman, Frederiek Hoaler, Jesse Nuss, John Herring, Jacob Hoats and Jonathan Rauer, Vice Presidents, Henry Shell, Isaac Davis and Samuel Waltman, Secretaries.

The president then stated the object of the meeting.—He said that he presumed all were aware, that a bill had been passed by the senate of this state, to erect a new county out of parts of Columbia and Luzerne—that the people whose business it was, had remonstrated repeatedly against such a measure, but it appeared we were not to be hearkened unto, and now, that we had learned, there were desperate exertions being made to carry the bill in the other branch, it behooved every man to exert himself to prevent it.—That we should let the citizens of the other portion of Columbia county intended to be embraced within the proposed new county, know our feelings and determination that they may rely upon us, should such an iniquitous bill become a law. We will then resist.—Nullification, after the will of the people are so disregarded, is not a new or strange doctrine.

On motion of S. Waltham, the President appointed a committee of thirty to draft resolutions expressive of the sense of the meeting on the subject stated by the President, the following gentlemen were appointed on said committee, Charles F. Mann, John Hosts, Samuel Hosler, John Gentsel, Stephen Michael, Jonathan Bredbender, Joel Swenk, Garret Van Blonigan, Cornelius Ritterhouse, Isaiah Longeberger, John Fisher, Charles Michael, Michael Klingaman, Henry Zally, William Herring, David R. Hosler, Obidiah Gentzel, Jacob Sleniger, Hiram Owens, Elias Miller, Daniel Singley, Adam Swenk, Joseph Lair, David Hen'ger, Samuel Shoemaker, David Davis, Reuben Hause, John Krug, Peter Slicker, and Conrad Mentzinger. The committee reported the following.

Resolved—That we will use all lawful means in our power, to prevent the formation of a new county out of parts of Columbia and Luzerne. But should the few desperate speculators of Berwick and Danville, still persist in their determination to ruin the interest of the upper end of Columbia, and succeed in having such a law passed by our Legislature, that forbearance will then cease to be a virtue, and we pledge ourselves, to the citizens of the other portion of Columbia county, intended to be included in Madison county, that we will resist by force if necessary.

Resolved—That many of this meeting at the late election; when the question of removal, or no removal, was understood and early presented to the people of Columbia county, voted the anti removal ticket; believing the often-repeated pledges and assurances of the Danville people, that the

county should remain as then, but we now learn that contrary to all pledges &c. they are active in trying to procure the passage of the division but they will be remembered. The resolutions being read they were unanimously adopted. On motion of Henry Shell,

Resolved—That the proceeding of this meeting be signed by the officers and a copy forwarded to our only Representative Daniel Snyder, and that they be published in the only paper advocating the interest of Columbia county, the Columbia Democrat.

(Signed by the officers.)

MELANCHOLY.—The Geauga Whigs state that the dwelling house of Mr. Cyrus Millard, in the north part of Russell Township, in Geauga county; Ohio, was entirely consumed, on the evening of the 7th inst, in the absence of Mr. and Mrs. Millard; and horrible to relate, their four youngest children and a relative (a lad of 14) were burnt in the building. Nothing saved.

Massachusetts Election.—The election in Massachusetts, for choice of members of Congress, took place on Monday. In the fifth district, the Whig candidate has one hundred and fifty majority over Henshaw, and is therefore elected. Second district, King, Whig, has gained nearly a thousand votes on Rantoul. Third district, no choice. Sixth and Seventh districts, no choice.

The Senate of Maine has refused to receive the portion of the sales of the public lands that was allotted to the State, by a vote of 25 to 5.

Gen. D. M. Keim has declined to run again for Congress, from the Berks District Pa. and Hon. H. A. Muhlenberg is to go back.

Shackling.—A boy not more than twelve years of age, was decoyed into the back part of a house in New Orleans, on the 25th ult, by a desperado. In a few moments the boy came running out with his throat cut from ear to ear, and the confusion was so great that the villain who committed the diabolical deed escaped. The poor little creature is not expected to live, and as yet the whole affair is shrouded in mystery.

The Schine Republican says: Mr. John Schoelcraft, Jr. of the Schoharie Hotel, of this village, now owns the celebrated dog 'Trouble.' He is four years of age, and weighs one hundred and sixty and a half pounds. Who can beat this.

Graphic.—The comet at St. Augustine is described by the editors of the News, as seen by the naked eye, to be some two feet in width, and one hundred yards or more in length, with a star at one end on it!

Spanish Coin.—The New York Sun says that the banks of the city have resolved to receive twenty five cent Spanish pieces for only twenty-three cents, shillings and sixpenny at the same rate.

It was so dark at noonday in New Orleans, on the 21st ult. that business could not be transacted without lights.

During 1842, 943 new buildings were erected in Baltimore.

The State Treasurer and Auditor General cancelled all the relief notes on hand on the first instant, amounting to \$46,000.

Up to Wednesday, there had been no action in the house, on the bill for the new county of Madison. We learn that John Rhodes, Peter Baldy, Wm. Donaldson, and V. Best are still at Harrisburg exerting their utmost to procure its passage.

Tuesday the 18th is the day fixed for the adjournment of the Legislature, but as the governor has several important bills in his possession which it is thought he will veto, it is supposed that the time will be prolonged, to give the legislature an opportunity of acting upon them.

Mercer, who shot Herberston, has been acquitted by the court before whom he was tried. This is a righteous verdict.

Col. R. M. Johnson, is a candidate for Congress, from Kentucky.
