

AN ACT OF JUVENILE HEROISM, by which a life in peril was rescued, is reported in the Boston Daily Advertiser yesterday, which deserves to be noticed. The account runs thus:

"On Saturday afternoon, that part of Black Bay between the Providence Railroad and Beacon street, was covered with young skaters pursuing their beautiful but hazardous sport. A sudden cry announced that one of them, an Irish boy of eight years, had fallen in among the broken ice. The report spread instantly through the crowd of boys, but, for the hundreds amusing themselves there, the danger was too great for sympathy to pass into action. One youth, however, who, but a few weeks before, had found himself in the same perilous situation as this lad, from which he was fortunate to extricate himself without help, for which he called in, started forward alone, without hesitation, to rescue the sinking boy. The poor little fellow in the water was supporting himself by seizing upon the ice-piece after piece of which broke in his grasp. His preserver hastened forward over broken ice, till no foothold was left for him. The frightened boy was incapable of seconding his efforts, while the heavy boots and skates of the brave youth made his situation more hazardous every moment. Seeing a coachman near, he called to him to throw his reins, but was told they would be too short for his purpose. An ell pool was found by one of the spectators, & pushed forward on the ice till it came within his reach, the boy, who had sunk once, and was stiffened with the cold, was unable to clasp it in his hands, as he was desired, when his persevering friend, with a presence of mind and judgment which would have been admirable in a man, listened the end of the pole firmly by its hook into the dress of the drowning boy; and now swimming, their crawling over the icy fragments, dragged his prize after him into perfect safety.

"This modest youth, who merely mentioned, on his return home, to account for his drenched condition; that he had got in at Black Bay, was greeted by Steven Curtis, son of James F. Curtis, well known for his gentlemanly superintendence of the Worcester Railroad.

The small pox is prevailing to an unusual extent at Saratoga, and in a number of instances has proved fatal.

It is said that some fellow down East is about making old Mr. Tyler a present of a beautifully worked cradle.

NOBLE DOG.

A Mount St. Bernard dog, weighing 168 lbs, was sold to a gentleman in Toronto, Canada, a few days since, for 75 guineas.

Mr. Detwold, of New York, has procured from the Mammoth Cave in Kentucky several of the eyeless fish which abound in those dark waters. They are to be sent to Paris, as a present to some curious Frenchman.

'RIGHT OF SEARCH.'

This seems still to be claimed by Great Britain with as much determination as before last war. Almost every week we hear of some new instance where our merchant ships have been boarded by British cruisers under the plea of searching for slaves. They pay no respect to our flag on the African coast, but treat it with as much indignity as they could the black flag of the pirates. Shall such things be? Shall we allow our rights to be trampled upon; our commerce subjected to insult & oppression? No, the spirit of a free people who own no master, will ere long be aroused, and make the eye of the British lion quail beneath its power. Much better would it be if England would turn her searching propensities to finding something equal to Dr. SHERMAN'S MEDICAL LOZENGES for the relief of her subjects. They have now been before the public for more than 5 years and there are no preparations like them to be found for searching out disease, and banishing it from the human frame. Worms find no refuge or hiding place when they are used. Coughs, Colds and Constipations vanish away, and Headache, Palpitation and Nervous Affections cease the moment one of Sherman's Camphor Lozenges are taken into the stomach. There is no mistake in them; they will cure the different disease for which they are recommended sooner than any preparations now in use. Be sure and get the genuine, as the spurious article will invariably do more hurt than good.

WORMS KILLS THOUSANDS.

CHILDREN are most subject to them, but persons of all ages are liable to be afflicted with them. Bad breath, paleness about the lips, flushed cheeks, picking at the nose, wasting away, leanness, pain in the bowels, joints or limbs, disturbed sleep, frightful dreams, moaning and sometimes of voracious appetite, are among the symptoms of worms. Many are doctored for months, for some other imaginary disease, when one box of Sherman's Worm Lozenges would effect a cure. D. Ryan, corner of Prince street and the Bureway, cured a man of worms that was reduced to a skeleton, and by only one box of Sherman's Lozenges. Let us now say as an Alderman. The Hon. B. B. Besseley has saved the life of one of his children by them. The sale of over 3,000,000 boxes has fully testified to them. They are the only infallible worm destroying medicine known. What family will be without them?

Consumption, Coughs, Colds, Whooping Coughs, Asthma, and all affections of the lungs, will find a healing value in Sherman's Cough Lozenges. They saved the Rev. Richard De Forest; the Rev. Mr. Streeter, Jonathan Howarth, Esq. and that worthy old hero, Leonard Rogers, from the consumptive's grave. They cured in one day the Rev. Mr. Dunbar, the Rev. Mr. Handcock; Wm. H. Attree Esq. of distending coughs. They are the pleasantest, most efficacious and cure the soonest of any known remedy.

Headache, Sea-sickness and Palpitation, relieved in from five to ten minutes by Sherman's Camphor Lozenges. Persons attending crowded rooms or travelling will find them to impart buoyancy of spirits and renew their energies. Those suffering from too free living will find a few of the lozenges to dispel the haze and lower of spirits. Mr. Krath, of the Steady Mercury, has repeatedly cured himself of severe headache by them. Captain Chadwick, of the packet ship Wellington, has witnessed their efficacy in a great many cases of sea-sickness. They operate like a charm upon the agitated or shattered nerves, as Sherman's Poor Man's Plaster does upon rheumatism, lumbago, pain or weakness in the side, back, breast or any part of the body. Mr. H. G. Daggars, 300 Ann street; Henry R. Goulding; 35 1/2 Chatham street; Moses J. Henriques Esq. and a multitude of others have experienced the wonderful effects of these Plasters. Price only 12 1/2 cents. Caution is necessary to see that you get the genuine Sherman's Lozenges and Plasters, as there are many worthless articles attempted to be palmed off in place of them, by those who would wrile with you life for a shilling.
