GUSTAVUS L. SHULTZ,
RESPECTFULLY informs the citizens of Columbia county, and the public generally that he has located himself in Bloomsburg, on Main street opposite St. Paul's Church, where he has opened a shop, and is now ready and prepared to receive and execute all work in his line of business with dispatch and in a workmanlike manner.

Clocks & Watches
of the best quality, can be had at his establishment on very reasonable terms.

REPAIRING & CLEANING

will be done to the satisfaction of the customer, as well of Clocks and Watches of Jewels, and he will, further, warrant his work to be executed as well as any in this section of the State. He will also make to order

SURVEYING COMPASSES

of pocket, and in short, will do all other work usually done in a well regulated respectable establishment. He hopes by strict attention to business and a desire to please, to receive a liberal share of patronage. Country Produce taken in payment for work at the market prices.

Bloomsburg MARBLE YARD.

or any other work in their line. They are also prepared to furnish WINDOW CAPS and SILLS, DOOR SILLS and STEPS, &c. either of Marble, Limestone or any kind of stone that can be procured in this vicinity.

Having had considerable experience in the business, they pledge their work to be executed in as handsome a style as can be furnished from any yard either in the city or country; and on as reasonable terms.

Chair Manufactory,

THE subscriber continues to carry on the **CHAIR MANUFACTURING** business at the old stand of B. & S. Hagenbuch, where he will be ready at all times to furnish Fancy & Windsor Chairs, Settees, Boston Rocking Chairs &c. of every description, which may be called for, at short notice and on the most reasonable terms. He will also execute House, Sign & Ornamental Painting, and House Papering, in a superior manner.

From his experience in the business, and his facilities of manufacturing the various articles of his line, he flatters himself that he shall be able to furnish as good work, and upon as reasonable terms as can be done in the country, all of which he will dispose of for CASH or COUNTRY PRODUCE.

N. B. Orders from a distance will be strictly and punctually attended to.
B. HAGENBUCH.
Bloomsburg, Dec. 30, 1843

EYES RIGHT.

"Brag's a good dog,
But Holdfast is better."

THE undersigned would return his sincere and humble thanks to the citizens of Bloomsburg and vicinity, for the favors thus far bestowed upon him, and would still further ask a continuance of the same, so long only as satisfaction is rendered. He would not say, "Come one come all, but come as many as conveniently can. Neither would he promise, (as others have) to do his work better than can be done in any other shop in the place—but in short, he would neither brag nor banter, but defy any one who does brag to do work nearer than he does, in all cases. He has also lately received the late

NEW YORK & PHILADELPHIA FASHIONS.
with which he is prepared to do work. Fashionable and neat, and will guarantee a good fit at all times for any one who may favor him with a call.

This shop is at the old stand occupied by him for a number of years—and the latch string will be found out at all times. As to prices, he wishes to be understood that he intends to do work as low as any of his neighbors, and as usual, all kinds of country produce taken in exchange for work done at his shop.
BERNARD REPERT.
Bloomsburg, October 12, 1844—25.

No Humbug!

CHARLES KAHLER.
Tailor.

EMBRACING the present opportunity of expressing his thankfulness to his friends and the public generally, for the liberal patronage he has heretofore received, informs his friends and the public in general, that he still continues to carry on the above business at his old established stand, on the corner of Main and East streets, where he hopes, by strict attention to business, to receive and merit a share of public patronage as heretofore. He deems it unnecessary to go into the name of "brag" or to use any soft sadder about his SKILL in the PROFESSION OF GARDEN CUTTING as his shop is of long standing, and his work he thinks will speak for itself, and for more louder than words. But, he would merely say that, he warrants his work done with neatness, durability, and in the best fashionable manner, and will ensure a good fit in all cases.

N. B. Charges moderate to suit the times. All kinds of country produce taken in exchange for work, at market prices.

NEW YEAR.

Now is the very nick of time to subscribe for the New Year 1845.

THE PHILADELPHIA SATURDAY COURIER

With the largest Subscription List in the World.

TO NEW SUBSCRIBERS.

For the purpose of facilitating the formation of Clubs, of new or old subscribers not in arrears, we offer the following **EXTRAORDINARY INDUCEMENTS.**

Three copies of the Saturday Courier, 1 year, or one copy for three years \$5
Five copies of the Saturday Courier, 1 year 15

Seventeen do do do do do do 35

Five copies of the Saturday Courier, and 1 copy of Frost's new Pictorial History of America, a \$5 book. 10

In fact, whatever offer is made, by any other Family Journal, at all approaching in worth, beauty or pretensions, to the Saturday Courier, will be furnished by us.

The Courier has become so well and favorably known through a triumphantly popular course of fourteen years, that it would be superfluous to say much on that subject here. We may remark, however, that to the industry, talent and enterprise which have for years kept this paper a bright exemplar for all its imitators, will constantly be added the productions of every available writer, and continued judicious and liberal expenditures will continually be made, as well in the Literary as the Typographical departments. Our means will always enable us to be in advance of all others, and we shall be so.

Histories of Modern Republics.—A new and important announcement for the coming year, in addition to our already numerous popular features, will be a series of Condensed Histories of Modern Republics, by a fresh and vigorous writer who will impart a world of important instruction to the rising generation, in this new and entertaining Romance of History.

Biographies and notices of Distinguished Literary and Scientific Men.

—Among the interesting essays and sketches of value, which we shall continue to present in the Courier, will be a full and interesting account of the rise, progress, and present elevated standing of all distinguished men, of the Past and Present, (at home or abroad,) in all departments of Art, Science, Literature, Statesmanship, Poetry, Mechanics, Planting, Agriculture, Printing, Merchandize, &c.

This will be a very interesting feature for the Young. It will be a department of the Courier, which it has ever been our aim to render of most valuable value to those for whom we feel so deep an interest as we do for the Young Men of our great and growing Country. The Lives of Distinguished Men are of such value to those who are yet forming their own characters; for the purpose of enacting their parts, correctly, on the Great Stage of Human Life.

Indeed, we hope that this Department of the Courier will be worth more (each year) to every family who have sons and daughters to be reared than five times the amount we ask for a year's subscription to the Saturday Courier.

Incidents, Histories, Scenes, Battles, Grounds, &c., of the American and other Revolutions.

Under this head, [which is, by the way, not at all new in the Courier,] we shall hereafter give graphic and interesting accounts (occasionally beautifully illustrated) of the leading incidents, so profusely studied through the deeply important history of the American Revolution, and of all other revolutions that we may regard of the least interest or value to the readers of the Philadelphia Saturday Courier. This will be of deep consequence, also, to every member of any family of the American Republic, who may choose to do themselves and to the favor of securing, regularly, the visits of the Courier at their Family Fireside.

POPULAR TOPOGRAPHY.—To gratify the growing appetite for a better knowledge of the important features of our great and glorious country, our past exertions shall be redoubled in future to prevent vivid pictures of American cities, towns, mountains, lakes, rivers, caves, scenery, &c.

Our original domestic Tales, Essays, Poems, &c. will continue regularly to be furnished by the poets and pens in the country. These choice productions are acknowledged to be the best, for useful instruction at the family fireside, that appear in any periodical.

Our **ESSEYS** comprise subjects in all branches of Art and Nature, suitable for the family circle, and appear in rapid succession.

OUR TRAVELLER is constantly traversing the world, in search of the wonderful and instructive.

Our **AGRICULTURE** occupies weekly an important space, with all matters of interest for the noble tillers of the soil.

Our **EUROPEAN CORRESPONDENTS**, in Liverpool, London, Ireland, the East, &c. keep us regularly advised of all subjects of special interest.

Our Markets and Prices Current embrace all the latest arrivals in reference to the prices of all kinds of Grain, Produce, &c., the state of Stocks, Banks, Money, and Land, and our extensive arrangements will hereafter render our Prices Current of inestimable value to the Traveller, Farmer, and all Business Classes whatever.
