## FONDNESS OF A FIGEON FOR MUSIC.

Sometime siace a family residing in the Northern part of the city, on chang ing their place of abode, carried with them a squab that had been much jojued in one of its wings, by the falling of a box. It soon became a great pet it. the family, notwithstanding which i never failed to make battle when approsched whilst perching. Indeed so pugsched whitst percenting a sched white sched a sched white sched a nacious was the little creature, that sometimes, when teased, it terest, it is copyist, and the parement and root, the usual public interest. Persons desirous of obtaining will further, warrant his work to be excluted as the mining true and early intelligence will always find in the will further, warrant his work to be excluted as the will be been used itself on the defensive to be defensi placed itself on the determined was dis-and willing to protect is a it was dis-vasion. But the new of the occur-relation is never any of the family The following amounts
