#### A HORRIBDE STORY.

We noticed, a few days ago, that on Henry Greene had been arrested i New York S ate, on suspicion of having esused the death of his wife. The Trenton Gazette gives the following account of the case. Mrs. Greene, it seems, was well known in Trenton.

Case of Green - A private letter has been handed us, a very interesting account of the death of Mary Ann Wyatts. who married Henry Greene, and cause to her death about a week after by poi son administered by her husband. On brother, a Mr. Niles and several ladies. Fishingcreek. Among the ladies was one whom had rejected his overtures for marriage. On this occasion she made herself very agreeable to him, and it is supposed that from this circumstance he came to the conclusion that if his wife was out of the way he might yet succeed with his former passion.

On the following day his wife comgave her some pills which are now be-

lieved to have contained poison. In less than two hours she began to com plain of being deadly sick and vomited violently. A physician was called who left her two white powders, but instead of giving her the medicine thus left, Greene gave her something white from a spoon mixed with water, and which has since been ascertained to be arsenic by the dregs left in the spoon-The powder which he should have given he neglected to destroy, and the cir cumstance of the two powders being lefafter the medicine was known to have been administered was the first circumstance which awakened suspicion. Sul however, Mary Ann lingered, and it is believed that he continued to adminis ter poisonous drugs in her nourishmen up to the time of her death.

It seems that on the second day of he illness she began to suspect her husban of foul play, and upbraided him in mile and melting terms. She died on the third day, and her brother then openly declared his belief in Green s, guilt, and accused him of the deed. Great excite ment was manifested at his examination and the letter says that at least 1000 persons were present. He was committed for trial and lodged in the Troy juil. The trial comes on in April. The people of Renn-slacr are much excited against him.
