MOST UNFORTUNATE.
The Pittsburg Post says:—One of our most worthy citizens has been burnt out no less than four times within the last two months. He was one of the many hundreds who suffered on the 10th of April, on the 27th of May, he was again caught in the fire on Seventh street; from there he moved to Brighton, Beaver county, where his ill-luck appeared to follow him, and he was again burnt out by the fire that occurred in that place. Since then he has been purchasing things to make another start, and we understand they were all consumed in one of the buildings that was burnt on Penn street, on Tuesday morning.

NO RACE.
The report that Fashion and Peytona were to run another race over the Canton Course, near Baltimore, is incorrect. Fashion has been 'turned out' and will run no more this spring. Neither horse, after the race at Camden, was in a condition to run again soon.

The rash at the Land Office continues to increase. Such a land fever never was known:—And the best of it is, the tracts entered are mostly for actual settlers.—*Green Bay Rep.*

'FATHER TAKE ME IN.'
A gentleman living in Cleveland, got up the other morning and found a nice little baby in a basket, at the door, with this inscription pinned to its cap:—*'Father, take me in.'*

The President and family have left the White House and now boards at Coleman's Hotel in Washington. They will remain there until the White House is repaired, painted, and refitted. The President has his office in the State Department, in connection with Mr. Buchanan, his Secretary of State.

The Luzerne Dem. says that on the last week the Baltimore Coal Company, per agent Mr. A Gray, shipped a Penneyvenia section boat coal loaded, via, North Branch Canal, Susquehanna division, Juniata do., Portage Railroad, Western division to Pittsburgh, and thence by the Erie extension to Erie, on Lake Erie.

One of the most remarkable circumstances in Medical history occurred in Cincinnati, a few days ago. A German had one of his backteeth extracted by a physician, when, strange to say, he bled to death in 45 minutes.

GLAD TO HEAR IT.
The last Lock Haven Whig says:—A letter received from Philadelphia on Thursday states that the Iron Works at Farrisville have positively been purchased by a wealthy company of eastern gentlemen. We may, therefore, expect a speedy renewal of operations.

SERIOUS ACCIDENT.
Dr. Berryman of Pottsville, whilst on a professional visit to Fort Carbon, on Wednesday last week, his horse ran away and threw him out of his sulkey, and fractured his skull. He died the next morning.

THE VIRGINIA WHEAT C.R.P.—The reapers are in the fields gathering their crops, which promised to be quite abundant and in about a fortnight, flour from new wheat may be expected in the market. The corn looked well, but rain was beginning to be much wanted; oats and hay also promised remarkably well.

The Corner Stones of three new Roman Catholic Churches were laid last week in Columbus, Canton and Fulton, Ohio. A site has been purchased at Cleveland, Ohio, on which a Roman Catholic Church will be erected next season.

HISTORY OF WYOMING BY CHARLES MINER.
SUBSCRIPTIONS are respectfully solicited for the forthcoming History of Wyoming. The work, now ready for Press, will make an Octavo volume of about six hundred pages, of which five hundred pages will embrace the main body of the narrative. The Appendix, besides a variety of curious and illustrative articles, will contain the "Hazetot Travellers," revised with numerous additions, personal anecdotes, incidents and sketches of character, making about an hundred pages.
The author thinks proper to say, that no pains have been spared to obtain information upon every point connected with this subject. He has delineated himself, as Wyoming has become classic ground — as unnumberable errors have heretofore existed in regard to its story, and as its very interesting civil character has been scarcely touched upon, that almost every gentleman would desire for his library, in respect to it, an authentic narrative.
The purpose of taking up subscriptions is to enable the author to judge what number of copies it would be proper to publish.
The Book will be neatly printed in octavo form on excellent paper, with several illustrative plates, bound in cloth, in modern style, and delivered to subscribers at Two Dollars a copy.
No money to be paid until the Book is delivered.
Subscriptions received at this Office.
