

THE COMMON PEOPLE.

What a strange thing is this which we call civilization! Where should we find the Rothschilds, the Girards, the Astors, the four and five story granite and marble houses, the splendid midnight parties, the gorgeous furniture, the rich equipage of the opulent merchant, without the labor of those same toiling, drooping, shamefully wringed common people, who alone create wealth, and who allow themselves to be treated with cold indifference if not absolute contempt, by those who never earned a dollar in their lives!

A MORRID TASTE.

A girl named Ann Gray was committed to prison in New York, on Monday for stealing three novels. She was arrested while reading them in St. Paul's Church yard.

A Prophet has been arrested and imprisoned at Quebec for having foretold the destruction of that portion of the city recently destroyed by fire. He is supposed to be more of an 'incendiary' than a prophet, although he claims to be the latter.

PARENTS, WHY DO YOU ALLOW your children to suffer from worms, when there is such a pest to them as Sherman's Lozenges? Many diseases and even death, arise from worms, without their ever being suspected. The following are a few symptoms of worms:—pain in the joints or limbs, offensive breath, pricking at the nose, grinding of the teeth during sleep, and at times a paleness about the lips, with flushed cheeks, a growing sensation at the stomach, headache, drowsiness, disturbed dreams, sudden starting in sleep with fright and screaming, voracious appetite, gripings, a sense of something rising in the throat, itching towards night, a frequent desire to pass something from the bowels, and sometimes a discharge of slime and mucus. Be sure you get the genuine, as some unprincipled dealers attempt to palm off their worthless imitations. For sale by JOHN R. MOYER, Bloomsburg.
