

Brandreth's Pills

It is a well known fact that the time will come when the medicine, Brandreth's Pills, will be appreciated as they ought to be. It is well understood that Dr. Brandreth has the strongest evidence upon the public. It is true that every individual who makes a trial of the Brandreth Pills concede them to be the best medicine they ever used. They are indeed a medicine about which there is no mistake. Their value in a climate so changeable as ours cannot be sufficiently appreciated. A free perspiration is at once restored, the cure of colds, and consumption is prevented. Those who have a redundancy of bile find them of the most essential service, and should there be a deficiency of that important fluid the Brandreth Pills have an equally valuable effect. Often has this important medicine saved valuable lives in those regions where the dreadful yellow fever was prevailing. A few doses taken immediately upon the infection being received into the system, will be all that is necessary to prevent any material inconvenience. And at no stage of this dreadful epidemic is there so proper a medicine as the Brandreth Pills. Let this medicine be universally used in this disease, and no loss of blood allowed, and few very few, would be the victims. So it is with other diseases. Assist nature with this all important medicine to remove morbid humors from the blood, and do not resort to bleeding or mercury, and we shall have a very great security of persons afflicted with chronic maladies. The feathered tribe—the animal kingdom—over which we are the lords, are not afflicted with chronic maladies, neither should we be if we were not for our pride which occasions them. Follow nature. Use the medicine which harmonizes with her, which mildly but surely removes all the impurities of the blood, which strengthens the feeble, and yet reduces those of too full habit to a healthy standard. Let me again say that every department of the manufacture of Brandreth's Pills is personally superintended by me, and that every box with my three labels upon it may be relied upon to have the beneficial effect described if used according to the directions accompanying.

TO TAX COLLECTORS AND TAXPAYERS.

In consequence of a Circular, lately issued by the State Treasurer, directing that the State Tax still remaining unpaid, for the present and former years, must be paid into the State Treasury, on or before the second Tuesday in January next, and that every county, falling to pay its portion of State Taxes, shall be, after that time charged an interest of five per cent, on such amount as shall remain unpaid, and payment from the State Treasury, for school or other purposes withheld, until such balance with its interest is fully paid; we are under the necessity of requiring the several Tax Collectors of Columbia County to collect and pay over into the county Treasury, on or before the third Monday of November next, ALL the State Taxes for former years which still remain unpaid.

The promissory with which our former Circulars was responded to, both by Tax Collectors and Taxpayers, by which the county Treasurer was enabled to pay into the State Treasury at that time required, the whole amount of State Tax due from this county, for the present year, induces us to believe, that Columbia county will not on the second Tuesday of January next, be found among the defaulting counties.

BALDNESS AND LOSS OF HAIR.

Is caused by a want of healthy action in the which throw off the perspiration from the head. When these vessels are weak or diseased, perspiration is thick and clammy and adheres to the mouths of the pores, and clogs them up, and dries and forms scurf and dandruff. Less blood is then carried to the roots of the hair, and for want of which the hair has not sufficient nourishment, and consequently becomes dry and harsh, and begins insensibly to fall off, which continuing to increase, eventually produces baldness. Restore the capillary vessels of the head to their former healthy circulation, and fine silky new hair will make its appearance, which will increase in quantity and volume, until the hair becomes thick and healthy.

Jayne's Hair Tonic is the only preparation that has ever been known to produce new hair on bald heads, which it has done in innumerable instances, and will seldom fail if properly and perseveringly used.

The above Medicine are all for sale at the store of JOHN R. MOYER, Bloomsburg.

WORMS IN CHILDREN.

OF all diseases to which children are exposed none are so fatal to them as worms. Unfortunately children are seldom free from them, and as they imitate the symptoms of almost every other complaint they often produce alarming effects without being suspected. Worms are not only a cause of disease themselves but by their irritation aggravate all other diseases, wandering from one part of the body to the other, winding themselves up in large balls and obstructing the bowels and frequently the throat, causing convulsions and too often death. The desired remedy will be found in Dr. Jayne's Tonic Vermifuge—which will very soon destroy the worms and invigorate the powers of digestion so as to prevent a return of them.

For sale by John R. Moyer, Bloomsburg, November 22

An interesting Pamphlet, called the FAMILY HEALTH DIRECTORY.

FOR Gratuitous Circulation to all persons who will send, Preserve and Lend it, to E. Lutz, Bloomsburg, John Moore, Danville, John Rorer, Milton, Waller & Co. Berwick.

All the following named Articles have obtained unbounded popularity, viz:

Rheumatism, Contracted cords, Stiff Joints, and Gout, will positively be cured by the use of the Indian Vegetable Elixer and Liniment. The sceptical we invite to call and be personally referred to gentlemen of the highest standing in this city who have been cured of Rheumatism by this remedy. They are warranted the only genuine.

Deafness—Dr. McNeil's Acoustic Oil has proved very successful in curing even total Deafness. We have many certificates from citizens who have used this OIL with complete success. We invite all who are troubled with any disease of the Ear, to examine the proof.

Langley's Western Indian Panacea is the best family medicine in the world. It is a cure for Dyspepsia, Asthma, Liver complaint, Indigestion, Colic, Jaundice, Epilepsy, Delirium, &c. &c.

N. B. It operates without the slightest pain, as a mild but thorough cathartic, and never leaves the person costive even if taken very often.

The Pills are warranted to be cured by the genuine Hays' Lament and Ives' Palm of China, or the money returned. Who will now suffer with this distressing complaint! Never buy it without the signature of Comstock & Co.

Comstock and Co's Sarsaparilla is so pure and strong an Extract from this celebrated Root as can possibly be made. This price is so reasonably that the poor can afford to use it, being but 50 cents per bottle, or \$4 per dozen. It is the only article that will effectually purify the Blood from all impurities. Those who have been impeded in the use of calomel, &c. will find sure relief from it.

East India Hair Dye—This chemical preparation will color the hair any shade from a light brown to a jet black, and not injure the hair or stain the skin in the least.

Preserve and Beautify the Hair by using Oliver's Hair Oil of Columbia, which immediately stops the hair from falling out, and restores it when bald. Never buy it without the signature of Comstock & Co.

Worms—Kobus's Vermifuge is a safe, easy and efficient remedy for Worms, in children or adults, in every case. It is entirely Vegetable and cannot injure the most delicate child even should there be no Worms. Price 25 cents. Don't get confused with other names.

The Mothers Relief has been thoroughly tested by many years' experience. Ladies expecting to become mothers may rest assured that it will always aid and assist in preparing them for the trials before them. It quiets all nervous excitations, allays morning sickness, causes natural and sweet rest, regulates the circulation of the blood, regulates the stomach, and facilitates the birth without such excruciating pains as mothers expect. Many of our best physicians use it in their practice.

New discovery, by which a stove and pipes or grates may be kept a Jet Black with as beautiful a polish as a Coach Body with one application a year. It keeps all stoves and Pipes from rusting through the summer. This Varnish is an entire new invention, and surprises and delights all who use it. Specimens of Stoves and Pipes in use may be seen at 21 Courtland-street where the Patent may be had at the cost of 25 cents per bottle.

Roach and bug bane—A sure remedy. Price 25 cents.

D. Lazzetti's Juno (female) or Procreative Elixer, in case of Impotency, Barrenness, Flout Albas, Menstruation, Incontinence, and oil disease arising from debilitation of the system where restoration is required.

Rev. Dr. Bartholomew's Pink Expectorant Syrup, for the cure of Consumption, Asthma, Coughs, Colds, Spitting of Blood, Night Sweats, Expectorant, Pain in the side, &c. &c.

Magic Hair Oil—It gives the hair a beautiful Gloss and inclines it to curl, and wholly unlike any other Oil, it never soils the finest ladies' hats in the least. If any lady or gentleman shall use this Oil, and find these statements untrue, their money will be refunded.

Caution to be remembered—The above named articles are sold Genuine in this city by Comstock & Co. 21 Courtland-street, and NOWHERE ELSE except of their country customers.

Remember—take this direction with you. These articles are to be had in this place at Ephraim Lutz, Bloomsburg, John Moore, Danville, Waller & Co. Berwick, John Rorer, Wilton, November 1, 1845—25y, 6m
