All the following named Articles have obtained unbounded popularity, viz:

Rheumatism Contracted cords, Stiff Joints, and Gout, will positively be cured by the sole use of the *Indian Vegetable Elixir and Liniment.* The sceptical we invite to call and be personally referred to gentlemen of the highest standing in this city who has been cured of Rheumatism by this remedy. They are warranted the only genuine

Deafness—Dr McNair's *Acoustic Oil* has proved very successful in curing even total Deafness We have many certificates from citizens who have used this Oil, with complete success. We invite all who are troubled with any disease of the Ear to examine the proof

The Pills are warranted to be cured by the genuine Hays' Liniment and Lines Palm of Chima, or the money refunded. Who will now suffer with this distressing complaint! Never buy it without the signature of comstock & co

comstock and co's Sarsaparilla is as pure and strong an Extract from this celebrated Root as can possibly be made. This price is so reasonably that the poor can afford to use it, being but 50 cents per bottle, or $4 per dozen. It is the only article that will effectually purify the Blood from all impurities. Those who have been dependent on the use of calomel, &c, will find sure relief from it.

Brandreth's Pills

READ and understand! The time will come when the medicine, Brandreth Pills, will be appreciated as they ought and deserve; it will be understood that Dr. Brandreth has the strongest claims upon the public. It is true that every individual who makes a trial of the Brandreth Pills concede them to be the best medicine they ever used. They are indeed a medicine about which there is no mistake. Their value in a climate so changeable as ours cannot be sufficiently appreciated. A free perspiration is at once restored, thus they cure colds, and consumption is prevented.—Those who have a predilection of life find them of the most essential service, and should there be a deficiency of this important fluid the Brandreth Pills have an equally beneficial effect. Often has this important medicine saved valuable lives in those regions where the dreadful yellow fever was prevailing. A few doses taken immediately upon the infection being received into the system will be sufficient to prevent any serious consequences. And at no stage of chronic or local complaint is there so proper a medicine as the Brandreth Pills. Let this medicine be universally used in this disease, and no loss of blood allowed, and few very few, would be its victims. So it is with other diseases. Assist nature with this all important medicine to remove morbid humors from the blood, and do not resort to bleeding or mercury, and we shall have a very great scarcity of persons afflicted with chronic maladies. The feather of this animal, (laughing over which we are the least) are not afflicted with chronic maladies neither should we be if it were not for our prize which occasions them. Follow nature, Try the medicine which harmonizes with her, which mildly but surely removes all the impurities of the blood, which strengthens the feble and yet reduces those of too full habit to a healthy standard. Let me again say that every department of the manufacture of Brandreth Pills is personally superintended by me, and that every box with my three labels upon it may be relied upon to have the beneficial effect described if used according to the directions accompanying.
