

have to state that a proposal was made by Mr. Buchanan, with the authority of the President of the United States, to Mr. Pakenham, and the proposal so made suggested a division of the territory.

Whether or not that proposal ought to have been accepted I cannot say. Mr. Pakenham thought that the terms proposed were so little likely to be acceptable that he did not feel himself warranted in transmitting the proposal to the government at home; and on signing this to Mr. Buchanan, the latter immediately stated that the proposal was withdrawn.

This is the State of the negotiations at present so far as I am informed, respecting the proposal submitted by Mr. Buchanan. I have the highest opinion of Mr. Pakenham; I have the greatest respect for his talents, and the greatest confidence in his judgment, yet I must say that it would have been better had he transmitted that proposal to the home government for their consideration, and if found itself unsatisfactory, it might possibly have formed the foundation for a further proposal. (Hear)

Since that period this country has again repeated to the U. S. their offer of referring the matter to arbitration, but no answer has yet been received to the proposal so made.

DEMOCRAT.

"TRUTH WITHOUT FEAR"

BLOOMSBURG: SATURDAY, FEBRUARY 28, 1846.

A MEETING
Of the citizens of Bloomsburg, and all others interested, will be held at the state of Wm. McKelvy & Co. on Saturday evening, February 28th for the purpose of adopting a plan for a Court House Building, as it is expected that one will be ready for submission at that time.

The Democratic State Convention to nominate a candidate for Canal Commissioner, will assemble at Harrisburg on Wednesday next.

FIRE.
We learn that the dwelling house of Joseph Palmer, of Fishingcreek township, together with all its contents, was consumed by fire on the night of the 12th inst. the family barely being able to escape from the flames.

We have devoted a large portion of our paper to-day to the proceedings in the Bribery case, and the late highly important foreign news, both of which will no doubt be read with interest.

The House has passed a resolution to adjourn on the 4th of March, the Senate having previously resolved to adjourn on the 24th.

The Miners' Journal contains a letter from the State Treasurer acknowledging the receipt of \$250 in a letter signed 'A. B. W.' The writer states that a certain property many years ago descended to collateral heirs, and that the tax due thereon was not paid, and that the sum enclosed is for the payment of that tax.

A Whig Convention will be held at Harrisburg, on Monday, the 11th of March, for the purpose of nominating a candidate for Canal Commissioner.

Railroad Convention—A Convention was held at Duncalf, Pa. on the 11th inst. at which four hundred delegates were in attendance from the neighboring counties. The Convention was called to order by Col. H. B. Wright, of Luzerne, by the appointment of Wm. Jessup, of Susquehanna Co., President. A number of gentlemen were appointed Vice Presidents and Secretaries. A series of resolutions were adopted by the Convention, recommending the Legislature to grant to the New York and Erie Railroad Company the right to construct their road through Northern Pennsylvania.

Horrible Effects of Millerism—The Springfield Mass. Steamer says, Mr. Ebenezer Walker, a farmer of respectability, about 37 years of age, having a wife and 1 child, was induced by motives of curiosity to attend a Millerite meeting in Belcher town, on Sunday evening, the 12th ultimo. While there, he became deluded by the threats and anathemas which were preached, and left the house after the close of the meeting in a state bordering upon insanity. This malady continued to increase until he became a raving madman. While in this way he declared that his heart was sinful, and must be plucked out, or burned out. Accordingly, he rushed towards a large cooking stove, and thrust his left hand into the burning embers, and clenched the red hot iron of stove until the flesh was literally burned from the bones of his hand, before he could be secured. The poor man continued in this awful state until death came to his relief on Tuesday evening, the 27th ultimo, at 8 o'clock. Great excitement prevails in Belcher town; and means will be taken to prevent any further spread of this accursed delusion.

The Hon. HENRY CLAY was in New Orleans on the 9th inst. and in excellent health.

Louisiana United States Senator.—The Democratic members of the Legislature in caucus, on the 14th inst., unanimously agreed to support S. W. Downs, the present United States Attorney, for United States Senator. The next day he was elected.

About Two Thousand Mormons, mostly young men, have crossed the Mississippi, and are now far advanced on their way to California. They are to form the avant garde of the Mormon expedition, and have started early to provide for those who shall follow.

The Oysters in the Potomac and Chesapeake were greatly disturbed by the late storm. At the light house on Piney Point, they were piled up on the shore in masses of thousands.

LAKE MICHIGAN OPEN.—A vessel sailed from Milwaukee on the 8th inst. for Sheboygan, the lake being entirely free from ice, and the weather mild.

WATERTOWN, N. Y., Oct. 20, 1841. Dr. D. Jayne—Dear Sir—Your Paper is an excellent article. Many respectable persons also offer their certificates in favor of your Expectant. I believe your medicines are the best preparation that have ever been offered to the public, for the relief of the afflicted, for the cure of the diseases for which they were intended.

Your Expectant I think will soon be exclusively popular. Yours &c. ADELAI ELY.

The following is from a PPSYTIAN and a much respected CLERGYMAN of the METHODIST Society, dated Modest Town, Va. Aug. 27, 1840.

Dr. Jayne—Dear Sir—I have been a patient Expectant extensively in my practice for the last three years; and for all attacks of Colds, Coughs, Inflammation of the Lungs, Consumption, Asthma, Pain and Weakness of the Breast, it is decidedly the best medicine I have ever tried. Very respectfully yours. R. W. WILLIAMS, M. D.

Asthma cured by Dr. Jayne's Expectant.—Miss MARY CAMPBELL, of New Haven, Fayette county, has been cured of Asthma, of more than eight years continuance, by the use of Dr. Jayne's Expectant. She commenced taking the medicine last summer, and after using eleven bottles, was entirely rid of this distressing disease. We are assured of this cure by a lady of undoubted veracity, and requested to make it public for the benefit of others.—Mount Pleasant (Pa) Register.

JAYNES EXPECTORANT.—We deem it a pleasure to be able to recommend this medicine as the best calculated for the purpose of curing coughs, colds, sore throat, asthma, and all affections of the lungs. From a long personal acquaintance with Dr. Jayne, we know that he is no quack, and his medicines are not novelties of the modern cry up, but are the result of his long experience as a practicing physician, and the expense of great labor.—Hartford (Conn.) Daily Review.

NEW YORK, March 10th, 1841. Dr. Jayne—Dear Sir—Being severely afflicted with INFLUENZA—a hard Cough and ASTHMA—and finding every means fail of relieving me, CONSUMPTION appeared inevitable—but by using two bottles of your EXPECTORANT, I was restored to perfect health.

Respectfully yours JOHN ELLIS, Late Pastor of the Baptist Church, Stamford, Ct.

The above Medicines are all for sale at the store of JOHN R. MOYER, Bloomsburg
