

FIRE.

About one o'clock yesterday, Friday morning, we were alarmed by the appalling cry of fire, which proved to proceed from William Sloan's wagon maker shop, on Market Street.

AMUSING.

A correspondent of the Montreal Herald writes from Washington that he has been informed by a distinguished Senator that in his opinion, in six weeks from the 9th of February Washington will be a heap of smoking ruins!

The Oregon Correspondence has been printed in German at Bremen, and upon the title page it is announced as 'the title of the United States to the whole of Oregon rendered clear and unquestionable.'

Elected to Congress—James M.D. Wolf Esq. Ex Governor of Virginia, has, without opposition, been elected to Congress, to supply the vacancy occasioned by the death of Mr Taylor.

Chinese Punishment.—The China Mail says that a young man of loose habits, at Hong Kong, residing with his mother who was greatly afflicted with rheumatism, neglected to take proper care of her.

AN EXCELLENT JOKE.

An editor (of one of the dailies, it is supposed,) in passing along the streets, recently, observed one of the chiffonières, or rag-pickers, a quizzical-looking, old female body, carefully raking bits of newspaper from the gutter, and stowing them away in her bag.

'My good woman,' exclaimed the editor, 'what on earth are you going to do with these scraps of newspaper?'

'Make soap sir,' was the prompt but significant reply.

'Why that is impossible, is it not?' remarked interrogator.

'Bless your dear heart no!—they require little or no working, as they are nearly pure lie. (ley.) as we find 'em!'

'Spare that 'Vee!'—It was recently decided that a venerable Black Walnut tree, Havenstraw, N. Y., under which General Washington encamped in 1781, should be cut down on the 22d inst. the anniversary of the General's birth.

QUICK WORK. The time occupied in cutting up a hog, scoring the pieces, packing, and heading up the barrel in Cincinnati park houses, is usually two minutes and a half.

Dr. Pusy.—A man three years since the celebrated Dr. Pusy was suspended from office for heresy. His suspension having expired, he has lately been admitted. His first sermon after readmission contained an effort to prove that man has the power to forgive sins.

A Respite.—Haver Hill, sent to bed long, has been respited by the Governor of Virginia, till the 7th of February, 1847. It is the determination of the Governor that he shall not be executed. Public justice, the Governor believes, demands that Hill should be punished, but that punishment should be tempered with kindness and humanity.

The Clay Statue.—The ladies of Virginia seem determined to have a statue of Henry Clay in the city of Richmond, and Mr. Hart, of Kentucky, is to proceed to Europe to execute it. The committee has already received \$6000 and only \$2500 more are required to complete the design.

A Yankee has invented a drilling machine. It is said it will not only drill iron, tin, rocks and wood, but it is also useful in drilling military companies.

It is said that of the 170 prisoners confined in the Kentucky penitentiary, fifty-three have no education at all, and twenty are from fifteen to twenty years of age.

John Jameson, a free born colored man from South Carolina, who went to Liberia in 1832, has discovered a rich deposit of gold in the settlement of Caldwell, on the St. Paul's River.

Legislative.—The Central Railroad bill has passed the Senate. The House has passed the bill granting the New York and Erie railroad permission to pass through Pike county, in this state.

EPHRAIM ARMSTRONG Bloomsburg, Nov. 3, 1845. 1y—28

WATERTOWN, N. Y., Oct 29, 1841. Dr. D. Jayne—Dear Sir—Your Hair Tonic is an excellent article. My respectable persons also offer their certificates in favor of your Expectant. I believe your medicines are the best preparation that have ever been offered to the public, for the relief of the afflicted, for the cure of the diseases for which they were intended.

Your Expectant I think will soon be exclusively popular. Yours &c. ADRIAL ELY.

The following is from a PPSYLIAN and a much respected CLERGYMAN of the METHODIST Society, dated Modest Town, Va. Aug. 27. 1840.

Dr. Jayne—Dear Sir—I have been using your Expectant extensively in my practice for the last three years; and for all attacks of Colds, Coughs, Inflammation of the Lungs, Consumption, Asthma, Pains and Weakness of the Breast, it is decidedly the best medicine I have ever tried. Very respectfully yours, R. W. WILLIAMS, M. D.

Asthma cured by Dr. Jayne's Expectant.—Miss MARY CAMPBELL, of New Haven, Fayette county, has been cured of Asthma, of more than ten years continuance, by the use of Dr. Jayne's Expectant. She commenced using the medicine last summer, and after using eleven bottles, was entirely rid of this distressing disease. We are assured of this cure by a lady of undoubted veracity, and request to make it public for the benefit of others.—Mount Pleasant (Va) Register.

JAYNES EXPECTANT.—We esteem it a pleasure to be able to recommend this medicine as the best calculated for the purpose of curing coughs, colds, sore throat, asthma, and all affections of the lungs. From a long personal acquaintance with Dr. Jayne, we know that he is no quack, and his medicines are not preparations of the modern ery up, but are the result of his long experience as a practicing physician, and the expense of great labor.—Hartford (Conn.) Daily Review.

New York, March 10th, 1841. Dr. Jayne—Dear Sir—Being severely afflicted with INFLUENZA—a head COLD and ASTHMA—and finding every means fail of relieving me, CONSUMPTION appeared inevitable—but by using two bottles of your EXPECTANT, I was restored to perfect health.

Respectfully yours JOHN ELLIS, Late Pastor of the Baptist Church, Stamford, Ct.

The above Medicine are all for sale at the store of JOHN R. MOYER, Bloomsburg
