ITS COURSE IS ONWARD.

So great has been the demand for Foster's Ointment or All Healing Balm, and it has given such general satisfaction to those who have used it and become acquainted with its virtues that it now stands pre-eminent as a remedy in Diseases of the Lungs, and the testimony which has been given by different persons who have been cured by it altogether voluntarily on their part. They have written in the hope that all who may find themselves in need of this remedy may apply for it without delay.

Read the following letter received from the Rev. Mr. Shinnell, Pastor of St. Jude's Episcopal Free Church. Mr. S. has not only used the medicine himself but has witnessed its effects in several very trying cases of disease. The letter will show his opinion of its virtues.

Dear Sir: Believing it to be but an act of common humanity to those suffering under the various diseases of Coughs, Colds, Hoarseness, Consumption, Asthma, &c. to point them to a safe, speedy and reliable remedy, I feel pleasure in bearing my testimony to your valuable medicine called Ointment or All Healing Balm. Of its efficacy I was made first from my own experience. Being subject from exposure to colds to the various stages of our climate to frequent attacks of influenza, Hoarseness, &c. I have always found it to afford relief in all instances, and always by perseverance in its use, till I was cured. To a particular friend I have sent this remedy under Asthma, and what I desired of obtaining relief from any human source, upon my recommendation, was refused to give the Ointment a trial and he pronounced the relief produced upon him a perfect charm affording him immediate and almost instantaneous relief. In another instance I recommended it to a female friend for a cough which was entirely removed and her appetite and strength restored to such a degree as to establish all who saw her. With a long established and finally established prejudice against the thousand and one specifics put forth in these days as sovereign panaceas for all diseases, I assure you that nothing short of my own conviction of the claims of your medicine to an origin so respectable, and to the effects of it as herein certified, by my own experience and observation, I could not have been induced thus to come forward as a witness in its behalf. It is the honor to be, Sir, respectfully yours, B. G. SHINNELL.

Have you a Cough,

which is troublesome and has not yielded to any of the remedies which you have used? Is it attended with pain in the side, shortness of breath, night sweats?

Do you loose Blood

when you cough and find your strength gradually failing? You will find that these symptoms if not properly attended to will terminate in consumption and death. Are you troubled with that distressing complaint

Asthma,

which deprives you of your rest at night and renders life burthensome.

Here is the Remedy.

Remember the name and place where it is to be obtained and do not be put off with any other. It has produced a cure in as desperate cases as yours may appear to be, and doubtless will put to flight in a speedy manner those distressing symptoms which fill your mind with gloomy forebodings of the future.

Its Healing Properties

do not deceive. The short dry cough is quickly overcome and every and healthy expectation takes its place. Spitting of blood is immediately checked. Night sweats with pain in the side and chest, debility and difficulty of breathing yield in a short time. Asthma with all its dreadful accompaniments is at once relieved. Bronchitis and in fact all the diseases of the throat and Lungs give way before this remedy when all other means have failed.

Persons may attempt to deceive you with some other remedy, promising it to be equally as good but remember life is at stake, therefore

Be not Deceived.
