

SENATE OF PENNSYLVANIA.

This body consists of 33 members of whom 11 are elected every year. We give below the names of the members complete for 1847. Names in italics—NAMES—SMALL CAPITALS, DISTRICTS.

Oregon.—A Baptist Church has been erected at Oregon City Oregon. The New York Recorder gives extracts from letters from the Baptist missionaries to Oregon.

The St. Louis Revueille of the 6th Inst. says: We heard a rumor yesterday that Capt. Fremont and his party had arrived at Independence, Mo.

A newspaper in a family is equal to three months in a school each year.—Go into a family where a newspaper is taken, and into those who can't afford it, and mark the difference in the intelligence of the children, and be convinced.

Iron Slates.—Wm. Beach of Troy has invented and patented a mode of using iron plates for covering roofs. They are about one foot square and are made to fit one into another so as to render the roof water tight by applying white lead to the joints. It can be afforded at 16 cents a square foot and comes about half the cost of copper. The weight 3 1/2 lbs. a square foot slate costs 8 cents per square foot.

Rheumatism and Gout.—Wright's Indian Vegetable Pills are a most extraordinary medicine for the cure of Rheumatism and Gout, because they not only cleanse the stomach and bowels of those morbid humors, which if taken into the circulation and thrown upon the membrane and muscles, are the cause of the painful maladies, but they excite the absorbent vessels to take up that which is already deposited, and therefore are absolutely certain to make a perfect cure of Rheumatism and Gout. A single 25 cent box of Wright's Indian Vegetable Pills will often give the most astonishing relief, and perseverance according to directions will be certain to drive pain of every description from the body.

The popularity of Wright's Indian Vegetable Pills has proved a strong bait to unprincipled men, who instigated by the hope of gain, attempt to palm off a spurious article on the unsuspecting. To defeat the wicked designs of such men, we have prepared new labels, and the Signature of Wm. Wright will be found written with the pen, on the top label of each box. None other is genuine and to connect it is forgery. Remember the only original and genuine Indian Vegetable Pills have the Writings of Wm. Wright on the top label. Offices devoted exclusively to the Sale of Wright's Indian Vegetable Pills, Wholesale and Retail 100 Race St. Philadelphia, 258 Greenwich St. N. Y. and 493 Tremont St. Boston.
