MORE PROOF!—The Cry is still "They Come!"—Every malingerer, of their kind, from East to the remotest West—from Canada on the North, to Mexico and the West Indies on the South—are all numerous in their practice of medicine so universally known and esteemed

WRIGHT'S INDIAN VEGETABLE PILLS.
It is hardly necessary to speak in detail, at no period of its history has the reputation of that medicine steadily to be more and more. Adapted to all constitutions, to every form of disease, and to all climates, Wright's Indian Vegetable Pills are shown every other medicine, fitted for the use of man under whatever circumstances they may be placed. At sea or on land, at home or abroad, in summer's heat and winter's cold, with a common regard to the conditions of health, and with Wright's Indian Vegetable Pills at hand, there is no excuse for being sick, unless the constitution be utterly irremediable.

As our object is to state where the genuine medicine can be obtained, rather than to give it an extended notice—which our limits forbid—we shall merely mention one or two of the numerous testimonials that have just come to hand. Hundreds of the same kind might be added, but we are sure the public will save us the trouble of arranging them.

(Extract of a letter from Hernando, Mississippi.)
"To W. Wright—Your Pills have given universal satisfaction, and are justly very popular. I can sell from 30 to 40 dozen annually if I could be supplied."
Yourn, Wm. Henry Johnson, Agent.

(Extract of a letter from Jersey Shore, Penna.)
"The Indian Vegetable Pills excel everything of the kind ever offered to the public in this section of the country, notwithstanding the crowded shelves of some few unprincipled dealers to put them down."
S. WYNNESTER & SON.

The following highly respectable storekeepers have been appointed agents for the sale of Wright's Indian Vegetable Pills in Columbia County:

H. P. Baldy—Danville

The popularity of WRIGHT'S INDIAN VEGETABLE PILLS has proved a strong but unprincipled dealer who, in the hope of gaining to him of a spurious article on the amounting. To defeat the wicked designs of such a person we have prepared new labels, and the WRITTEN SIGNATURE OF WM. WRIGHT WILL NOW BE FOUND ON THE TOP LABEL OF EACH BOX. None other is genuine, and to counterfeit this is forgery.

Remember, the only original and genuine INDIAN VEGETABLE PILLS have the WRITTEN SIGNATURE OF WM. WRIGHT on the top label of each box.

ITS COURSE IS ONWARD.

SO great has been the demand for Fager's Ointment or All Healing Balm, and it has given such general satisfaction to those who have used it and become acquainted with its virtues, that it now stands pre-eminent as a remedy in Diseases of the Lungs, and the testimony which has been given by different persons who have been cured by its altogether voluntary on their part. They have given it to the hope that all whom they had themselves in need of this remedy may apply for it without delay.

Read the following letter received from the Rev. Dr. Shimeall, Pastor of St. Jude's Episcopal Church. Mrs. has not only used the medicine herself but has witnessed its effects in several very trying cases of disease. The letter will show its opinion of its virtues.

Dear Sir: Believing it to be but an act of common humanity to those suffering under the various diseases of Coughs, Colic, Hoarseness, Consumption, Asthma, &c. to point them to a safe, speedy and radical remedy, I take pleasure in bearing my testimony to your invaluable medicine called Ointment or All Healing Balm. Of its efficacy I can speak first from my own experience. Being subject from exposure, more or less to the vicissitudes of our climate to frequent attacks of influenza, Hoarseness, &c. I have always found it to afford almost instantaneous and always by perseverance in its use, effectual relief. To a particular friend of mine suffering severely under Asthma, and who had despaired of obtaining relief from any human source, upon my recommendation, was induced to give the Ointment a trial and he pronounced the effect produced upon him a perfect charm affording him immediate and almost instantaneous relief. In another instance I recommended it to a female friend far advanced in Consumption. After the use of the first bottle her cough was entirely removed and her appetite and strength restored to such a degree as to astonish all who saw her. With a long established and firmly established pneumonia against the thousand and one specific put forth in these days as sovereign panaceas for all disease, I assure you that nothing short of my firm conviction of the claims of your medicine to an origin as respectable, and to the effects of it as honest and confirmed, by my own experience and observation, I could not have been induced thus to name forward as a witness in its behalf. I have the honor to be, Sir, respectfully yours,
R. C. SHIMEALL.

Have you a Cough,
which is troublesome and has not yielded to any of the remedies which you have used? Is it attended with pain in the side, shortness of breath, night sweats?

Do you raise Blood
when you cough and find your strength gradually falling? You will find that these symptoms if not properly attended to will terminate in consumption and death. Are you troubled with that distressing complaint

Asthma,
which deprives you of your rest at night and renders life burdensome.

Here is the Remedy.
Remember the name and place where it is to be obtained and do not be put off with any other. It has produced a cure in a desperate case as yours may appear to be, and doubtless will put to flight in a speedy manner those distressing symptoms which fill your mind with gloomy forebodings of the future.

Its Healing Properties
do not deceive. The short dry cough is quickly overcome and easy and healthy expectoration takes its place. Spitting of blood is immediately checked. Night sweats with pain in the side and shortness of breath, and difficulty of breathing yield in a short time. Asthma with all its dreadful accompaniments is at once relieved. Bronchitis and in fact all the diseases of the throat and Lungs give way before this remedy when all other means have failed. Persons may attempt to deceive you with some other remedy, pronounce it to be equally as good but remember life is at stake, therefore

Be not Deceived.
The above medicine is sold by the following agents:

CANCERS, WARTS, CORNS, &

THE subscriber informs the public, that he is able to cure all kinds of Cancers, Warts, Corns, and other eruptions of the skin, in a short time. He refers to several respectable citizens in his neighborhood, such as Samuel Heas-William Kile and others, that has been successful in several instances and is not humbugging as is too frequently the case among quacks. He warrants to cure in any case, he undertakes on 1847.

Warts, &c. on cattle and other animals are also cured by the subscriber who resides in Mount Pleasant township on the main road leading from Middleville to Bloomsburg, about 14 miles from Frederick Miller's Tavern where persons are invited to call.
