AGENCY

V. B. PALMER, Esq. is authorized to act as
Agent for the "COLUMBIA DEMOCRAT," and re-
ceive all monies for Subscription and Advertis-
ing at his Agencies in
Philadelphia No. 59 Pine-street.
New York "160 Nassau-street."
Boston "16 State-street."
Baltimore S. E. cor. Balt. and Calvert-sts.
Merchants-Mechanics and Tradesmen may find
it to their advantage to advertise in this paper as
it is the only one published at the County Seat
and has a greater circulation in the county than
any other paper published within its limits.

AN APPRENTICE

To the Printing business is wanted at this Of-
fice. An active boy 15 or 18 years of age will re-
ceive good encouragement.

The Printer is much in want of a few
bushels of WHEAT, CORN & BUCK
WHEAT, of those who owe him upon
subscription. He would also like a few
bushels of POTATOES.

A man killed by his brother.—We learn
that while John and Jesse Robins, brothers
of Greenwood township, near Millville, a
few days since, were at work in a barn
jointly occupied by them, that a quarrel
arose which resulted in Jesse striking John
with a club on the head, which caused his
death within twenty-four hours afterwards.
John has left a wife and six children. Jesse
was a single man. They were both in
comfortable circumstances as to property.
We think it improper at this time, to detail
the circumstances as we have heard them,
as the matter will soon undoubtedly under-
go a judicial investigation.

ELECTION NEWS.

NEW YORK.—The result in this State is
ascertained to be the election of a Federal
and Anti-rent candidate for Governor by a
majority of less than 10,000,—of the demo-
cratic U. S. Governor by a majority exceed-
ing 10,000,—of one federal and one demo-
cratic Canal Commissioner,—of 23 federal
and 11 democratic members of Congress,
and a State Legislature which will have a
federal majority of 16 in the House and a
democratic majority of 10 in the Senate.

MASSACHUSETTS has elected a federal
Governor by a majority of about 7500, eight
federal Congressmen, and a very large fed-
eral majority in both branches of the State
Legislature.

NEW JERSEY has elected 4 federalists and
1 democrat to Congress, and a majority of
federalists to the Legislature.

DELAWARE, the State of the great federal
leader, John M. Clayton, has elected a
democratic Governor, a federal Congress-
man, and a federal majority of 1 in each
branch of the State Legislature.

FLORIDA has elected a federal Congress-
man by a majority of about 65, and a demo-
cratic majority in both branches of the
Legislature.

MICHIGAN which a week ago was the
subject of great federal rejoicings, has elected
a democratic Senate and a democratic
House of Representatives, thus securing the
election of a democratic U. S. Senator in
the three democratic Congressmen.

IOWA about which the federalists were
crowding most vigorously a few days ago
as 'another Whig State introduced into the
Union,' has, certainly, elected 2 democratic
members of Congress (being all that she is
entitled to,) a democratic Governor, and, it
is believed, a democratic majority in the
Legislature.

Twelve days labor from Europe

The Steamer Great Western arrived at New-
York on the 15th inst. bringing twelve days later
news.

The riots continue to increase in Ireland in con-
sequence of the scarcity of provisions, and robbery
and murder appear to be the order of the day.

Propositions have been made by the ministry
for an early meeting of Parliament for the purpose
of a still further reduction of the duty on foreign
grain, but there being a strong opposition, it was
not decided upon. The ministry appear to be in
trouble upon the subject.

There appears to be trouble brewing between
France and Great Britain arising out of the recent
marriage of a French Prince with the Queen of
Spain.

Another revolutionary movement had broken
out at Oporto, in Portugal.

The demand for American produce continued
firm.

Call for Troops.—The War Depart-
ment has at length called for more troops,
as we learn from the Washington Union. It
has called into the service of the U. S. 9
additional regiments of volunteers to serve
during the war with Mexico, unless sooner
discharged. They are asked for from the
following States

- One regiment of infantry from Massa-
chusetts.
- One regiment of infantry from the State
of New York.
- One regiment of infantry from Pennsyl-
vania.
- One regiment of infantry from Virginia.
- One regiment of infantry from North
Carolina.
- One regiment of infantry from South
Carolina.
- One regiment of infantry Louisiana.
- One regiment of infantry from Missis-
sippi, and
- One regiment of mounted men from Tex-
as.

This affords a chance for those of our
volunteers who are desirous of emulating
their brethren in arms in Mexico. The call
will no doubt be promptly responded to.

Melancholy Accident.—A little girl a-
bout five and a half years of age, daughter
of Mr. Nathan Weeden, while playing with
the rope of a dry well, at Newport, fell in
headlong, and fractured her skull in such a
manner that she died in about two hours.

A writer in the Boston Courier says that
Massachusetts imports annually fifty million
pounds of sugar, on which she will annually
save \$700,000. Surely that is something.
—He goes on to say—She will save as
much more on iron and coal, and doubtless
as much on salt, cloths, silks, spices, &c.,
as on sugar, iron and coal!—making a total
in favor of Massachusetts, by the new tariff
of three millions of dollars a year.

COLDS, COUGHS, CONSUMPTION, ETC.—
It should be remembered that a cough is al-
ways an evidence that some impurity is
lodged in the lungs, which, if not speedily
removed, will so irritate those delicate or-
gans as to produce inflammation of the lungs,
a disease which we all know is the high
road to consumption.

Wright's Indian Vegetable Pills are a
safe, easy, and certain cure for colds and
coughs, because they carry off by the stom-
ach and bowels, those morbid humors
which, if deposited upon the lung, are the
cause of the above dangerous complaints.

A single twenty five cent box of said Indi-
an Vegetable Pills is generally sufficient to
make a perfect cure of the most obstinate
cold, and at the same time the digestion is
improved, and the blood so completely
purified, that new life and vigour are given
to the whole frame.

The popularity of **WRIGHT'S INDI-
AN VEGETABLE PILLS** has proved a
strong bait to unprincipled men, who, insti-
gated by the hope of gain attempt to palm off
spurious articles on the unsuspecting. To
defeat the wicked designs of such men, we
have procured new labels, and the signature
of William Wright will be found WRITTEN
WITH THE PEN on the top label of each
box. NONE OTHER IS GENUINE, &
TO COUNTERFEIT THIS IS FOR-
GERY

Remember, the only original and genuine
INDIAN VEGETABLE PILLS have the
WRITTEN SIGNATURE OF WILLIAM
WRIGHT on the top label of each
box.
