

NEW SERIES OF THE CONGRESSIONAL GLOBE AND APPENDIX

Congress at its last session, through the Joint Library Committee of the two Houses having authorized a large subscription for the CONGRESSIONAL GLOBE AND APPENDIX...

The undersigned originated the mode of journalizing the proceedings of Congress, which, thus adapted, is to be perfected with the aid and under the supervision of Congress...

The work, as it is now to be conducted by them, will be found a most perfect political history. The Senators from the States and the Representatives from every section of the Union bring with them into Congress a knowledge of the feelings, sentiments, and interests of their several constituencies...

Public opinion and the public information, as it exists among those they represent, are embodied by them, and in the crucible of Congress the wisdom of our times is brought to its test, and is there concentrated, in directing the political movements of the whole country...

Having identified ourselves with the plan of advancing the usefulness of Congress by publishing full and impartial reports, and having a large mass of the CONGRESSIONAL GLOBE AND APPENDIX, issued during the last twelve years, which would be impaired in value to us and utility to the public if the work were discontinued, we have a double motive to prompt us to extend it through a new series...

The Congressional Globe is made up of the daily proceedings of the two Houses of Congress, and printed on superfine double royal paper, with small type, (brevier and nonpareil) in quarto form each number containing sixteen royal quarto pages...

The Appendix is made up of the President's Annual Message, the reports of the principal officers of the Government that accompany it, and all speeches of members of Congress, written out or revised by themselves...

During the first month or six weeks of a session, there is rarely more business done than will make two numbers a week—one of the Congressional Globe and one of the Appendix; but during the remainder of a session, there is usually sufficient matter for two or three numbers of each every week...

We have on hand the Congressional Globe and Appendix for the last fifteen sessions of Congress, making together fifteen large royal quarto volumes, which we will sell, unbound, for \$41; or bound, with Russia backs and corners, for \$56...

ITS COURSE IS ONWARD.

SO great has been the demand for Folger's Oleo-balm or All Healing Balm, and it has given such general satisfaction to those who have used it and become acquainted with its virtues that it now stands pre-eminent as a remedy in Diseases of the Lungs, and the testimony which has been given by different persons who have been cured by it is altogether voluntary on their part.

Read the following letter received from the Rev. Mr. Shimeall, Pastor of St. Jude's Episcopal Free Church. Mr. S. has not only used the medicine himself but has witnessed its effects in several very trying cases of disease. The letter will show his opinion of its virtues.

Dear Sir: Believing it to be but an act of common humanity to those suffering under the various diseases of Coughs, Colds, Hoarseness, Consumption, Asthma, &c. to point them to a safe, speedy and reliable remedy, I take pleasure in bearing my testimony to your valuable medicine called Oleo-balm or All Healing Balm. Of its efficacy I can speak first from my own experience. Being subject from exposure more or less to the vicissitudes of our climate to frequent attacks of Influenza, Hoarseness, &c. I have always found it to afford almost instantaneous and always by perseverance an use, effectual relief. To a particular friend of mine suffering severely under Asthma, and who had despaired of obtaining relief from any human source, upon my recommendation was induced to give the Oleo-balm a trial and he pronounced the effect produced upon him a perfect charm affording him immediate and almost instantaneous relief. In another instance I recommended it to a female friend far advanced in Consumption. After the use of the first bottle her cough was entirely removed and her appetite and strength restored to such a degree as to astonish all who saw her.

Have you a Cough, which is troublesome and has not yielded to any of the remedies which you have used? Is it attended with pain in the side, shortness of breath, night sweats?

Do you raise Blood when you cough and find your strength gradually falling? You will find that these symptoms if not properly attended to will terminate in consumption and death. Are you troubled with that distressing complaint

Asthma, which deprives you of your rest at night and renders life burdensome. Here is the Remedy. Remember the name and place where it is to be obtained and do not be put off with any other. It has produced a cure in as desolate cases as yours may appear to be, and doubtless will put to flight in a speedy manner those distressing symptoms which fill your mind with gloomy forebodings of the future.

Its Healing Properties do not deceive. The short dry cough is quickly overcome and easy and healthy expectoration takes its place. Spitting of blood is immediately checked. Night sweats with pain in the side and chest, debility and difficulty of breathing yield in a short time. Asthma with all its dreadful accompaniments is at once relieved. Bronchitis and in fact all the diseases of the throat and Lungs give way before this remedy when all other means have failed.

Persons may attempt to deceive you with some other remedy, pronouncing it to be equally as good but remember life is at stake, therefore

Be not Deceived. The above medicine for sale by the following agents. E. P. Lutz, Bloomsburg, W. L. Waller & Co. Berwick; E. & J. Lazarus, Orangetown; Levi Baily, Jerseytown; Deer & McBride, White Hall; S. Baily, Cattawissa. 6m3
