

Probability of another Battle.—One of the New Orleans Picayune's army correspondents says:

It is now expected, by the officers of our army generally, that the Mexicans will fight. San Luis Potosi is in a strong state of defence, and is daily being strengthened still more, and it may be that the battle of Palo Alto and Resaca and those of Monterey, were but specimens of what may occur before San Luis. Officers believe that a harder fight than any one yet is before them. San Luis Potosi is one of the richest cities in all Mexico, being directly in the mining districts, & you may depend upon it the Mexicans will make the big stand there.

From Santa Fe.—An extract of a letter from a volunteer at Santa Fe, dated October 23, and published in the St. Louis Revue, states that feasts were entertained of an insurrection among the inhabitants. A teacher was murdered, and two Spaniards had been arrested on suspicion of having committed the murder. The volunteers were paying from five to ten dollars for wintering their horses.

INFLAMMATORY SORE THROAT OR QUINSY is an acute and sometimes highly dangerous complaint and should be attended to in the early stage of the malady as the slightest delay is often attended with serious consequences. Wright's Indian Vegetable Pills are the best medicine in the world for the cure of an inflammatory sore throat because they not only purge from the body those humors which are the cause of every description of inflammation and swelling but they suit all ages and may be administered without a moment's delay. For a grown person from four to eight of said Indian Vegetable Pills should be taken night and morning, until the urgent symptoms have abated after which three or four Pills taken once in twenty-four hours, will in a short time make a perfect cure.

BEWARE OF COUNTERFEITS.—The public are cautioned against the many spurious medicines which in order to deceive are called by names similar to Wright's Indian Vegetable Pills.

The only original and genuine Indian Vegetable Pills have the signature of Wm. Wright written with a pen on the top label of each box. To counterfeit this is forgery and all others should be shunned as poison.

Offices devoted exclusively to the sale of Wright's Indian Vegetable Pills wholesale and retail, 169 Race St. Philadelphia; 288 Greenwich Street New York; and 123 Tremont Street, Boston.
