

The celebrated Rabelais, is said to have made the following will— I owe much; possess nothing, I give the rest to the poor.

In making some people, Nature appears to have made a mistake. Instead of the head being soft and the head hard, it is vice versa.

Horrible Murder.—A man by the name of James P. Langford, residing in Rome in Bradford county Pa., on the 4th inst shot his wife with a pistol through the body. She was not expected to recover. Langford was immediately arrested, and committed to prison. This dreadful deed says the Reporter, is but another dark chapter in the history of Intemperance.

At the arsenal near St. Louis, they have a machine by which they make 180 balls a minute. Within two weeks it is thought two millions of balls were shipped from that point to the seat of war.

PAIN OR DISTRESS of any kind whether of gout, rheumatism, headache, toothache, or any other kind of ache, is in all cases caused by impure humors of the blood, which nothing save vegetable purging (purifying) can remove; because by no other means can said impurity be driven from the body.

Wright's Indian Vegetable Pills have no superior, if indeed they have an equal in removing every description of pain, because they carry off by the stomach and bowels all morbid and corrupt humors, (the cause of disease) in so easy and natural a manner that the body is actually restored to health as if by magic. Four or five of said Indian Vegetable Pills, taken once in twenty-four hours, on going to bed, will in a short time not only drive pain or distress of every kind from the system, and restore the body to a state of sound health, but the blood and other fluids will be so completely purified that new life and vigour will be given to the whole frame.

BEWARE OF COUNTERFEITS.—The public are cautioned against the many spurious medicines which in order to deceive are called by names similar to Wright's Indian Vegetable Pills.

The only original and genuine Indian Vegetable Pills have the signature of Wm Wright written with a pen on the top label of each box. To counterfeit this is forgery and all others should be shunned as poison.

Offices devoted exclusively to the sale of Wright's Indian Vegetable Pills wholesale and retail, 169 Race St. on Philadelphia; 288 Greenwich Street New York and 198 Tremont Street, Boston. Agent for Bloomsburg, George Weaver, for other Agents see advertisements in another column.
