

LACKAWANA COUNTY.

A bill has passed both branches of the Legislature erecting a new county out of part of Luzerne, to be called Lackawana, with Carbondale for the County Seat.

Bearers of notes on the Mechanics Bank, Paterson, New Jersey, as an exchange paper.

Pennsylvania Canal—Every effort is now making by the board of Canal Commissioners to open the canal by the 1st of March, and if no freshets occur to produce breaches, they are confident that the several lines will be in order for transportation from the 1st to the 10th of March certainly not later than the last mentioned day.

SUDDEN CHANGES—There is nothing more trying to the human constitution than sudden changes of atmosphere. Heat rarifies the blood, quickens the circulation and increases the perspiration; but when suddenly checked, those humors which should pass off by the skin are thrown off inwardly, causing coughs, colds, consumption, difficulty of breathing, watery and inflamed eyes, sore throat, fevers, rheumatic pains in various parts of the body, and many other complaints, the usual symptoms of catching cold.

Wright's Indian Vegetable Pills are a delightful medicine for carrying off a cold—because they expel from the body those humors which are the cause not only of the above complaints, but of every malady under heaven. Four or five of said Indian Vegetable Pills taken every night on going to bed will, in a few days, carry off the most obstinate cold; at the same time the digestive organs will be restored to a healthy tone, and the blood so completely purified, that new life and vigor will be given to the whole frame.

Beware of Counterfeits—The public are cautioned against the many spurious medicines which in order to deceive are called by names similar to Wright's Indian Vegetable Pills. The only original and genuine Indian Vegetable Pills have the signature of Wm Wright written with a pen on the top label of each box. To counterfeit this is forgery and all others should be shunned as poison.

Offices devoted exclusively to the sale of Wright's Indian Vegetable Pills wholesale and retail, 169 Race St. East Philadelphia; 238 Greenwich Street New York; and 198 Tremont Street, Boston.

MORE PROOF!

The Cry is still They Come!—Every mail brings tidings of their success. From East to the remotest West—from Canada on the North, to Mexico and the West Indies on the South—are all unanimous in their praise. Of a medicine so universally known and esteemed as

WRIGHT'S INDIAN VEGETABLE PILLS,

it is hardly necessary to speak in detail. At no period of its history has the reputation of that medicine stood higher, and we may say that no reputation is likely to be more enduring. Adapted to all constitutions, to every form of disease, and to all climates, Wright's Indian Vegetable Pills are above every other medicine, fitted for the use of man under whatever circumstances they may be placed. At sea or on land, at home or abroad, in summer's heat and winter's cold, with a common regard to the conditions of health; and with Wright's Indian Vegetable Pills at hand, there is no excuse for being sick, unless the constitution be utterly irreclaimable.

As our object is to state where the genuine medicine can be obtained, rather than to give it an extended notice—which our limits forbid—we shall merely subjoin one or two of the numerous testimonials that have just come to hand. Hundreds of the same kind might be added, but we are sure the public will give us the trouble of arranging them.

(Extract of a letter from Hernando, Mississippi.) "To W. Wright—Your Pills have given universal satisfaction, and are justly very popular. I can sell from 30 to 40 dozen annually if I could be supplied."

Yours, WM. HENRY JOHNSON, Agent. It ought here to be remarked that the medicine has been but recently introduced into Mississippi. (Extract of a letter from Jersey Shore, Penn.) "The Indian Vegetable Pills excel everything of the kind ever offered to the public in this section of the country, notwithstanding the combined effort of some few unprincipled mercantiles to put them down."

W. WRIGHT & Son, 8, WILCHSTER & Son.

The following highly respectable storekeepers have been appointed agents for the sale of Wright's Indian Vegetable Pills in Columbia County:

H. P. Baldy—Danville Stephen Baldy—Catawissa Cyrus Barton—Espytown Brown & Cressy—Mifflinville Abraham Miller—Berwick G. H. Fowler—Briarcrest Wm. Covanohovan—Orangeville George Masters—Mifflinville Levi Beisel—Jerseytown Levers & Sons—Columbia Exchange Robert McCoy—Washingtonville George Weaver—Bloomsburg Light Street Iron Co.—Light Street Low & Thompson—Lime Ridge H. C. Fress—Briarcrest Elias Wertman—Raharsburg R. P. Welliver—Greenwood E. & J. Lazarus—Orangeville Hugh McWilliams—Moersburg

The popularity of WRIGHT'S INDIAN VEGETABLE PILLS has proved a strong bait to unprincipled men who suggested by the hope of gain, tempt to palm off a spurious article on the unsuspecting. To defeat the wicked designs of such men we have procured new labels, and the WRITTEN SIGNATURE OF WM. WRIGHT WILL NOW BE FOUND ON THE TOP LABEL OF EACH BOX. None other is genuine, and to counterfeit this is forgery.

Remember, the only original and genuine INDIAN VEGETABLE PILLS have the WRITTEN SIGNATURE OF WM. WRIGHT ON THE TOP LABEL OF EACH BOX.
