Three Men Drowned.

We learn from the Luzerne Democrat, that a Mr. YATES, one of a company of young men from Elmira, N. Y., which passed Wilkesbarre last Saturday afternoon on board a raft en route for California, was drowned at Nanticoke Dam .-Young Yates was much esteemed and carried with him some \$2,000. Another of the same company narrowly escaped a watery grave by jumping from the broken raft on passing the schute, and taking his station on a pier, where he remained all night before he was rescued.

We also learn from the Clinton Democrat, that two men from Clearfild county, were drowned at the Dunsown Dam, on last Saturday.7 The name of one was Mr. Baum. Their bodies had not yet been recovered.

go by Wilkes-Batte, a distance of over one hundred miles ; whereas a rout from Towanda to Berwick, is only sixty. Letters and Papers must travel the same rout, only a greater distance to get into Sullivan.

Now this state of thing, should be very early remedied. A mail stage from one extremity of the Turnpike to the other, would be almost anappreciable, and is a great desideratum.
