Knowing, many years ago, that he had, by his skill, science and experience, devised an article which would be of incalculable advantage to mankind when the means would be furnished to bring it into universal notice, he has its medicinal virtues would be known and appreciated. This time has come, the means are supplied; this *GRAND AND UNQUALIFIED PREPARATION* is manufactured on the largest scale, and is called forth throughout the length and breadth of the land, especially as it is found incapable of degeneration or deterioration. Unlike young S. P. Townsend's, it improves with age, and never changes, but for the better; because it is prepared on scientific principles by a scientific man. The highest knowledge of Chemistry, and the latest discoveries of the art, have all been brought into requisition in the manufacture of the Old Dr. Jacob Townsend's Sarsaparilla. It is well known to medical men, contains many medicinal properties, and some properties which are inert or useless, and others, which if fettered in preparing it for use, produce fermentation and acid, which is injurious to the system. Some of the properties of Sarsaparilla are so volatile, that they entirely evaporate and are lost in the preparation, if they are not preserved by a scientific process, known only to those experienced in its manufacture. Moreover, these volatile principles, which fly off in vapor, or as an exhalation, under heat, are the very essential medicinal properties of the root, which give it its value.

**CAUTION EXTRA.**  
A man by the name of CLAPP has engaged with a young man of the name of S. P. Townsend, and uses his name to put up a Sarsaparilla, which they call Dr. Townsend's Sarsaparilla, denominated it *GENUINE ORIGINAL*, etc. This Townsend is no doctor, and never was; but was formerly a worker on railroads, canals, and the like. Yet he assumes the title of Dr., for the purpose of gaining credit for what he is not. This is to caution the public not to be deceived, and purchase none but the *GENUINE ORIGINAL*. OLD DR. JACOB TOWNSEND'S Sarsaparilla, having no the Old Dr's likeness, his family coat of arms, and his signature across the coat of arms.  
Principal Office, 102 Nassau St., New York City.

**OLD DR. JACOB TOWNSEND,**  
THE ORIGINAL DISCOVERER OF THE *Genuine Townsend Sarsaparilla.*

Old Dr. Townsend is now about 70 years of age, and has long been known as the *AUTHOR AND DISCOVERER* of the *GENUINE ORIGINAL TOWNSEND'S Sarsaparilla*. Being poor, he was compelled to limit its manufacture, by which means it has been kept out of a market, and the sales circumscribed to those only who had proved its worth, and known its value. It had reached the ears of many, nevertheless, as those persons who had been healed of sore diseases, and saved from death, pronounced its excellence and wonderful.

**HEALING POWER.**  
Knowing, many years ago, that he had, by his skill, science and experience, devised an article which would be of incalculable advantage to mankind when the means would be furnished to bring it into universal notice, he has its medicinal virtues would be known and appreciated. This time has come, the means are supplied; this *GRAND AND UNQUALIFIED PREPARATION* is manufactured on the largest scale, and is called forth throughout the length and breadth of the land, especially as it is found incapable of degeneration or deterioration. Unlike young S. P. Townsend's, it improves with age, and never changes, but for the better; because it is prepared on scientific principles by a scientific man. The highest knowledge of Chemistry, and the latest discoveries of the art, have all been brought into requisition in the manufacture of the Old Dr's Sarsaparilla. It is well known to medical men, contains many medicinal properties, and some properties which are inert or useless, and others, which if fettered in preparing it for use, produce fermentation and acid, which is injurious to the system. Some of the properties of Sarsaparilla are so volatile, that they entirely evaporate and are lost in the preparation, if they are not preserved by a scientific process, known only to those experienced in its manufacture. Moreover, these volatile principles, which fly off in vapor, or as an exhalation, under heat, are the very essential medicinal properties of the root, which give it its value.

**Any person can bail or stew the root all they get a dark colored liquid, which is more from the coloring matter in the root than from any thing else, they can then strain this liquid or waid liquid, sweeten with sugar, lemon juice, and then call it "SARSAPARILLA EXTRACT" or "SYRUP." But such is not the article known as the *GENUINE OLD DR. JACOB TOWNSEND'S Sarsaparilla.***

This is so prepared, that all the most powerful of the Sarsaparilla root are first removed, every trace capable of becoming acid or of fermentation, is extracted and rejected; then every particle of medical virtue is secured in a pure and concentrated form; and thus it is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the

**Cure of Incurable Diseases.**  
Hence the reason why we meet convalescents in every age in its favor by men, women, and children. We find it doing wonders in the cure of  
CONSUMPTION, Dropsical Swellings, Liver Complaint, and in Rheumatism, Scrofula, Piles, Constipation, all Catarrhs, Eruptions, Ticks, Ringworms, Blotches, and all obnoxious eruptions arising from  
**IMPURITY OF THE BLOOD.**

It possesses a marvellous efficacy in all complaints arising from Impurity of the Blood, arising from impure circulation, derangement of the liver, the blood, the kidneys, the heart, cold feet and hands, cold chills, and hot flashes over the body. It does not irritate the bowels, and produces easy evacuation and gentle perspiration, relaxing muscles, and restoring the natural system, it gives tone and strength to the whole body, and thus cures all forms of  
**FEMALE COMPLAINTS.**

It works wonders in cases of *Female Whites*, Falling of the Womb, Disordered Menstruation, Irregularity of the Menstrual Periods, and the like; and is also excellent in curing all the various Disorders arising from Impurity of the Blood, and restoring the natural system, it gives tone and strength to the whole body, and thus cures all forms of  
**Nervous diseases and debility.**

and thus prevents the most dangerous of other maladies, as Spinal irritation, Paralysis, St. Vitus's Dance, Epilepsy, Epilepsy, &c.  
It restores the blood, excites the liver to healthy action, tones the stomach, and gives good digestion, purifies the bowels of toxic and poisonous matter, relieves the skin, restores the circulation of the blood, restores the general health, and restores the system, it gives tone and strength to the whole body, and thus cures all forms of  
**THE medicine you pre-eminently need!**

But any use of these things to cure disease is to be a mere waste of money. The only way to be cured is to be cured with the *GENUINE OLD DR. JACOB TOWNSEND'S Sarsaparilla*, because of one *GRAND FACT*, that the *GENUINE OLD DR. JACOB TOWNSEND'S Sarsaparilla* is the only one which contains the *GENUINE OLD DR. JACOB TOWNSEND'S Sarsaparilla*, while the other does not contain the *GENUINE OLD DR. JACOB TOWNSEND'S Sarsaparilla*, and thus it is that the *GENUINE OLD DR. JACOB TOWNSEND'S Sarsaparilla* is the only one which contains the *GENUINE OLD DR. JACOB TOWNSEND'S Sarsaparilla*, and thus it is that the *GENUINE OLD DR. JACOB TOWNSEND'S Sarsaparilla* is the only one which contains the *GENUINE OLD DR. JACOB TOWNSEND'S Sarsaparilla*.

**SOLING, FERMENTING, ACID, & COMPOUND OF S. P. TOWNSEND.**  
And yet it would have been understood that Old Dr. Jacob Townsend's *Genuine Original Sarsaparilla* is an Imitation of his inferior preparation!  
Heaven forbid that we should do in an article which would bear the most honorable name of S. P. Townsend's article! and which should bring down upon the Old Dr. such a mountain load of complaints and eruptions from Agents who have sold and purchased of the Old Dr. S. P. Townsend's FERMENTING COMPOUND.  
We wish it understood, because it is the absolute truth, that S. P. Townsend's article and Old Dr. Jacob Townsend's Sarsaparilla are *absolutely pure*, and *entirely distinct*; that they are unlike in every particular, having not one single thing in common.  
As S. P. Townsend is a chemist, and never was, is a chemist, no pharmacist—knows no more of medicine or disease than any other common, non-professional man, who pretends to be a doctor, and who is receiving a genuine scientific education, containing all the virtues of the articles used in preparing it, and which are in capable of changes which might render them the *AGENTS* of disease instead of health.

But what else should be expected from one who knows nothing comparatively of medicine or disease? It requires a person of some experience to cook and serve up even a common decent meal. How much more important is it that the person who is manufacturing medicine, designed for *WEAK STOMACHS AND ENFERMED SYSTEMS*, should know well the medicinal properties of plants, the best manner of securing and concentrating their healing virtues, also an extensive knowledge of the various diseases which affect the human system, and how to adapt remedies to these diseases?

It is a great wrong to the unfortunate, to point blame upon wounded humanity, to kindle hope in the despairing heart, to restore health and bloom, and vigor into the crushed and broken, and to have the *GENUINE OLD DR. JACOB TOWNSEND HAS SOUGHT AND FOUND* the *AGENTS* of disease and means to bring his
