

DEMOCRAT.

Bloomington:
SATURDAY MORNING, NOV. 17, 1849.

Appointment.
E. S. GORDON, Esq., of Bradford county, has been appointed a clerk in the Surveyor General's office.

Our Book Table.
THE LADIES' GARLAND, for November, is before us. It contains a capital engraving, "The young Deserter," and the reading matter is good throughout. "Mary Powell," is interesting, and "Bear and Forbear," is an excellent story. The "Garland" must stand well with its readers.

VAN COURT'S GUNTERFUT DETECTOR, has been received. It contains also a table of Coins, beside the usual matter.

THE LADIES' BOOK, for December, is on hand. It is a double number, and more than usually interesting. In every way it is superb, as well in its embellishment, as in the amount and taste and character of its literary contents. Godey promises great and good things for 1850, and what he promises, he will perform. Address, L. A. Godey, Philadelphia; \$3.00 a year in advance.

GRAHAM'S MAGAZINE, for December, is also along as usual. It is always welcome. Our democratic friend, Col. Samuel D. Patterson, is a capital hand, at getting up a tasty thing. As the new year comes in the Magazines will come out in excellent style, and Graham will not be behind any of its cotemporaries.

SARTAIN'S MAGAZINE, for December, also graces our table. We do not recollect ever to have seen a number that pleased us better. The engravings are capital. The fashion plates are excellent and numerous. The contributors, the most talented in the world. This number contains portraits of the three expelled Wesleyan Ministers, and of Victor Hugo. Sartain gets up a pretty, and readable Book. Three dollars a year, in advance. Address, John Sartain & Co., Philadelphia.

The Bloomsburg Infantry.

We are gratified to know, that the new VOLUNTEER COMPANY, about being raised in this place, is progressing encouragingly and will soon be ready for organization. The Company already number a force nearly sufficient to warrant its permanent establishment and we doubt not will soon be equipped and ready for action. Capt. M. HASELIN, to whom the temporary command has been assigned, offers fair to become an efficient officer, and with all the members of the Company, appear to have embodied the true Military spirit so essential to the complete success of such a meritorious enterprise.

Brigade Inspector's Election.

E. A. KUTNER, was on the 5th inst., elected Brigade Inspector of the Northumberland County Brigade, to fill the vacancy occasioned by the promotion of Maj. W. H. Kase, subsequently elected Major General of the Division. W. G. Kase and R. McCay, were the opposing candidates against Mr. Kutner. We glean the foregoing information from the last Sunbury Gazette.

Bank Directors.—The election for Thirteen Directors of the BANK OF DANVILLE, to serve the ensuing year, will come off next Monday, at the Montour House, in that Borough.

Cavalry Letting.—We learn that the letting at Tanhannock, on last Monday, was attended by an immense number of people. It is estimated that five hundred bids or proposals were made. Many of these are said to have been at starting prices.

The proposals have been taken to Harrisburg, and will be decided off by the Canal Commissioners, of which due notice will be given.

Optician.—By his advertisement in another column, will be seen, that Mr. HASSLER, the German Optician, has opened a Store for the Sale of his Spectacles, and accompanying articles, in the Exchange Hotel, opposite the Court House, where he will be pleased to wait upon customers during the first week of the Court.

A Chance.—Who among our subscribers intends to fatten that Christmas turkey for us? Its time to have it "put up," so that it may be prepared to "go down well."—*Montgomery Ledger.*

This progress our worthy brother STRICKER, of that excellent paper, the *Montgomery Ledger*. We offer the same "chance," to any of our liberal friends, without political distinction! FARMERS OF COLUMBIA, here's a CHANCE, now to do the "delightful," by way of beating out our Montgomery friends, and also, enlisting the printer's lasting gratitude.

Mail Robbers.—John D. Jones and George W. Caswell have been committed for trial at Indianapolis for the robbing of the mail.

Death of Mr. Brobst.
Mr. STEPHEN BROBST, on Friday morning last, whilst in the act of shoeing an unruly horse, at his shop in Brainard, near Berwick, received an internal injury which led to his death in less than two hours. Mr. B. leaves a wife and family. He was late a citizen of Bloomsburg, and died at the age of about 30 years.

New York State contains twelve thousand school districts.

William Shakespeare is G. S. of Sons of Temperance at Columbus, Ohio.

Spirit of the Press.

Huzza! for Louisiana.—The news from Louisiana is all in favor of the Democracy. Huzza! "Truth is mighty, and must prevail." So said General Jackson.

Military Election.—At an election in the Berks County Brigade on the 4th instant, Richard McMichael was elected Brigade Inspector, to fill the vacancy caused by the death of Maj. Thos. S. Looser.

Immigrants.—During the month of October, there arrived at New York, 16,247 passengers, against 14,904 in October last year.

Disappointed.—One hundred and thirty disappointed Irish immigrants, sailed for home yesterday from New York.

Sullivan County.—Sugar Hill, in Cherry township, has been adopted as the county seat of Sullivan county.

Father Matthew is, we are sorry to learn, confined to his bed by sickness.

Hon. Walter Forward has been appointed Charge d' Affaires to Denmark.

Among the Nobles created by Emperor Fustian, of Hayti are two or three colored gentlemen who once figured in New York as cooks and barbers.

In New York the Register's Office on Thursday was the scene of considerable interest, there being a marriage settlement of \$200,000 under arrangement.

One Hundred and sixty Hungarian officers are expected to ship themselves at Bremen for New Orleans.

Upwards of sixty thousand emigrants have left Germany within the last six months, for the United States.

Mr. W. T. Poussin, late French Minister, left on Saturday last, in the packet ship Bavaria, for France.

Henry Clay, is now sojourning in Philadelphia, the guest of Richard H. Bay, Esq.—He has many warm friends as any other man in the nation.

A Mad Dog was killed in Bucks county, on the 30th ult. So says that "hoss of a paper," the Doylestown Democrat.

Blessed are they who do not advertise, for they shall rarely be troubled with customers." Sensible paragraph. *Vide*, the columns of the Columbia Democrat.

The Democrats have elected Speakers, with all the other officers, in both branches of the Georgia Legislature.

Annexation of Mexico.—There is a party in Mexico advocating the annexation of that country to the United States.

The Harrisburg Telegraph, heads an article, "damning the Connecticut River." We thought it was "Salt River" the Whigs are damning about this time.—*Carlisle Democrat.*

General Romulus M. Saunders, of North Carolina, our late minister to Spain, arrived in Washington city on Saturday evening, in fine health and spirits.

New York.
We gather from the papers of this State, that the Democratic majority of the popular vote is about 1500—that the Senate has 17 Feds to 15 Democrats—the House 45 Democrats, 63 Federalists,—thus making a tie on joint ballot—80 of each party.

Mercantile Advertising.

We commend the splendid display of New Goods, which are offered through these columns by our Mercantile friends of Bloomsburg. BUSINESSMEN know the efficacy of ADVERTISING, and we are proud to say, that the COLUMBIA DEMOCRAT, always enjoys a very large and liberal share of this substantial patronage. Our friends will always be well suited by following the directions of business-advertisements.
