Democatic State Nominations.

FOR GOVERNOR GEN. WM. F. PACKER. Of Lycoming County.

FOR CANAL COMMISSIONER NIMROD STRICKLAND, were returned to the last Congress:

Of Chester county. FOR JUDGE OF THE SUPREME COURT. Hon. Ellis Lewis, Of Philadelphia.

## Hon. John G. Montgomery.

This gentleman's numerous friends will be gratified to learn, that he has quite recovered from the epidemic attack, with which he, and many others, was seized at the National Hotel, when on a recent visit to Washington City. A gentleman from Ohio,-Mr. Lennock-similarly attacked, has since died of the malady. The Board of Health, after investigating the establishment, have come to the conclusion that the poisoning was not caused so much by the Rats as from the poisonous miasm, germinated in the walls of the building.

## Legislative.

special or general,-in the proceedings of the opposition, because of his well known our State Legislative. The action of that views on the slavery question. body, that of the National Congress, during Political Complexion of the Deligations of the past winter, has not been regarded as of much general importance to the country. The subjoined acts and provisos, of the Legislature, relate to this section and will impart some interest to cur readers :-

Mr. Ent, has recently read bills in the House for the purpose of widering a certain Street in Bloomsburg, and also for establishing and incorporating an Academy in Orangeville. Also, passed the House, the bill to repeal the State Road, from Bloomsburg to Sullivan, granted last Session, or so much of said road as passes through Hemlock township, Columbia co.

The bill passed in 1850, which reduced the number of Supervisor, in Catawissa township, and by which the road repairs were let out to the lowest bidder, has passed both branches and been signed by the

## Baltimore Conference of the M. E. Church.

This Conference numbering over three Hundred Ministers, which met on the 4th inst., in the Light Street church, Baltimore city, adjourned on the 18 instant. The most important action of the session was its division into two Conferences, to be called respectively Baltimore and East Baltimore.

The East Baltimore Conference embraces all that portion of Pennsylvania, contained in the old Baltimore Conference, the Counties in Maryland immediately adjoining Pennsylvania and part of the county dence is Lewisburg. The circuits are filland City of Baltimore. It is divided in- ed as follows: to six districts, and these are sub-divided into One Hundred and nine circuits and stations. We publish, to day the appointments for the Northumberland district:

THE STATE AGRICULTURAL SOCIETY held a metting at Harrisburg last week, which was held for Secretary and Treasurer of the Society, when Messrs, Walker and Bucher were re-elected. It was determined to hold the next annual Exhibition on the 29th and 30th of September, and the 1st and 2d days of October next. No place has yet been fixed upon, but it will probably he held in Philadelphia.

ADVERTISING SALES .-- The last No. of the Bucks County Intelligencer, contains notices of no less than ninty-eight public sales to come off in that county. The Intelligencer says that in no other county in the State are personal property sales so well attended or are such good prices obtained as in Bucks county. This is doubtless owing the liberal system of adverttsing adopted in that community. It has been found that money expended for advertising is cash well laid out.

THE CABINET,-It is a noticeable fact Quarterly Conference. that five of the seven members of Mr. Buchanan's Cabinet have been honored with the position of Governor, viz : Gen. Cass, Ex-Governor of the Northwestern Territory; Mr. Floyd, Ex-Gov. of Virginia; Mr. Brown, Ex-Gov. of Tennessee; Mr. Toucey, Ex-Gov. of Connecticut ; and Mr. Cobb, Ex-Gov. of Georgia. This shows the high estimation in which the Cabinet is regarded at home, in their respective States.

Mr. Cobb, the new Secretary of the Treasury, is said to have added to the preexisting causes of dismissal prescribed by his redecessors in the Department, that of dealing in lottery tickets, and frequenting gaming houses. If this rule should be enforced in respect to members of Congress, there would not be a quorum left in cither house.

NEW FURNITURE -Congress has appropriated \$20,000 to renew the furniture of the Ex-cutive Mansion; and also \$11, 000 for the repair of the public grounds in Washington.

Report of the Committee, appointed to superintend the Burning of the Iron cafer, at Reading, Echronry 27, 1557.

The undersigned, members of the committee, do respectfully report, that we saw the two safes, originally agreed upon by Parreis & Herring and Evans & Watson, placed side by side in a lurance, viz: The Bafe in a we by the paymaster of the Philadelphia and Reading Bailtond Company, in his office at Reading, manufactured by Parreis & Herring, and the Safe in use by H. A. Landz, in his store, manufactured by Evans & Watson, and put in books and papers procincy after.

Evans & Watson, and put in books and papers preciaely slike.

The fire was started at 81 o'clock, A. M., and kept
up until four cords of green brekery, two cords dry
ook and half clussimut top wood were estiely consumed, the whole under the superimendence of the
subscribers, members of the Committee. The Safes
were then cooled off with water, af er which they
were opened, and the books and papers taken out by
the Committee and sent to H. A. Lantz's store for
public examination and marked by the Committee.

The tooks and papers taken from the Safe, manufactured by Farrels & Herings were, in our judgment,
damaged fully fifteen per cent, more than those taken
from Evans & Wzison's Safe.

We believe the above to have been a fair and impartial trial of the respective qualities of both Safes.
