COLUMBIA DEMOCRAT.

LEVI L. TATE, EDITOR.

BLOOMSBURG, Aug. 15, 1857

DEMOCRATIC STATE NOMINATIONS.

FOR GOVERNOR,

GEN. WILLIAM F. PACKER,

Of Lycoming County.

FOR CANAL COMMISSIONER,

Hon. NIMROD STRICKLAND,

Of Chester county.

FOR JUDGES OF THE SUPREME COURT.

HON. WILLIAM STRONG,

Of Berks County.

HON. JAMES THOMPSON,

Of Erie County.

September Court.—Money.

The regular term of Court will commence in this place on Monday, the 7th of September. It will afford many of our subscribers an appo tunity to pay up their subscriptions for their paper. There is nothing we dislike more than this mode of dunning—it is unpleasant, exceedingly so, to a large number of our patrons who pay up punctua'ly; but we have a large number on our list who have trespassed on our patience and pocket very much by allowing their bills to remain unsettled for two, three, four and five years, and some even more, and have repeated promised when called upon.

MORE ABOUT THE CONVENTION.

Brother MASSER, of the Sunbury American, in speaking of the late Editorial Convention, ironically says:—

"Friend TATE, of the Columbia Democrat, by virtue of his years—venerable appearance and superior Democracy, was called on to preside."

We are somewhat at a loss to give friend Masser's language the proper construction. Only 47 summers have passed over our head, nor have they implanted one gray hair, in support of the "venerable," and although, with Mr. M., we believe, we have some claim to *"superior Democracy,"* it certainly was not on that account that we were thus promoted, as it was composed of a large majority of the opposition. It must have been owing to our good looks, and generous disposition. Either will suffice.

We were pleased with our brethren of the Press, and the proceedings of the Convention, and will cordially abide its action.

The Press.

The Press, the new daily paper published at No. 417 Chestnut Street, Philadelphia, by Col. JOHN W. FORNEY, has been received regularly on our table for several days; and we have read its able editorials and interesting correspondence, and very judicious selections with great pleasure and profit. The ability and experience of Col. Forney are on all hands freely acknowledged, and he is amply sustaining his great reputation as a sound and caustic political writer. The democratic party will feel the weight of his pen in the increased vote the election will show for Gen. Packer, and the opposition will feel it sensibly during the Campaign, by the powerful blows he will deal them; for "beneath the rule of men entirely great, the pen is mightier than the sword."

The mechanical execution of the 'Press,' would delight the eye of a printer; the print, paper and type, making a sheet superior in appearance to any in the State.

Republicanism Begging.

David Wilmot, the Black Republican candidate for Governor, is out in a most imploring letter to the Know-Nothings, begging for their support. He puts himself "square" on the proscriptive platform.—He is for having all offices held by "Americans"—in other words, he wants "Americans to rule America." He thinks that German and Irish Mechanics ought not to be allowed to compete with native-born workmen. Negroes born on the soil are natives, and according to his doctrine, should have the preference over white men who happen to have been born on the other side of the Atlantic. To such degradatio has Black Republicanism sunk. Let the German and Irish population of Pennsylvania remember this when they are asked to vote for Wilmot.

Bedford Gazette.

Gen. GEO. W. BOWMAN, has retired from the "Bedford Gazette." He is succeeded by Messrs. *Myers & Denford*. The Gazette, under Gen. Bowman's administration, has been an able and efficient advocate of democratic principles, and we trust it may so continue under the new arrangement.

Sullivan County Democratic Convention.—The Sullivan County Convention met in Laporte, on the 4th inst. Col. James Deegan presiding—and unanimously nominated *George D. Jackson, Esq.*, for the Legislature, subject to the action of the conferees of Columbia, Montour and Wyoming.

☞ The Canal Department of the Pennsylvania Railroad Company has been placed under the charge of W. B Foster, Jr., Vice President, as General Superintendent. T. H. Dupuy, Esq., Engineer, and D. L. Mitchell, Esq., Secretary and Auditor.

Proceedings of the Editorial Convention.

DANVILLE, August 4, 1857.

An informal meeting of the Convention of Editors met in Cox's Hall, Danville, today, at 11 o'clock. The following members of the corps editorial were present:

O. N. WORDEN, Lewisburg *Chronicle*.
L. H. DAVIS, of the Pottstown *Ledger*.
S H. RAUCH, Mauch Chunk *Gazette*.
C E. CHICHESTER, Philad. *Enquirer*.
L. L. TATE, Bloomsburg *Democrat*.

D. H. B. BROWER, Danville *American*.
H. B. MASSER, Sunbury *American*.

PALEMON SHINN, Bloomsburg *Republican*.
JACOB FRICK, of the *Miltonian*.
G. L. I. PAINTER, Muncy *Luminary*.
F. A BAKER, Jersey Shore *Republican*.
JAMES JONES, Jersey Shore *Vedette*.

C. E. Chichester, Pennsylvania Enquirer, Phila. was, on motion, admitted to participate in the proceedings of the Convention.

On motion, W. P. Niner, Esq., was called to the Chair and L. H. Davis appointed Secretary.

The following committees were then appointed:—On Organization, E. H. Rauch, D. H. B. Brower, Thos. G. Price. On Business, R. W. Weaver, J. Henry Puleston, V. Best, O. N. Worden, F. A. Baker.

On motion it was agreed, that the meeting be held in Cox's Hall this afternoon at 2 o'clock.

AFTERNOON SESSION.—In pursuance with the above, the Convention met at Cox's Hall, at two o'clock. The Committee on Organization reported the following list of permanent officers:

President—LEVI L. TATE.

Vice Presidents—VALENTINE BEST, G. L. I. PAINTER, O. N. WORDEN and L. H. DAVIS.

Secretaries—*J. Henry Puleston, Jno. Youngman.*

Mr. Rauch stated that the editor of the Carbon *Democrat* was unable to be present, but had signified his determination to acquiesce in the proceedings of the Convention. James Jones, of the Jersey Shore *Vedette*, made similar statements on behalf of Editors of the Wellsboro' *Agitator* and the Lycoming *Gazette*. Mr. Davis excused the Editor of the *Weekly Phœnix*. Several *other* Editors sent in excuses for non attendance, and expressed their readiness to carry out the Resolutions of the Convention.

The Secretary read the call for the Convention, and the Committee on business reported a series of Resolutions which were acted upon separately.

Resolved, That we organize the KEYSTONE EDITORIAL UNION, which shall meet annually at such a time and place as this Convention may decide.

Resolved, That we *earnestly* recommend all publishers of newspapers in the State, that from and after the first day of January next, they send *no paper out on credit.*

Various subjects of importance were then discussed. The Chair appointed Rauch, Cook and Jones a committee on Resolutions, and it was resolved that Messrs. Miner and Davis be added to the business committee and report further business for the consideration of the Convention.

The Convention then adjourned to meet at 7½ o'clock, P. M.

EVENING SESSION.—The Convention assembled in pursuance of adjournment—the President in the Chair.

The Committee on Business submitted a variety of important subjects for the action of the Convention, which were received and duly considered. It was

Resolved, That members of this Association will have no dealings with any advertising agent who will not promptly settle in full his accounts at the end of every quarter, for all advertisements sent within that time.

Resolved, That any advertising agent failing to comply with the foregoing resolution, shall be published as being no longer our agent.

Resolved, That we deem it impracticable for editors in different localities distant from each other, to form a uniform scale of prices, and that we, therefore, recommend that it be made a matter of local arrangement amongst editors, governing themselves, according to circumstances, and in no case deviating from the terms of advertising as set forth in their respective Journals.

The Committee on Resolutions reported the following, which were unanimously adopted by the Convention.

Resolved, That believing mutual confidence and co-operation necessary to secure any practical benefit to the editorial profession, we pledge ourselves to use our best efforts, both individually and collectively, to cultivate that spirit.

Resolved, That the publication of personalities reflecting upon the private character of a brother editor or any other individual, is derogatory to the editorial profession, and should not be countenanced.

Resolved, That it is a violation of that courtesy, which should ever characterize the editorial fraternity, to employ apprentices who have not served out their full term with their employer, unless by mutual agreement, and we pledge ourselves to discourage its continuance.

Resolved, That we will not take apprentices hereafter for a shorter period than four years.

Resolved, That we pledge ourselves to exclude all advertising matter of an indelicate nature.

Resolved, That all general Laws passed by the Legislature, should, in the opinion of the Convention, be published and laid before the people as fully as possible, immediately after the close of the sessions during which they were enacted, and that the cheapest and only successful mode of accomplishing this would be by the passage of an act providing for the publication of all such laws in every newspaper published in the State, at a cost of one-half the regular rates of advertising.

Resolved, That a copy of the above Resolution be forwarded to the Speakers of both Houses properly authenticated by the officers of this Association.

Resolved, That a copy of these proceedings be forwarded to every newspaper published in the interior of Pennsylvania.

Resolved, That the thanks of this Convention be hereby tendered to our brethren, and the citizens of Danville generally, for the use of this Hall, and their courtesy and kindness during the sessions of this Convention.

O. N. Worden, Esq., of the Lewisburg Chronicle, delivered an able address on "the oldest printer on record," after which it was

Resolved, That Mr. Worden be requested to furnish a copy of his address for publication with the proceedings of this Convention.

On motion, Dr. J. Henry Puleston, of the *Pittston Gazette*, was appointed corresponding Secretary.

[Here it was urged that every member of the Convention *and* Editors generally be requested to Communicate with the *Corresponding Secretary* on all matters relating to the interest of the Association, or of any member thereof.]

The firm of Lambert & Co., advertising Agents of Philadelphia, was recommended to the favorable consideration of this Association by several members.

Resolved, That the thanks of this meeting be tendered to Col. TATE, the President of this Convention, for the gentlemanly and courteous manner in which he has presided; and also, to Dr. *J. Henry Puleston* for the careful and accurate manner in which he has performed the duties of Secretary.

The President and Secretary replied in appropriate terms, and expressed their feelings of gratitude for the honor conferred upon them. It was then

Resolved—That the Convention now adjourn to meet in Pottsville, the first Tuesday of May, A. D. 1858, at two o'clock P. M.

The venerable Col. Best, on account of indisposition, was unable to take his seat in the Convention, but to manifest his interest in the matter he hoisted the American Flag from his window, and during the latter part of the evening session he presented himself, much to the satisfaction of all present, and cordially invited *all* to repair to his residence, where a sumptuous repast was spread for the occasion.

Interesting Correspondence.

GEN. PACKER TO THE DEMOCRATIC STATE COMMITTEE.

WILLIAMSPORT, July 18, 1857.

HON. C. R. BUCKALEW,
Chairman of State Committee:

DEAR SIR: I have received the enclosed letter from an opposing candidate for the gubernatorial office, and inasmuch as it proposes a plan for the conduct of the campaign which has never before been practised in Pennsylvania, and as the success of other candidates besides myself is involved in the election, I have thought it my duty to submit the communication to the judgment of the State committee representing the democratic party. If it is thought to be a proper mode of conducting the canvass, I shall cheerfully accede to the proposition.

Respectfully yours,
WM. F. PACKER.

REPLY OF THE CHAIRMAN OF THE STATE COMMITTEE.

PHILADELPHIA, July 25, 1857.

HON. WM. F. PACKER:

DEAR SIR. I have laid before the State Committee the letter signed D. Wilmot, dated the 14th instant, and am authorized to say to you that in the opinion of the Committee you ought not to accede to the proposition it contains. The reasons for this opinion I will proceed briefly to state:

The Slavery question, which it is probable your opponent proposes to discuss, has very recently been thoroughly considered and passed upon by the people of this Commonwealth. The late Presidential canvass involved the whole subject so far as it was proper for consideration by our people, and we can perceive no utility in its re-discussion at this time, nor any other good reason for re-opening debate upon it. The position of our party is well understood and requires no vindication, at least by any extraordinary proceeding like that proposed.

A joint canvass by candidates for the gubernatorial office has never been conducted in this State, nor, I believe, in any other northern one, and may well be questioned on grounds of public policy. If the practice be once adopted, it will doubtless continue, and party nominations be uniformly made with reference to it. No party will venture to select a candidate for this office who is not qualified for the stump; and aptitude for debate will hence become to be preferred to administrative ability. In short, the result will be to confine nominations to the class of talkers, and to exclude all others. A rule of party action which would prevent such men as Benj. Franklin, Simon Snyder and Francis R. Shunk from filling the Executive chair of this State, must be a bad one, and to be denounced rather than adopted.

We believe there is a considerable public opinion against the propriety of executive candidates appearing at all before popular meetings to solicit votes. This was first practiced by Wm. F. Johnston in 1848, and has been to some extent followed by candidates since. The good results of it are not obvious. It did not originate with the democratic party, nor has it ever received any formal popular or party sanction. It may therefore be considered an open question in future practice, and at all events as forming no part of the *duty* of a candidate imposed upon him by his nomination.

While your opponent holds the office of President Judge, there is a special objection to the acceptance of his project. The propriety of law judges taking part in political meetings is denied by our party, and is opposed to sound public opinion. By no act whatever ought we to sanction or become participants in a prostitution of the judicial character. Nor will a resignation now made, altogether remove this objection. Your opponent has intentionally held his office until within three months of the election, (rendering it impossible to elect a successor the present year,) and if a resignation should now take place, it would obviously be with the intention of resuming the office after a defeat for the post to which he aspires.

The proposed mode of conducting campaigns may possibly be suited to some of the southern and southwestern States, where it has been practiced, and where population and political conditions differ from ours; but its introduction here would be against solid objections, and without any conceivable good. It is, therefore, a proposed "southern aggression" upon the practices and policy of parties in Pennsylvania which cannot be at all accepted or promitted.

It is well that this question has arisen when we have a candidate capable and fit for any discussion before the people, and when the decision can be placed, without embarrassment, upon the public grounds which control it.

I am, very respectfully,
Your obedient servant,
C. R. BUCKALEW.

GENERAL PACKER TO JUDGE WILMOT.

WILLIAMSPORT, July 27, 1857.

HON. D. WILMOT:

DEAR SIR—Your letter of the 14th instant was duly received; and as it proposed a plan for conducting the gubernatorial campaign which had never hitherto been adopted in Pennsylvania, and as the interests of other candidates were involved in the result, I did not feel at liberty to accede to your proposition without first consulting the State Committee to which the democratic convention has on its part specially confided the control and management of the canvass,

You will receive herewith a copy of my letter to the Committee, as also my reply, by which you will perceive that your suggestion does not meet their approval, and that, for reasons stated at length, I ought not to accede to your proposition. It is therefore respectfully declined.

I am, yours, truly.
WM. F. PACKER.

Great Feat in Mowing.

MANNY'S MACHINE.

Mr. *David Eilenberger*, according to the Certificates below, attested by excellent names, certainly performed a great feat last week with the Mowing Machine. To mow 5½ acres of grass in 4½ hours, in good and workman-like-manner, is certainly going it "with a rush." We direct attention to the subjoined certificates:—

This is to certifiy, that *D. Eilenberger*, mowed five acres and a half of Grass, in four hours and a half, with Manny's Mowing Machine, which Grass would average two tons to the acre.

Signed J. W. Hendershot.

I examined said work and find it well done—as good as if it had been mowed with a Scythe.

Signed N. J. Hendershot.

Colonel Fremont.—Colonel Fremont sailed for California in the *Illinois* last Wednesday. He goes out to look after his business in that State. The recent decision in relation to the right of the Merced Mining Company to continue their operations on the Mariposa Tract, renders it very doubtful whether Colonel Fremont is ever to realize much from his Californian possessions. It is said that a brother of Mayor Wood, has purchased a share in the Mariposa Claim.
