# COLUMBIA DEMOCRAT.

ALEM B. TATE, LOCAL EDITOR.

**Saturday Morning, Aug. 15, 1857**

## RELIGIOUS NOTICES.

Divine services will be held in Bloomsburg, to-morrow, (Sunday, Aug. 16,) at the following Churches:

*Presbyterian Church.*—Rev. D. J. Waller.—Service at 10 o'clock, A. M.

*Episcopal Church.*—Rev. H. Tullidge. Services at 10½ o'clock, A. M., and at early candle-light in the evening.

*Luthern Church.*—Rev. E. A. Sharretts. Service at 10½ o'clock, A. M.

*German Reform.*—Rev. W. Goodrich. Service at early candle light in the evening.

*Methodist Church.*—There will be no services to-morrow, on account of a bush-meeting, being held near Jerseytown.

☞ Gone to the City.—The Editor.

☞ Court.—There is only at present *one* prisoner confined within our jail.

☞ We hope our friends everywhere will attend the Agricultural Meeting, this afternoon, in the Court House.

☞ A well-written communication on the "Importances of Moral Culture," by Thomas Greenly, will appear in the next *Columbia Democrat.*

Camp Meeting.—A Camp Meeting for Orangeville Circuit, will be held in Mt. Pleasant township, on the land of Mr. Geo. Richard, to commence on Friday the 21st inst. M. Richards will be prepared to keep boarders.

☞ I and J.—There are no two letters in the manuscript alphabet of the English language which cause so much misconstruction as I and J, as most people write them exactly alike. The rule for writing them properly, and which deserves to be universally adopted, is to run the J below the line, and run the I even with the line.

☞ Writing School.—*Mr. A. A. Southworth*, as will be seen, by his card in another column, intends opening a Writing School, on next Monday evening, in Mr. Eaton's School Room, on Third Street, Bloomsburg. We have examined some specimens of Mr. S.'s penmanship and pronounce them of the first order. Young Ladies and Gentlemen, would do well by attending, as his terms are very reasonable.

☞ Delightful Day.—Thursday was one of the most delightful August days that we remember to have experienced.—There was a freshness in the atmosphere that was quite invigorating, and all Nature looked bright and cheerful after the gloom of previous days. In the evening, the walks were filled with bright eyed girls and romping boys, who seemed the embodiment of health and innocence.

"Let them pull all about mine ears; present me
Death on the wheel, or at the wild horses' heels;
Or pile ten hills on the Tarpeian,
That the precipitation might down stretch
Below the beam of sight—yet still will I
Continue to destine to them—"

That Else & Wilson's Saloon, is a place worthy of a visit, to all those, who wish to enjoy an excellent dish of Ice Cream.

Sunday School Celebration.—On last Wednesday the members of the Episcopal Sabbath School held a celebration in the Grove, near the Iron Dale Furnace.—The day was fine, and the turn out unusually large. We are pleased to see such Exhibitions and hope they may continue to cheer and gladen the hearts of the young. Although we had not the pleasure of participation in the joys of the day, yet our good wishes were their's. The day passed off very pleasant, we understand, and nothing occured to the general good feeling.

☞ To Housekeepers.—The season for putting up fruits for winter use is near at hand, and experience has proven that those fruits put up in their natural state are the least expensive and most delicious rarity, and entirely supercedes the old method of preserving. Tin cans have been extensively used for putting up fruit air tight, but already several sad accidents resulting in the loss of life, have occurred by eating fruit put up in tin, as events establish the fact that the acids contained in fruit become thoroughly impregnated with tin and its poisonous substances, rendering it dangerous to partake of fruit which has been preserved in metalic substances. Glass is the only safe substitute.

Great Agricultural Products!—Ex-Sheriff Derr, of Jackson township, in this county, has placed in our office, to which we invite the attention of the public, the following monstrous specimens of Agricultural Productions. Considering these articles are the product of the reputed thin soil of Jackson—where good land rates at about $6 per acre,—they are worthy of consideration, and entitle Jackson township to the appellation of "Some Pumpkins." By the way, our democratic friend, *Sheriff Derr*, is a model Farmer, himself and richly deserves the honorable appellation of the degree of *S. P.*

## DEATHS.

In Bloomsburg, on Monday, Aug. 3rd., John Lewis, son of Joseph L. and Anna M. Shannon, aged 17 months and 21 days

"Ere sin could blight, or sorrow fade,
Death came with friendly care,
The opening bud to Heaven conveyed,
To bloom forever there."

In Mauch Chunk, on Thursday morning, of apoplexy, Wm. E. McNair, aged about 23 years.

The deceased was for some years connected with this office, first as apprentice, and then as foreman; and gained the respect and confidence of all who truly knew him. He was faithful to every duty, and had a clear, quick mind and a just and generous disposition. He left the printing business for a more lucrative employment; and in the active business of mercantile life displayed the same earnestness and energy of character which marked him when a boy. The world was bright before him for hope and heart to the full; and his aim was a manly one—"upward and onward." The Destroyer came suddenly—a thief in the night—and the friends of the just and generous young hero in the battle of life mourn for a younger brother fallen.—*Star of the North.*

In Centre township, Columbia County, on Sunday morning last., Mr. Alexander Creveling, aged about 71 years.

## SPECIAL NOTICES.

MEETING of the Columbia County Agricultural Society. A special meeting of this Society will be held on Saturday, Aug. 15th, 1857 at 2 o'clock, P. M., at the Court House, Bloomsburg. A general attendance is requested, as business of importance is to be laid before the meeting.

F. JOHN, *President.*

August 1, 1857.

JOHN G. FREEZE, Esq., has resumed the practice of the Law in Bloomsburg, Columbia county, Pa., and will give his undivided and careful attention to all professional business entrusted to him in Columbia and adjoining counties.

He can be found constantly, in his Office, in Robison's Row, near the Court House.

☞ If you are afflicted with any complaint which requires a Purgative Medicine, try Ayer's *New Pills*—they are worth trying.—*Concord Mercury, N. C.*

☞ HELMBOLD'S UNIVERSALLY APPROVED REMEDY.—Compound Extract Buchu cures Diseases of the Bladder, Kidneys, Gravel, Dropsy, Weakness, &c. Read the advertisement in another column, headed "Helmbold's Genuine Preparation."

☞ *The Five Per Cent. Saving Fund* of the National safety Company, *Walnut* street, southwest corner of *Third* street, Philadelphia, now has nearly One Million and a Half of Dollar all in Real Estate, Mortages, Ground Rents, and other first class securities, to the benefit to depositors.

☞ THOMAS W. MATTSON, Received the Prize Medal at the World's Fair in London, 1851, for TRUNKS, CARPET BAGS, Boots, shoes and Gums.—Great inducements are now offered to purchasers of the above articles. This is much the largest stock of trunks, Carpet Bags, Valices, &c., in Philadelphia very cheap, or cash. Manufactories: 130 Market Street, S. W. corner, and 129 Market street, S. E. corner of Fourth.

☞ A COOL REFLECTION.—"For every mile that we leave the surface of our earth, the temperature falls five degrees. At forty five miles' distance from the globe we get beyond the atmosphere, and enter, strictly speaking, into the regions of space, whose temperature is 225 degrees below zero, and here cold reigns in all parts." The gentleman who went "beyond the atmosphere," and held the thermometer in the "regions of space," has since his return declared that the next coolest thing is, a suit of those light, elegant and graceful summer clothes, which have rendered the fashionable Emporium of Gran ville Stokes, No. 607, late 209 Chestnut street, famous on this territorial orb.

☞ WHITE TEETH, PERFUMED BREATH AND BEAUTIFUL COMPLEXION—can be acquired by using the "*Balm of a Thousand Flowers.*" What lady or gentleman would remain under the curse of a disagreeable breath, when by using the "Balm of a Thousand Flowers" as a dentrifice, would not only render it sweet, but leave the teeth white as alabaster! Many persons do not know their breath is bad, and the subject is so delicate that their friends will never mention it. Beware of counterfeits. Be sure each bottle is signed

FETRIDGE & CO., N. Y.

BE WISE IN TIME.—How many are there who afflicted with disease in an incipient stage, delay from time to time having recourse to some remedial agent, which would effectually arrest the further progress of disease, and render the system impregnable to its insidious attacks. It is unfortunately too true—there are thousands who sink into an early grave—whereas at a trifling expense they might have lived to a good old age. If there be reliance to be placed in medicine, and thousands of well attested cases establish beyond the possibility of a doubt, the curative properties of any one particular remedy, then Hurley's Sarsaparilla is unquestionably the greatest medicine ever introduced to an afflicted community. Hesitate not, therefore, to use it, if suffering from any of the ills which flesh is heir to.—*Herald (Galveston Texas.)*

☞ $1,000 REWARD WILL BE PAID FOR ANY Medicine that will excel PRATT & BETCHER'S MAGIC OIL for the following diseases:—Rheumatism, Neuralgia, Spinal Affections, Contracted Joints, Cholic Pains, Pains in the Side or Back, Headache, Toothache, Sprains Sore Throat, Cuts, Bruises, Burns, and all diseases of the Skin, Muscles and the Glands. None genuine without the signature of "Pratt & Butcher" attached to each label. Principal office, 205 Washington street, Brooklyn, New York. Sold by G. M. HAGENBUCH, Druggist, Bloomsburg.

☞ This is to certify that I have made but one application of the Magic Oil on my fingers, which have been drawn from contraction of the cords, brought on by rheumatism. It was of seventeen months standing, and I am now entirely cured. I cheerfully recommend it to all afflicted likewise.

☞ A CARD TO THE LADIES.—Dr. Dupont's Golden French Pills are *infallible in removing stoppages or irregularities of the menses.*

These Pills are nothing new, but have been used by the Doctor for many years, both in France and America, with unparalleled success in every case; and he is urged by many thousand ladies who have used them, to make the Pills public, for the alleviation of those suffering from any irregularities whatever, as well as a preventive to those ladies whose health will not permit an increase of family.

Pregnant females, or those supposing themselves so are cautioned against using these Pills, as the proprietor assumes no responsibility after the above admonition, although their mildness would prevent any injury to health; otherwise, these Pills are recommended.

Directions accompany each box. Price $1. Sold wholesale and retail, by

### ONE PRICE ONLY!

LIPPINCOTT & HUNTER'S Clothing Warehouse, South West corner of Fourth and Market streets, Philadelphia. *The only One Price Clothing Store in America*

Cash purchasers of Men's or boy's Clothing, at wholesale and retail, can here, make their selection from an immense stock of fashionably cut and well made clothing, got up with a view to gide satisfaction to all, and at the very lowest possible selling price marked in plain figures on every garment, all buy at the same price, and whether they are judges of goods or not, they cannot be decieved. One uniform low price to ask and take, suit everybody, wile the usual mode of asking two prices, and taking all that can be got, suits nobody, and cheats three-fourths; for instance a man asks $15 for a coat, and afterwards agrees to take $10, and it is equally certain, that he would have taken $15, if he could have got it, and thus actually cheated his purchaser out of five dollars. To remedy this evil and establish confidence in the trade, LIPPINCOT & CO., fix a uniformable price on all their goods, (very much below the usual rates,) and will never vary one cent under any circumstances.

The wheels are then revolved, and a number is drawn from the wheel of Numbers and at the same time a Prize is drawn from the other wheel. The Number and Prize drawn out are opened and exhibited to the audience, and registered by the Commissioners; the Prize being placed against the Number drawn.
