COLUMBIA DEMOCRAT,

ALEM B. TATE, LOCAL EDITOR.

Saturday Morning, Aug. 22, 1857

RELIGIOUS NOTICES.

Divine services will be held in Bloomsburg, to-morrow, (Sunday, Aug. 24,) at the following Churches:

Episcopal Church.—REV. H. TULLIDGE. Services at 10½ o'clock, A. M., and at early candle-light in the evening.

Presbyterian Church.—REV. D. J. WALLER.—Service at 10 o'clock, A. M.

Lutheran Church.—Rev. E. A. SHARRETTS. Service at early candle-light in the evening.

German Reform.—Rev. W. GOODRICH. Service at 10½ o'clock, A. M.

Methodist Church.—Service at 10 o'clock, A. M.

☞ THE EDITOR having just returned from Philadelphia, as the paper goes to Press, and consequently are compelled to omit many editorials and advertisements intended for this week's issue.

☞ An Essay on "NIGHT," by Dr. P. H. FREEZE, will appear in next week's *Columbia Democrat.*

☞ We have been authorized to announce that WILLIAM COLE, Esq., will not be a candidate for County Treasurer at the approaching Election.

☞ There are at present, two Camp-meetings in progress, in this county. One near Rhoreburg, and the other, near Orangeville.

☞ We continue to hear gratifying reports in regard to the harvest. A bountiful crop is being gathered all over the Western country.

☞ SELECT SCHOOL.—The next term of this Institution will commence on Monday the 7th day of September, and continue eleven weeks.

☞ The new Luthern Church of this place, is now about completed. We understand that it will be dedicated in a few weeks.

☞ We are under obligations to a kind friend, for the presentation of a fine lot of early pears. We hope that he may always have abundance of fruit, as he is very liberal with it.

☞ The Second Annual Fair of the Columbia County Agricultural Society, is to be held in Bloomsburg, on Thursday and Friday, the 22d and 23d of October next.

☞ Fruit of near all kind, has been selling in Bloomsburg, for the last few weeks, at very high prices. We do not understand why this is, for our Exchanges assure us, that Vegetables were never more plentyful, than at the present season.

☞ Hot weather will have a tendency to drive the "people of pleasure" from the cities, to seek a cool retreat among the hills and dales of the rural districts. Come on:—we will send you back again with glowing cheeks and your general health improved twenty-five per cent.

☞ As Grain, Seeds, &c., are now sold almost entirely by weight, we give the following as the lawful standard, viz: wheat, 60 lbs. per bushel, corn 56, oats 31, beans 60, cloverseed 64, timothy seed 45, buckwheat 50, barley 48, peas 59.

☞ The wife of O'Malley, who eloped last week with a young Irishman, by the name of Bryant Yard, says the Pittston *Gazette*, returned on Wednesday last, with her husband and the Constable of Bloomsburg—Mrs. O'Malley feeling a much sadder and wiser woman.

☞ POISONING DOGS.—Some unprincipled fellows seem to occupy a large portion of their time in creating disturbance, and committing some depredation. During the past few weeks, a quantity of poisoned meat has been freely scattered in different parts of our town, and consequently several dead dogs have been found.

☞ If you want to make yourself look respectable and be able to fit yourself out, so as to take a position beside the *boys* and *flounces* now accompanying the Belles along our street; go to Lowenberg's Clothing Store, and he will rig you out in the latest styles, at the shortest notice, and on the most reasonable terms. We refer for particulars to his advertisement of Fall Clothing in another column.

☞ MAP OF BLOOMSBURG.—By the kindness of Mr. LLOYD, we were permitted to take a look at the new Map of our town, now in course of preparation, and we are convinced that its general appearance and execution will give great satisfaction to our citizens, and more especially to the subscribers, by whose liberality and local pride, the work has been undertaken. It is progressing rapidly, and will be ready for distribution at the earliest possible moment.

☞ We do not believe that there is a town in the State with anything like the same population, that can boast of less mortality than Bloomsburg. The reason is, that we have a pure and healthy atmosphere, and it seldom indeed that epidemics or endemics of any kind prevail. In many other parts of the State at this time there is a great deal of sickness. We cannot be too thankful that our beautiful town is an exception to other places with regard to its general health.

☞ We invite attention to the advertisement of Messrs. Allen & Needles of Philadelphia, dealers in Super-Phosphate of Lime Guano and other fertilizers. No other recommendation is required than the mention of their names, as their articles are very popular.

SHOOTING AFFRAY IN CAMDEN.—On Monday evening last, a quarrel occurred in Camden, between D. W. Belisle, Editor of the Camden *Journal* and Charles D. Hineline, formerly editor of the Camden *Democrat*, in which the latter was shot by the former, inflicting a serious though probably not mortal wound. Mr. B. was arrested and held to bail in the sum of $5,000.

We again thank our friends for prompt payments. It is this that sustains the Press and encourages the Editor. We ask our customers, everywhere, to try to help us to meet our heavy expenses, by prompt payments, and thereby discharge an honorable obligation. Especially do we request distant subscribers, to do as many others have done, viz: to remit money by mail, at our risk, as we have never lost a dollar in that way, and its receipt will be duly acknowledged by mail and the payment also published in the *Columbia Democrat*

SPECIAL NOTICES.

☞ If you are afflicted with any complaint which requires a Purgative Medicine, try Ayer's *New Pills*—they are worth trying.—*Concord Mercury, N. C.*

☞ HELMBOLD'S UNIVERSALLY APPROVED REMEDY.—Compound Extract Buchu cures Diseases of the Bladder, Kidneys, Gravel, Dropsy, Weakness, &c. Read the advertisement in another column, headed "Helmbold's Genuine Preparation."

☞ *The Five Per Cent. Saving Fund* of the National safety Company, *Walnut* street, southwest corner of *Third* street, Philadelphia, now has nearly ONE MILLION AND A HALF of Dollar all in REAL ESTATE, MORTGAGES, GROUND RENTS, and other first class securities, to the benefit to depositors.

☞ THOMAS W. MATTSON, Receive the Prize Medal at the World's Fair in London, 1851, for TRUNKS, CARPET BAGS, Boots, shoes and Gums.—Great inducements are now offered to purchasers of the above articles. This is much the largest stock of trunks, Carpet Bags, Valices, &c., in Philadelphia very cheap, or cash. Manufactories: 130 Market Street, S. W. corner, and 128 Market street, S. E. corner of Fourth.

☞ A COOL REFLECTION.—"For every mile that we leave the surface of our earth, the temperature falls five degrees. At forty five miles' distance from the globe we get beyond the atmosphere, and enter, strictly speaking, into the regions of space, whose temperature is 225 degrees below zero, and here cold reigns in all parts." The gentleman who went "beyond the atmosphere," and held the thermometer in the "regions of space," has since his return declared that the next coolest thing is, a suit of those light, elegant and graceful summer clothes, which have rendered the fashionable Emporium of Granville Stokes, No. 607, late 269 Chestnut street, famous on this terrilori l orb.

☞ WHITE TEETH, PERFUMED BREATH AND BEAUTIFUL COMPLEXION—can be acquired by using the "*Balm of a Thousand Flowers.*" What lady or gentleman would remain under the curse of a disagreeable breath, when by using the "BALM OF A THOUSAND FLOWERS" as a dentrifice, would not only render it sweet, but leave the teeth white as alebaster! Many persons do not know their breath is bad, and the subject is so delicate that their friends will never mention it. Beware of counterfeits. See sure each bottle is signed

PETRIDGE & CO., N. Y.

BE WISE IN TIME.—How many are there who afflicted with disease in an incipont stage, delay from time to time having recourse to some remedial agent, which would effectually arrest the further progress of disease, and render the system impregnable to its insidious attacks. It is unfortunately too true—there are thousands who sink into an early grave—whereas at a trifling expense they might have lived to a good old age. If there be reliance to be placed in medicine, and thousands of well attested cases establish beyond the possibility of a doubt, the curative properties of any one particular remedy, then Hurley's Sarsaparilla is unquestionably the greatest medicine ever introduced to an afflicted community. Hesitate not, therefore, to use it, if suffering from any of the ills which flesh is heir to.—*Herald (Galveston Texas)*

☞ $1,000 REWARD WILL BE PAID FOR ANY Medicine that will excel PRATT & BUTCHER'S MAGIC OIL for the following diseases:—Rheumatism, Neuralgia, Spinal Affections, Contracted Joints, Cholic Pains, Pains in the Side or Back, Headache, Toothache, Sprains, Sore Throat, Cuts, Bruises, Burns, and all diseases of the Skin, Muscles and the Glands. None genuine without the signature of "Pratt & Butcher" attached to each label. Principal office, 205 Washington street, Brooklyn, New York. Sold by G. M. HAGENBUCH, Druggist, Bloomsburg.

☞ This is to certify that I have made but one application of the Magic Oil on my fingers, which have been drawn from contraction of the cords, brought on by rheumatism. It was of seventeen months standing, and I am now entirely cured. I cheerfully recommend it to all afflicted likewise.

Also, a large stock of piece goods on hand, of the latest style and best qualities, which will be made to order, in the most fashionable and best manner 25 per cent. below credit prices.

JONES & CO.

☞ A CARD TO THE LADIES.—DR. DEMOND'S GOLDEN FEMALE PILLS *are infallible in removing stoppages or irregularities of the menses.*

These Pills are nothing new, but have been used by the Doctor for many years, both in France and America, with unparalleled success in every case; and he is urged by many thousand ladies who have used them, to make the Pills public, for the alleviation of those suffering from any irregularities whatever, as well as a preventive to those ladies whose health will not permit an increase of family.

Pregnant females, or those supposing themselves so are cautioned against using these Pills, as the proprietor assumes no responsibility after the above admonition, although their mildness would prevent any injury to health; otherwise, these Pills are recommended.

Directions accompany each box. Price $1. Sold wholesale and retail, by

GEORGE M. HAGENBUCH,
General Agent, Bloomsburg Pa.

He will supply the trade at the proprietor's prices, and send the Pills to ladies (*confidentially*) by mail on receipt of $1 through the Bloomsburg Post Office.

ONE PRICE ONLY!

LIPPINCOTT & HUNTER'S Clothing Warehouse, *South* West corner of Fourth and Market streets, Philadelphia. *The only One Price Clothing Store in America*

Cash purchasers of Men's or boy's Clothing, at wholesale and retail, can here, make their selection from an immense stock of fashionably cut and well made clothing, got up with a view to gide satisfaction to all, and at the very lowest possible selling price a marked within figures on every garment, all buy at the same price, and whether they are judges of goods or not, they cannot be decieved. One uniform low price to ask and take, suits everybody, while the usual mode of asking two prices, and taking all that can be got, suits nobody, and defeats three-fourths; for instance a man asks $15, for a coat, and afterwards agrees to take $10, and it is equally certain, that he would have taken $15, if he could have got it, and thus actually cheated his purchaser out of five dollars. To remedy this evil and establish confidence in the trade, LIPPINCOT & CO., fix a uniform below price on all their goods, (very much below the usual rates,) and will never vary one cent under any circumstances.
