THE Ladies of the German Reformed Congregation of Bloomsburg, would respect fully announce to the public, that they purpose giving public Dinners, on the 22nd and 23rd days of October, on the fair ground for the benefit of the Church.

To the lovers of prime Oysters we would say, call on Col. Girton, in Billmeyer's Saloon. The Sheriff is daily receiving prime Oysters, and is prepared to serve customers in the most approved manner.

LOOK OUT! - Some persons are in the habit of visiting our "truck patch," and taking therefrom such vegetables as suit them. We would advise them to keep clear of the garden in future, as we have secured the services of seventeen brindle dogs to guard the premises.

LOCAL ITEMS, like cash in our pockets, are things to think of, but cannot be picked up. Order and peace reign in the land, and the raw material for "loals" is something not to be had. Will somebody do something desperate, if only "for the fun of the thing," before long?

FRANK PHELPS' Amphitheatre will be in Bloomsburg, this (Friday) evening. - Those who have seen, and may be presumed to be good judges of gymnastic performances, pronounce Frank Phelps, and his Troupe, the best in the field.

Capt NICHOLAS PRENTISS, has been giving our citizens an example in improve ments, worthy of imitation. He has recently fitted himself up one of the finest flag-pole-stands in town, and he has had his dwelling house painted. We also learn, that Capt. P., has turned away his old Livestock Stable, and is erecting in their stead, a magnificent Brick Livery Establishment.

Our enterprising fellow-citizen, ROBERT B. ARTHUR, Esq., who only a few years ago commenced in Bloomsburg on nothing and has multiplied into thousands, may be justly regarded as one of our most enterprising citizens and best business men.

AMMOTIVES. - We have seen, at various times, in our exchange, some very elegant try-a-lots of the skill of Mr. G. W. WAGONER, as an Ammotivist; and we are pleased to be able to state to our readers that he has just landed among us, and is prepared to give his attention to those who may favor him with a visit. We would further state that his engagements elsewhere prevents him remaining with us, more than three or four weeks, and those desiring a life-like portrait at a reasonable price, should not neglect the opportunity now offered.
