Columbia Democrat,

ALEM R. TATE, LOCAL EDITOR.

Bloomsburg, October 24, 1857.

RELIGIOUS NOTICES.

Divine services will be held in Bloomsburg, to-morrow, (Sunday, Oct. 24th,) at the following Churches:

Presbyterian Church.—Rev. D. J. Waller.—Service at 10 o'clock, A. M.

Episcopal Church.—Rev. H. Tullidge. Services at 10½ o'clock, A. M., and at early candle-light in the evening.

Methodist Church.—Service at 3 o'clock, P. M., in the Court House,

Lutheran Church.—Rev. R. A. Sharretts. Service at 10 o'clock, A. M.

☞ Workmen have been engaged, during the past week, in erecting the Town Clock, on the belfry of the Court House.

☞ The *thing* that exhibited in the Academy, in this place, on Tuesday evening last, was a regular humbug.

☞ On Tuesday last, we were visited with the first snow-storm of the season.—In the evening it fell to the depth of near one inch, in Bloomsburg.

☞ The Election is over, and we are glad of it. We shall now resume the publication of a moral, literary and family paper.

☞ The second year of the Columbus Male and Female Academy, commenced on last Wednesday, under the charge of Prof. H. D. Walker, A. M.

☞ We issue the Columbia Democrat, one day ahead of time, in order to give the hands employed in our office, an opportunity to visit the Fair.

☞ Summer is past and cold bleak winter is at hand. We would therefore say prepare for the chap by calling at the stove ware room of Mr. A. M. Rupert and purchase one of his excellent stoves. He has all sizes and patterns—prices to suit the times.

☞ Mr. T. W. Kahler, has moved his Sky-Light Ambrotype Wagon, to Bloomsburg, with the intention of giving our citizens an opportunity, "to secure the shadow ere the substance fades." His stay in this place is limited, and therefore all who wish a sky light Ambrotype, should call soon. He intends ci sing up business for the winter, and will dispose of his pictures for the low price of 75 cents a piece.

☞ In ordinary times the "marriages" and "deaths" in the newspapers numerically about balance each other. Of late, however, the former have grown small by degrees and beautifully less—but death about holds his own in spite of the pressure. The truth is wives in these days of silks and satins, flounces, humbugs and hoops, are come to be a luxury beyond the reach of a common man's means, and hence like most other luxuries, they must be dispensed with.

☞ The Columbia County Agricultural Fair, which was held in this place on Thursday and Friday, of this week, was well attended. The exhibition of stock was of the first quality, and a very large number entered for competition and exhibition.—The mechanical and agricultural implements were well represented—as was also the Ladies Department. There were quite a number of fine specimens of Fruit, &c., exhibited.

☞ An opportunity is now extended to all those, who wish an Ambrotype of the first class, to call upon our friend, Mr. G. W. Wagner, in the Exchange Block, Bloomsburg. His pictures for durability and life-life are not to be excelled. We understand that Mr. W., will remain with us, but a few days longer, and we would advise those who wish an excellent picture to call soon. His prices are very reasonable, being from 75 cents up to Five Dollars.

☞ We have just examined a couple of Carriages, manufactured at the Carriage Establishment of Mr. S. A. Wilson, who intends exhibiting them, at the Columbia County Agricultural Fair, and for which, we have no doubt a premium will be awarded. The workmanship executed upon these Carriages, far excells anything of the kind that we have ever seen. The painting and striping, executed by Wm. Sands, a master-workman of Philadelphia, is of itself a sight, worthy of a sight from the near-sighted. The Trimming, executed by Messrs. Beishler & Fisher, shows conclusively that the hand of work-men have been upon them.

☞ The news of Bank failures, old and reliable firms smashing, railroads having sheriff's sales, individuals 'bustin' up,' and all sorts of dire calamities in the financial circles are chasing each other over the telegraph wires as hard as they can, and busy fingers are putting them in type, the swift steam presses are rolling out the papers with the news, and the iron horse conveying them hither; but still

Notwithstanding this confusion,
And this terrible commotion,
In the great financial circles,

we will send the "Columbia Democrat," to subscribers at the usual rates.

Special Notice.

☞ READ! READ!! YE AFFLICTED, READ!!! H. T. Helmbold offers to the afflicted his Genuine Preparation, Fluid Extract Buchu, which has accomplished the most extraordinary cures of all other similar remedies. Read the advertisement in another column, headed "Helmbold's Genuine Preparation."

☞ *The Five Per Cent. Saving Fund* of the National safety Company, Walnut street, southwest corner of Third street, Philadelphia, now has nearly One Million and a Half of Dollar sin Real Estate, Mortages, Ground Rents, and other first class securities, to the benefit to depositors.

☞ THOMAS W. MATTSON, Received the Prize Medal at the World's Fair in London, 1851, for TRUNKS, CARPET BAGS, Boots, shoes and Guns.—Great inducements are now offered to purchasers of the above articles. Thisis much the largest stock of trunks, Carpet Bags, Valices, &c., in Philadelphia, very cheap, or cash. Manufactories: 130 Market Street, S. W. corner, and 128 Market street, S. E. corner of Fourth.

☞ A COOL REFLECTION.—"For every mile that we leave the surface of our earth, the temperature falls five degrees. At forty five miles' distance from the globe we get beyond the atmosphere, and enter strictly speaking, into the regions of space, whose temperature is 225 degrees below zero, and here cold reigns in all parts." The gentleman who went "beyond the atmosphere," and said the thermometer in the "regions of space," has since his return declared that the next coolest thing is, a suit of those light, elegant and graceful summer clothes, which have rendered the fashionable Emporium of Granville Stokes, No. 607, Ince 209 Chestnut street, famous on this territorial orb.

☞ WHITE TEETH, PERFUMED BREATH AND BEAUTIFUL COMPLEXION—can be acquired by using the "*Balm of a Thousand Flowers.*" What lady or gentleman, would remain under the curse of a disagreeable breath, when by using the "Balm of a Thousand Flowers" as a dentrifice, would not only render it sweet, but leave the teeth white as alabaster! Many persons do not know their breath is bad, and the subject is so delicate that their friends will never mention it. Beware of counterfeits. Be sure each bottle is signed

FETRIDGE & CO., N. Y.

☞ WORTH REMEMBERING.—Sarsaparilla, or the extract thereof, is a favorite prescription with many of our best physicians, and at this season largely used to purify the blood, and strengthen the constitution. The preparation manufactured by Mr. Hurley, of Louisville, Ky., is universally admitted superior to any that has for years been offered to the public, and the large and increasing demand fully justifies the assertion. It is used with decided advantage in Scrofula, Dyspepsia, Liver Complaint, Bronchitis, Cutaneous disease, and all affections arising from an impure or weakened condition of the blood. Let no one be deceived into using any other.

☞ A MASTER-PIECE OUTDONE.—We have until lately supposed Ayer's Cherry Pectoral was the Ultima Thule in its line, and that nothing had been or would be invented which could surpass it in its fine points of excellence as a medicine. But we are confidently assured by those competent to judge of the subject, that Dr. Ayer's new Pills excel in high medical artistry even that widely celebrated embodiment of his skill.—He has succeeded in making them not only pleasant to take but powerful to cure the large class of complaints which require a purgative remedy.—*Lancaster Argus, Ky.*

LETTER FROM A WELL KNOWN PHYSICIAN.

Haverhill, Mass., June 1, 1856.

S. W. Fowle & Co.—*Gentlemen*—While suffering from Dyspepsia some years since, and trying almost everything for its removal without any benefit, I was accidentally led to make use of the "*Oxygenated Bitters,*" and after a short trial of them, found my health improving, and in time *my disease radically removed.* Since then I have used them in my practice, and generally with good success. I know of no medicine so well adapted to the cure of Dyspepsia, in many of its aggravated forms. I have seen the most stubborn cases, which had resisted almost all the preparations commonly used for Indigestion, yield as by magic upon the administration of a few doses of these Bitters. Such results have increased my confidence in their medicinal powers, and strengthened my convictions of their superiority over all other instrumentalities, in the treatment of the complaints for which they are recommended.

I would certainly advise those troubled with Dyspepsia, to use the Bitters, and I am confident all who do so, will reap great benefit if there is nothing to contra indicate their use.

☞ A CARD TO THE LADIES.—Dr. Deponco's Golden French Pills *are infallible in removing stoppages or irregularities of the menses.*

These Pills are nothing new, but have been used by the Doctor for many years, both in France and America, with unparalleled success in every case; and he is urged by many thousand ladies who have used them, to make the Pills public, for the alleviation of those suffering from any irregularities whatever, as well as a preventive to those ladies whose health will not permit an increase of family.

Pregnant females, or those supposing themselves so are cautioned against using these Pills, as the proprietor assumes no responsibility after the above admonition, although their mildness would prevent any injury to health; otherwise, these Pills are recommended.

Directions accompany each box. Price $1. Sold wholesale and retail, by

GEORGE M. HAGENBUCH,
General Agent, Bloomsburg, Pa.

He will supply the trade at the proprietor's prices, and send the Pills to ladies (*confidentially*) by mail on receipt of $1 through the Bloomsburg Post Office.

ONE PRICE ONLY!

LIPPINCOTT & HUNTER'S Clothing Warehouse, South West corner of Fourth and Market streets, Philadelphia. *The only One Price Clothing Store in America.*

Cash purchasers of Men's or boy's Clothing, at wholesale and retail, can here, make their selection from an immense stock of fashionably cut and well made clothing, got up with a view to gide satisfaction to all, and at the very lowest possible selling price s marked, in plain figures on every garment, all buy at the same price, and whether they are judges of goods or not, they cannot be deceived. One uniform low price to ask and take, suits everybody, wile the usual mode of asking two prices, and taking all that can be got, suits nobody, and cheats three-fourths; for instance a man asks $15 for a coat, and afterwards agrees to take $10, and it is equally certain, that he would have taken $15, if he could have got it, and thus actually cheated his purchaser out of five dollars. To remedy this evil and establish confidence in the trade, LIPPINCOTT & CO., fi a uniformbelow price on all their goods, (very much b low the usual rates,) and will never vary one cent under any circumstances.

☞ A PHYSICIAN'S LEGACY TO YOUNG MEN.

"The glory of a young man
Is his strength."

(*From the Sunday Dispatch, New York, Aug. 24, 1857.*)

Our readers are aware that we seldom, if ever, recommend any medical publication, if not endorsed by the very highest authority. As such an instance we may mention Dr. Culverwell's *new publication on Nervous Debility* and other *weaknesses*, the result of early indiscretion. It is a small but valuable pamphlet.—His preparations the "Regenerator" and "Nervine" are now considered the sole and only effectual remedies extant for the complaints referred to.

Dr. Culverwell's Seminal Regenerator and Royal Nervine, the sovereign remedies for Seminal Weakness, Sexual Debility, Impotency, Involuntary Emissions, Piles, &c., are for sale by most of the leading Druggists in the country.

Dr. C.'s Pamphlet, as above, containing full advices for the cure of Spermatorrhea, &c., can be had in a secure envelope, by enclosing a stamp to
