Kansas Affairs.

The pro-slavery party in Kansas have made their nominations for State officers. Frank Marshall and W. G. Matthews are respectively the candidates for Governor and Lieutenant Governor.

General Calhoun, the President of the Lecompton Constitutional Convention, was nominated for Governor by acclamation, but he declined the honor...

Mr. Carr was nominated for Congress. At last accounts General Denver had not reached the Territory. The Republican journals are industriously circulating reports of organizations of Missourians to take part in the ensuing elections.

The Legislature has transacted no business of importance.
