☞ "The Williamsport Daily Times," a new and very interesting Daily Journal, published by BOWER & FITZGERALD, is regularly received at this office and perused with satisfaction.

☞ Dr. GEO. W. GETTYS, has commenced the publication of a handsomely printed and spiritedly conducted Republican paper, at Blairsville, Indiana county, entitled the "*Blairsville Journal*."

☞ Mrs. ZUPPINGER, has our thanks for the presentation of a basket of fine *large ripe Currants*, which her and Mr. Z. have raised on their beautiful and highly cultivated "Horticultural Garden" in Bloomsburg.

☞ Advertisements, &c., intended for insertion in the *Columbian Democrat*, should always be delivered to the office, as early as *Thursday noon*, at least, as we usually go to Press, on FRIDAY MORNING, to meet the mails of Saturday.

POPULATION OF BLOOMSBURG.—The Census Returns of 1860, show the population of Bloomsburg, proper, 2,486 souls. In 1850, it was a little over 1,800. An increase of about 43 per cent. in the last ten years.

The population of Light Street, (exclusive of the Gen. McDowell Furnace and tenant houses, which are located in Orange township,) numbers 551 inhabitants.

The number of inhabitants in Espy is 466.

☞ Messrs. H. W. CREASY & Co., of Light Street, have an excellent Store and continue to do a prosperous business. We doubt whether there is a larger trade driven at any other Country Store in this section, than by the above named firm. The reason of this is, that they are worthy young gentlemen, and always give their customers the worth of their money, and a pleasant smile into the bargain.

MESSRS. JENKINS & SMITH:

Gentlemen—Since graduating at the "Iron City," three years since, I have had no difficulty in obtaining constant employment as a Book Keeper; and when asked for evidence of my ability, I have only to refer to my Diploma. No other testimonial is required here, as to one's ability as an accountant, than assurance of the fact, that he is a graduate of the Iron City College, Pittsburg, Pa.

Truly Yours,
E. D. HARDISON.
Moscow, Polk Co. Texas, May 1860.

☞ The Deputy Marshal, in taking the Census of Bloom township, deems it proper to return thanks to his fellow-citizens generally, for the courteous manner his official visits were received and the promptitude with which the required questions were answered. He only encountered one "old foggy simpleton." And of all the Farmers in the township, who are amongst the most intelligent men of Columbia county, Mr. SAMUEL SHAFFER, one of the heaviest of the number, is deserving of much credit, for the systematic manner in which he had things arranged and the readiness with which all questions were answered.

"HE WHO SPARES SOMETHING TO-DAY WILL HAVE SOMETHING TO-MORROW," which properly invested, will soon enable him to pay for and enjoy all the necessaries and many of the luxuries of life, and have a balance left to deposit in the Franklin Saving Fund, No. 136 South Fourth street, below Chestnut, Philadelphia, where it can be withdrawn, on demand, with five per cent. interest. Open daily from 9 till 3, and on Wednesdays and Saturdays until 8 o'clock. This Company invests only in Government, States, and City Loans, Ground Rents, Mortgages, &c., pays on demand, and never suspended. Farmers, Mechanics, Clerks, and all classes of the community, here have an opportunity for investing without risk. See advertisement in another column.

The Fourth in Orange.

MR. EDITOR:—

The "glorious fourth," with all its hilarities, mirthfulness, ginger-bread and fire-crackers, has gone entirely past our little town; the excitement has died away, and things again follow their old monotonous course, and now, we, thinking it might be interesting to some of your readers, have concluded to pen you a few lines by way of letting you know how the "spirit of the fourth" actuated some of the good people of our town. "*Young America*" in particular.

Long ere the day, which, as a nation, we celebrate with the highest honors, dawned, a careful observer might easily have known that there was to be something going on by the ominous nods of the heads of some of the boys; while the "*be sure to be ready*" which broke from their lips in some ungarded moment, told plainly enough that there *was* something in the wind; but what that something was, was the mystery.

But when "*the fourth*" at last arrived, we were not long in finding out what was going to be the order of the day. At about ten o'clock, the male portion of our rising generation, decked in all the odd forms which fancy could plan, made their appearance in the form of a "*Eutaxic Company.*" And such a company! First in order came the "Band Wagon," formed and trimmed after the wildest fashion, with musicians whose co tu ne were among the most awful. Then followed in order the "*peirstrions*," representing nearly every class of man, from the cunning and merciless savage, down to the "*Pubty.*"—Even the godess of crinoline was represented.

Next in order came the clown, with his *good old dame* sitting as close to him as a "lean tick to a nigger's shin;" while on the hind part of his wagon (which, by the way, was a grand thing generally, including the horse which drew it) sat the old music grinder, looking for all the world like a live baboon. Next came "*Old Hans*," with his lager, who of himself was a "*show*," to say nothing of the appearance of his moving "*lager sh p.*" But I am forgetting to notice "Sam Slick," the riding clown and his fair lady. Conceive, if you can, of all the odd and funny things you have ever seen, stewed up in a "muss" and the whole seasoned with as much awkwardness as was ever displayed by a country boor, and you will then have a better picture of their appearance before your mind's eye, than I can give you with my pen.

Last, but not lea-t, the captain with his stove pipe shaped hat and gandy uniform, figures conspicuously in the motley crew.

But I am growing tedious. Suffice it to say, that after parading through the town several times, they proceeded to the grove, where, judging from their mirthfulness, they had a good time generally.

Night at length put a stop to their fun, and the company dispersed fully tired, and we hope, well satisfied with their sports of the "*joyous fourth.*" Thanks to the boys for their enterprise. They served to amuse us and drive "dull care away" for one day at least.

But I must close. Should anything new or interesting ever occur again in our section, you may expect to hear from us.

Yours truly,
INK LINE.

The action of the Altoona Convention has been ratified and confirmed by the Democracy of the State and nation.—*Press.*

When? Where? So far from the Democracy of Pennsylvania ratifying and confirming the action of the Altoona Convention, there is not a genuine Democrat in the State who does not despise the conspirators who assembled at Altoona, ostensibly as Democrats, but really to devise measures for the defeat of the Democratic State ticket. The only body of men who have ratified and confirmed the Altoona Convention is the Republican House of Representatives. They have expressed their admiration for the consistency and devotion of the illustrious chairman, by giving him a fat office, worth a handsome salary, and as much more as the talented incumbent can make out of it.—*Patriot & Union.*

THE "COLORED" REPUBLICAN PARTY.—We find in the New York *Evening Post* the following item of political intelligence. It will be seen that the term "Black Republican," as applied to the supporters of Lincoln and Hamlin, is singularly appropriate:

THE COLORED MEN'S RATIFICATION.—The Colored Men's Republican Club of King's county will raise a tree and banner in favor of Lincoln and Hamlin, at their head quarters, corner of Broadway and Eleventh street, E. D., on Thursday afternoon at 8 o'clock, the 28th instant, on which occasion the following speakers will be present: Rev. Dr. Pennington, Rev. W. Hodges, Dr. W. B. Ellis, Rev. S. White, David A. Morse, Esq., J. C. Morrell, &c. There will be a brass band in attendance on the occasion. The public are invited to attend.

GEN. HENRY D. FOSTER.—This gentleman—the standard bearer of the Pennsylvania Democracy in the present campaign—was in Philadelphia the beginning of last week, and spoke encouragingly of our prospects west of the mountains. We never saw the General in better health and spirits. During his brief stay in the City he was called upon by multitudes of his friends, all of whom expressed their fullest confidence in his triumphant election. Mr. F. is a model candidate in every respect, and will make a Governor of whom every Pennsylvanian may feel proud.

SPECIAL NOTICES.

PILES! PILES!! PILES!!!

What is it? How Cured?

Thousands of persons have Piles—suffer for years with the disease—yet few know what it is, or how it is cured. Every case of Piles, whether manifested in the form of external tumors, frequent bleedings, or in violent itching and irritation, depends essentially upon congestion of the abdominal venous circulation. This produces the engagement, dilation of the veins, formation of tumors, hemorrhages, pain and suffering; and the disease can only be fundamentally cured by medicines which, taken internally, relieve this venous congestion. Hence ointments, washes, and even injections, are ineffectual.

HUMPHREYS' HOMŒOPATHIC PILE SPECIFIC, a simple sugar pill, taken two or three times per day, cures the disease by curing the condition upon which the disease depends. Hundreds have been cured by it, even of the most obstinate cases. All will be promptly benefited by it. Price 50 cents a box.

N. B.—A full set of HUMPHREYS' HOMŒOPATHIC SPECIFICS, with Book of Directions, and twenty different Remedies in large vials, morocco case, $5; ditto, in plain case, $4; case of fifteen boxes, and Book, $2. Single boxes, 25 cents and 50 cents.

These Remedies, by the single box or case, are sent by mail or express free of charge, to any address, on receipt of the price. Address,

☞ The Heavens were illuminated on the evening of August 27, 1859, by the most splendid Aurora Bor alis ever seen in the country. Rays of tri-colored lights flashed across the sky, and the changes were beautiful in the extreme. At one time a rapt observer remarked, that he fancied he could see the sparkling lights form themselves into the following words: "Buy all your garments at the Brown Stone Clothing Hall of ROCKHILL & WILSON, Nos. 603 and 605 Chestnut street, above Sixth, Philada."

The Oxygenated Bitters.

Dyspepsia, Indigestion, Heart Burn, Water Brash, Sour Stomach, Jaundice, Flatulency, General Debility, &c., find a ready relief and speedy cure in this great remedy.

THE OXYGENATED BITTERS

Are believed by many who have been cured of the above complaints to be the only medicine which the materia medica affords for their infallible cure. It is not an alcoholic preparation, which, while giving a momentary stimulus, reduces the system in the same ratio; but one distinct and different from any medical preparation ever compounded, and which will, in most cases, extract the diseases by the roots and restore the patient to pristine health. In proof of which testimony of the very highest and unexceptionable character is presented.

RELIABLE TESTIMONY.

We call the attention of the reader to the following letter from President STORR, of Wesleyan University:—

MIDDLETOWN, Conn., Feb. 28, 1859.

MESSRS. SETH W. FOWLE & Co.—

Gentlemen:—I first made use of the OXYGENATED BITTERS some eight or nine years since. Having suffered for twenty years from a form of Dyspepsia, which was attended with nervous headache, on an average of not less than one day in a week. I was induced by the unsolicited recommendation of Dr. Green, "to try one bottle and if no benefit was received to discontinue the use."

The use of one bottle warranted a further trial, to the extent of some three or four, with a careful observance of the accompanying directions. The result was an almost entire relief from the usual dyspeptic symptoms and their depressing, painful consequences. I believe these diffi rs produced an entire change in the habits of my system and upon the active energies of the digestive organs. I now deem myself as exempt from Dyspepsia as most persons. These Bitters have also been of service to other members of my family.

Very respectfully yours,
AUGUSTUS W. SMITH.

Prepared by SETH W. FOWLE & CO., Boston, and for sale by G. M. Hagenbuch and J. R. Meyer, Bloomsburg, Pa.

June 16, 1860.—3t.

During the Summer that has just passed away, thousands of sufferers from dysentery and diarrhœa have been relieved by the use of HOSTETTER'S BITTERS, a medicine which is evidently destined to maintain a permanent place in the public estimation. Bilious diarrhœa is one of those diseases which baffles the skill of the physician. The medicine they administer to act upon the bowels never seems to reach the source of the evil. The difficulty is to get a remedy that will reach all the digestive organs, and give them simultaneously a rush of vigor, to rid themselves of this disease. This problem is solved by the BITTERS, which never fails to conquer the most stubborn cases. It is only fair to say, that during the season just closed, this medicine has achieved more cures than any other ever presented to the public, and during the fall, which that terrible scourge, the fever and ague, is so prevalent, the BITTERS will gain fresh fame.
