☞ The Editor is part of his time out taking Census, his Associate some of the time out electioneering, and a'l the people and their friends engaged in attending the Camp Meeting at Buck Horn.

☞ The Premium List of the Columbia County Agricultural, Horticultural and Mechanical Association, to be held at Bloomsburg, on Thursday, Friday and Saturday, October 18th, 19th and 20th, was handed us too late for insertion this week. It will appear in our next issue.

☞ We had a letter last week from the Baker Family, and are gratified to learn that they are well and continue to meet encouraging success in their vocation.—Mr. JOHN C. BAKER, sends his respects to our people, and wishes us to say, that they have met with the largest success since they visited Bloomsburg. Our people will be pleased to hear of their continued prosperity.

☞ The constantly increasing progress of our subscription list, to which we have every other week, for some months past, added an additional quire of paper, renders it necessary this week to make another addition to the pile, in order that we may serve our brethren of the exchange just as we would they should serve us—viz:—*send us their papers regularly.* We have missed many of our old familiar friends, whose countenances we are loth to forget, and hope that hereafter, their visits will be as regular as they are welcome. They are, with some others, the Clearfield Republican, Mauch Chunk Gazette, Raftsman Journal, Venango Spectator, Brookville Jeffersonian, Juniata Register, Frankford Herald.

Great Excitement—Escape of Prisoners—Whipple again at Large—Clark Price's Leg broken.—During the forenoon of last Tuesday, a green and sleepy looking individual, whom no body seems to know, was sauntering around our town looking at the sights generally and among other things seemed to be greatly interested in the jail and its environs. Said he had never been to town before and desired to see the internal arrangements. The Sheriff himself was absent, and the women unsuspectingly permitted the stranger to enter. He came out, declared it was an awful looking place, and listlessly mosied away. So much for that.

A few minutes before twelve o'clock, Miss Mary Comstock, who lives just opposite one side of the jail yard, happening to step out upon the porch of the house, saw Whipple just about reaching the ground by the aid of a rope, in some way fastened inside the jail yard; and Clark Price about two thirds of the way down, on the same rope. She instantly gave the alarm, but there were no men in the immediate vicinity.

Startled by the cry, Whipple bounded off as rapidly as possible, but Price, altogether unprepared, fell to the ground, and broke his leg in the fall. As he fell he called out, "Oh Lord! John, I broke my leg, I can't go.' By that time several persons were on the spot, and assisted Price back to his lodgings, where shortly after, Dr. John Ramsey attended to his hurt, and set the broken bone. He is doing as well as could be expected. The leg was broken below the knee.

In the mean time, Mr. Fruit, Commissioner's Clerk, had ran down an alley from the Court House, and stationed himself on the Fishingcreek Bridge, rightly judging from Whipple's direction that he would take to the water. Accordingly in a few minutes, leaping from rock to rock, like a flying Indian, Whipple sprang into the stream, and struck out manfully for the opposite shore. Fruit started to head him off. The creek was high and rapid, the late rains having filled its banks. As soon as he came near the shore, Fruit commenced throwing stones to prevent him from coming out, till assistance should arrive; which happening pretty soon, he was permitted to land; and quietly led back to the jail, wet and wearied; his hands torn and lacerated with the rope, and altogether in a most sorry plight.

It is thought that the innocent individual we have mentioned, supplied them with the file and rope with which the escape was effected. He admitted in conversation, that he was acquainted with Whipple, and we believe, gave his name as Hartman.—He had better not try that game again, or he may find himself in a situation to experiment personally on the feasibility of scaling the jail wall with chair rungs and a bed cord.

P. S.—Subsequent developments seem to indicate that Mr. Hartman spoken of above, did not supply Whipple and Price with their implements, and for the present, who did is a mystery.

☞ Mr. Wm. Silver, formerly of Wapwallopen, in this county, but now a resident of Berwick, informs us that on the 13th of last month, a base attempt was made on his life by two men by the names of Thos Kane and Clark Price. He states that the attempt was made at his powder mill at Briar Creek, and that he sustained very severe injuries, including a fracture of the cheek bone. The weapons used were huge stones and piece of a heavy fence rail. Both of the assailants were arrested, but in the attempt a young man by the name of Reuben Moyer, was seriously injured. One of them gave bail, the other was committed to the jail of Columbia county. Had it not been for the timely assistance rendered by Mr. Jacob Creasy, it is most probable that the life of Mr. Silver would have been taken. He states that the cause of the outrage was because he is a member of the two societies of Masons and Odd Fellows.—Mr. S. was formerly a resident of this place, and was highly respected and esteemed as a citizen. We have the statement of the attempt upon his life, from Mr. Silver himself.—*Luzerne Union.*

Even those who are in the enjoyment of perfect health frequently have need to have recourse to tonics as preventives of disease. We are never too well armored against the assaults of "the ills that flesh is heir to." Such an invigorator they may find in HOSTETTER'S BITTERS a medicine that cannot be taken regularly without giving vitality and elasticity to the system. At this season, particularly, the strongest man is not proof against the malaria, in certain sections of the country. In all cases of fever and ague, the BITTERS is more potent than any amount of quinine, while the most dangerous cases of bilious fever yield to its wonderful properties. Those who have tried the medicine will never use another for any of the ailments which the HOSTETTER BITTERS professes to subdue. To those who have not made the experiment, we cordially recommend an early application to the BITTERS if whenever they are stricken by diseases of the digestive organs.

Sold by all druggists in the world.

MOFFAT'S LIFE PILLS.—The high and envied celebrity which this preeminent medicine has acquired for its invariable efficacy in all diseases which it professes to cure, has rendered the usual practice of ostentatious puffing not only unnecessary but unworthy of them.—They are known by their fruits, their good works testify for them, and they thrive not by the faith of the credulous. In all cases of costiveness, dyspepsia, bilious and liver affections, piles, rheumatism, fevers & agues, obstinate head aches, and all general derangements of health, these Pills have invariably proven a certain and speedy remedy. A single trial will place the Life Pills beyond the reach of competition in the estimation of every patient.

Dr. Moffat's Phoenix Bitters, will be found equally efficacious in all cases of nervous debility, dyspepsia, head aches, the sickness incident to females in delicate health, and every kind of weakness of the digestive organs.—For sale by W. S. Moffat, 335 Broadway, New York, and by medicine dealers and druggist generally through out the country.

Pretence will not answer, and humbug has had its day, and we intend to sell our goods five per cent. advance upon cost, (no more and no less,) and no variation in marked prices. This system will sustain itself without puffing. We shall buy and sell exclusively for cash. Our assortment for men and boys is the largest in Philadelphia, and our prices much lower than any other. ☞ This being the season of the year when diarhœa, dysentery, and cholera and unhappily but too prevalent, we remind our readers of Brown's Essence of Jamaica Ginger, and his incomparable Cholera Mixture. Each acts with curative and magical power The medicines above named have truly arrested the fatal progress of disease and saved hundreds of lives.

Female Health! Female Health!!

Thousands of females suffer from derangements peculiar to the sex. First, and most common among these is, FEMALE WEAKNESS OF WHITES, OF LEUCORRHŒA, with its constant attendants, LASSITUDE, PROSTRATION, LAME OR WEAK BACK, and GENERAL DEBILITY. No one can be entirely well who thus suffers, and in hundreds of cases health is utterly undermined. Old-school medicines and drugs do but little good—often much injury; but HUMPHREYS' SPECIFIC HOMEOPATHIC FEMALE PILLS are just the thing, relieving promptly, and curing permanently. A dollar's worth will do more good than quarts of nostrums, or six month's attendance on a doctor. Six boxes for $1. Single boxes 25 cts.

N. B.—A full set of HUMPHREYS' HOMEOPATHIC SPECIFICS, with Book of Directions, and twenty different Remedies in large vials, morocco case, $5; ditto, in plain case, $4; case of fifteen boxes, and Book, $2. Single boxes, 25 cents and 50 cents.

These Remedies, by the single box or case, are sent by mail or express, free of charge, to any address, on receipt of the price. Address,

These secret and solitary practices, are more fatal to their victims than the song of the Syrens to the mariners Ulysses, blighting their most brilliant hopes and anticipations, rendering marriage &c., impossible.

MARRIAGE.

Married persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnston, and be restored to perfect health.

He who places himself under the care of Dr. Johnston, may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS

immediately cured and full vigor restored.

This decease is the penalty most frequently paid by those who have become the victim of improper indulgences. Young persons are too apt to commit excess from not being aware of the dreadful consequence that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived of the pleasure of healthy offsprings, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental powers weakened, nervous debility, syspepsia, palpitation of the heart, indigestion, a wasting of the frame, Cough, Symptoms of Consumption, &c.

DR. JOHNSTON,

Member of the Royal College of Surgeons, at London.—Graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that ever were known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

A CERTAIN DISEASE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill timed sense of shame or dread of discovery, deters him from applying to those who from education and respectability can alone be friend him, delaying till the constitutionary symptoms of this horrid disease makes their appearance, such as ulcerated sore throat, diseased nose, nocturne, pains in the head and limbs, dimness of sight, deafness, nodes on the skin bones, and arms, blotches on the head, face and extremities, progressing with rapidity, till at last the palate of the mouth and bones of the nose fall in, and the victim of this dreadful disease becomes a horrid object of commiseration till death puts a period to his dreadful sufferings, by seeking him to "that bourn from which no traveller returns." To such, therefore, Dr. Johnston pledges himself to preserve the most inviolable secrecy, and from his extensive practice in the first Hospitals of Europe and America, he can confidently recommend safe and speedy cure to the unfortunate victims of this horrid disease.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by private and improper indulgences.

Those are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pain in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, symptoms of Consumption, &c.

MENTALLY.—The fearful effects upon the mind are much to be dreaded, Loss of Memory, Confusion of Ideas Depression of the Spirits, Evil Forebodings, Aversion of Society, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, instead of vigor, becoming weak, pale and emaciated, having a singular appearance about the eyes, cough and symptoms of Consumption.

DR. JOHNSTON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS.

By this great and important remedy, weakness of the organs are speedily cured, and full vigor restored.—Thousands of the most nervous and debilitated, who has lost all hope, have been immediately relieved. All impediments to Marriage, Physical and Mental Despondency, Nervous Irritability, Trembligs and Weakness or exhaustion of the most Cartful kind, speedily cured by Doctor Johnston.

YOUNG MEN

Who have injured themselves by a certain practice, indulged in when alone, a habit frequently learned from evil companions, or at school the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that young man, the hope of his country, and the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons before contemplating

MARRIAGE

should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair & filled with the melancholy reflection that the happiness of another becomes blighted with our own.
