RESOLUTION OF THE DEMOCRATIC STATE EXECUTIVE COMMITTEE.

Resolved, That the Democratic Electoral Ticket be headed with the name of Stephen A. Douglas, or John C. Breckinridge, as an Elector at Large, and in the event of the success of said ticket, if the great majority of votes shall have been cast for Stephen A. Douglas, then the vote of the Electoral College shall be cast for the said Stephen A. Douglas and Herschel V. Johnson for President and Vice-President, but if for John C. Breckinridge, then for John C. Breckinridge and Joseph Lane for the same offices. If the vote of Pennsylvania cannot elect the candidates for whom the majority of the votes are cast, and it can elect any man, it shall be the duty of the Executive Committee of the Democratic Party, to elect a candidate for the office of President of the United States, claiming to be a Democrat, then the vote of the Electoral College shall be cast for that candidate. If all the candidates of the Democrats for whom it is cast, or any of the Democrats who are voted for in the State, then the Executive Committee shall be the result of the vote in the general election, and the result of the vote of the Committee, to be held on the day of...

Republican Consistency.

In the Republican Convention of last Saturday, Dr. John offered a resolution alleging that the Republican party, is the "only National party" of the country.—The truth of this assertion we utterly deny and shall prove its falsity by their own undisputed record. When a similar resolution was offered in the "Republican Wig-wag" at Chicago, on the 16th of last June, Judge Jessop, of Montrose, in this State, called the attention of the President of the Convention to its peculiar phraseology, viz:—"National Republican party," denying that they were a National party, and as the sense and judgement of that Convention, the term "National" was stricken from the Republican vocabulary.

HON. GEORGE D. JACKSON and COL. JAMES DEBARRAN, were appointed Representatives Conference, at the late Democratic County Convention in Sullivan, to meet similar conferences of this Representative District, at Danville on the 14th inst., for the purpose of making the District Representative nominations. The members justly belong to Columbia and Wyoming, and we hope the conferences from Montour and Sullivan will concur in the nomination of the choice of these two counties—Col. H. R. Kline and Thomas Osterhout, Esq.

The Lycoming County Agricultural Fair, for a copy of the Premium List, Rules and Regulations, we are indebted to the office of the Society, will be held at the Keystone Park, Williamsport, commencing on Tuesday, the 16th of October, and the Managers promise that (this the Third Annual Exhibition), will exceed in interest any thing of the kind ever held in Central Pennsylvania.

ENCAMPMENT AT MUNCY.—We acknowledge the receipt of a show bill inviting our attendance to a Grand Military Encampment, to commence at Muncy, on Monday the 17th of September. The thing is entitled Camp Cadwalader and is to be under command of Maj. Gen. D. K. Jackson. We wish them every success.

Republican Convention.

The Republicans held a very funny Convention in Bloomsburg on last Saturday.—After ringing the bell several times about two dozen republicans, chiefly of the town, walked in and took their seats. We noticed a couple of republicans from Hemlock—from Scott, one from Orange, and possibly one from Centre—one from Berwick Borough, and one from the east side of the river. Dr. Lott was, as usual, Chairman.

Dr. John offered a resolution appointing Congressional Conference, instructed to support Scranton.

Dr. John offered a resolution appointing Senatorial Conference, instructed to support Frank Stewart.

Mr. Neal read a letter in favor of Gettysburg, whereupon Mr. Madison moved that the Senatorial Conference be left uninstructed. It was debated by Mr. Neal, Madison and Dr. John. Mr. Madison's motion carried, slaughtering poor Frank, as many better men have been slaughtered.

Dr. John offered a resolution appointing Representative Conference, uninstructed.

Dr. John moved the meeting nominate a man for Prothonotary, which the Chairman put, and Jacob D. Mellick of Scott, the only man named was put up.

Mr. Neal moved that a candidate for Register & Recorder be nominated; which fell to the lot of Thomas J. Morris of Bloomsburg.

On motion of some one Nehemiah Rees was named for County Commissioner.

Levi Aikman was nominated as County Auditor.

Dr. John offered a series of resolutions, to which we shall call attention at another time.

Dr. John offered a resolution appointing a Standing Committee of five.

Mr. Madison moved to amend by putting on one man from each township in the county; giving the very satisfactory reason, that in future Conventions, he thought at least the Committee man would attend, and they would be able to get up something more of a meeting. Dr. John evidently thought it a capital idea, accepted the amendment and the resolution, as amended was adopted.

Dr. John moved that Dr. Brower, of the Montour American, (Know-Nothing) address the meeting. The Doctor said he could tell them all he knew in a short time, and he would come up some night and do it; and begged to be excused. The meeting very much to his surprise and chagrin did excuse him, and he retired.

Mr. Bound of Milton was then called upon; and delivered a very fluent speech. The first part of it was devoted to a jeremiade over prostration of business, and the ruin which the democratic party had brought on the country. According to the Opposition the Democrats have ruined the country at least once every four years since Jefferson was elected in 1800. Mr. Bound talked of our furnaces being out of blast, which all knew to be untrue. Mr. Bound admitted the republicans passed the Tariff act of 1857—Mr. Martz denies it. Mr. Bound tried to excuse the Republicans for that act; but he forgot that the bill was offered by the Republicans and not by the Democrats. Mr. Bound claims that the Republicans are in favor of a protective Tariff. How is it then that such free traders as David Wilmot, Andrew H. Reeder and John Hickman, and John W. Forney, are at the head of the party in this State? Mr. Bound says the eastern Republicans passed the Tariff of 1857 in order to lick the Pennsylvania Republicans, but are now heart and hand with Pennsylvania. How is it then that Nathaniel P. Banks a free trader is at the head of the Massachusetts Republicans, and William C. Bryant a free trader is at the head of the Republican electoral ticket in New York—claiming as the mouth piece of the party, that the Chicago resolution is a free trade resolution, and that the Republican party must so administer the government? Bah! Mr. Bound must not come into Columbia county with such stuff on the tariff question. It will not even catch gudgeons.

Mr. Bound discussed the eternal nigger. He insisted his party was not the nigger party because they were opposed to the nigger coming into the territories; and as they did not want them for servants, it followed they did not want them for wives. In the case of Mr. Bound, we agree, for he is a confirmed old bachelor; but how will he account for the fact that in republican Massachusetts within the last year twenty-two white women married black negroes of the darkest hue? Mr. Bound insists that Republicans are not in favor of negro equality—how is it then that Massa Greeley thus discourses of Negro Voting: "A distant correspondent writes to learn what is the fact as to Blacks voting in our State. We answer—If a negro own \$250 worth of real estate, free and clear of incumbrance, he can vote the same as a white man; if not, he has no right of suffrage that white men are bound to respect.

"We regard this discrimination as simply atrocious. If a property qualification is right, it ought to be imposed on all alike, not merely on those who have the least property and the worst chance to obtain it; if a negro has no soul, and no political status but that of a thing, his owning a pile of dirt cannot rightfully give him any. In any light, the present rule is wrong and indefensible.

"We shall have a chance this fall to vote down this anomaly, and we ought to do it. Let us abolish the property qualification, and give to poor blacks an equal chance at the polls with their rich brethren. They are but a handful anyhow, and cannot do much harm if they try."

The speaker asserted that the election of Lincoln would not dissolve the Union, and gave as a reason that twenty millions of freemen in the North could easily prevent the eight millions of whites, and their Slaves in the South from going out of the Union. So then according to Mr. Bound's own showing, the election of Lincoln is to be the signal for a series of John Brown raids upon our Southern brethren. Mr. Lincoln if elected, which may Heaven prevent, is to carry out the "Irrepressible Conflict" and the twenty millions of the North are to coerce the South and force them to submit to republican measures.

Mr. Bound is a candidate for the Senate. Will the people of Columbia county support him? We think not. The speaker drew invidious comparisons between the North and the South, after the fashion of Lovejoy and Sumner; and he most effectively used up all his tariff argument by the following assertion:—After lamenting the prostration of the country, its trade, its manufacturers, its commerce, he affirmed that the manufacturers of Massachusetts alone, were worth yearly, ten times as much as the whole Cotton crop of the South. Now the Cotton crop of the United States for 1856 was 3,927,845 bales, weighing each about 400 lbs., and worth about 8 cents a pound. It is a large sum of money, and the country is not so badly ruined as you would suppose. Try again Mr. Bound, but cover your tracks more shrewdly.

Another howl was raised against the Democratic party in 1848 and another opposition President elected. What followed? Cabinet officers raked dead claims against the Government out of their graves and plundered the public treasury of millions of dollars! The Galphin fraud, by which opposition Cabinet officers enriched themselves, is unparalleled in political annals. Those whose duty it was to guard the Treasury of the Nation turned around and plundered it. The indignation of the public drove them into retirement, and for eight years the affairs of the Nation have been entrusted to Democratic hands. Hoping that these eight years may have blotted the remembrance of their misdeeds out of the minds of the people, the opposition are now making another attempt to get possession of the Government. It is said that "a burnt child dreads the fire;" and surely the people of the United States have been burnt by the opposition often enough to have learned a useful lesson. If the gang of hungry spoil hunters who are now attacking the Democratic party with all the bitterness engendered by long baffled hopes should succeed in electing Lincoln, it will not be a year before every true hearted American will blush for his country.

PHILADELPHIA NOMINATIONS.—The following are the Democratic nominations in Philadelphia for Congress and the State Legislature: Congress.—1st District, W. E. Lehman, 2d Dist., John Brodhead, 3d Dist., John Kline, 4th Dist., Wm. Morgan. State Legislature.—Samuel J. Randall. Representatives. 1st Dist., Joseph Caldwell, 2d Dist., T. E. Gaskill, 3d Dist., Pat McDermott, 4th Dist., Robert E. Randall, 5th Dist., Samuel Jackson, 6th Dist., Charles L. Wolf, 7th Dist., Paul Ketterlinus, 8th Dist., John Smith, Jr., 9th Dist., Henry Daulap, 10th Dist., H. G. Leisenring, 11th Dist., John S. Reim, 12th Dist., Dr. W. O. Snyder, 13th Dist., W. D. Morrison, 14th Dist., G. W. H. Smith, 15th Dist., John M. Arundel, 16th Dist., T. W. Duffield, 17th Dist., Dr. S. M. Zulich.

Opposition Misrule and Dishonesty. If any Democrat feels like giving way under the clamor of the opposition about the "corruptions of the Democratic party," let him contract the practices of the opposition when in power with their profession at the present time. It is a habit they have of making a great outcry against the Democracy when they want to get into office. They have now been out of office under the General Government for nearly two terms, and their hunger is so great that they may well be excused for howling like a pack of half-famished wolves.

PHILADELPHIA NOMINATIONS.—The following are the Democratic nominations in Philadelphia for Congress and the State Legislature: Congress.—1st District, W. E. Lehman, 2d Dist., John Brodhead, 3d Dist., John Kline, 4th Dist., Wm. Morgan. State Legislature.—Samuel J. Randall. Representatives. 1st Dist., Joseph Caldwell, 2d Dist., T. E. Gaskill, 3d Dist., Pat McDermott, 4th Dist., Robert E. Randall, 5th Dist., Samuel Jackson, 6th Dist., Charles L. Wolf, 7th Dist., Paul Ketterlinus, 8th Dist., John Smith, Jr., 9th Dist., Henry Daulap, 10th Dist., H. G. Leisenring, 11th Dist., John S. Reim, 12th Dist., Dr. W. O. Snyder, 13th Dist., W. D. Morrison, 14th Dist., G. W. H. Smith, 15th Dist., John M. Arundel, 16th Dist., T. W. Duffield, 17th Dist., Dr. S. M. Zulich.

Richard Vaux was also a candidate for the Senatorial nomination, but his delegates seceded, because the Convention would not recognize Douglas as the regular nominee for President.

THANKS.—HON. ISAAC I. STEVENS, of Oregon, the Chairman of the Breckinridge National Democratic Committee, will please accept our thanks for a complete copy of the proceedings of the late Democratic National Convention. The volume is composed of 255 octavo pages, and contains the proceedings, in detail, of the Convention from its meeting at Charleston to its adjournment at Baltimore. We regard it as a very valuable document, as it contains one of the most important chapters in the political history of our country.

Col. Curtin concedes the credit due to Gen. Foster, his opponent, for being honestly a protective tariff man, and even stated in justice to Gen. Foster, that when in Congress, Foster had voted for a tariff of protection. Many of the Bell men and many of the Republicans will vote for Foster. His election is a foregone conclusion.

A man named Woods, a brick-layer engaged on the new Court House, at Williamsport, fell from the third story window of the Eagle Hotel, at that place, on Wednesday night last. One leg was badly broken, and he was otherwise injured but at last accounts hopes were entertained of his recovery.

John Bell, the Constitutional Union candidate for President, has written a letter in reply to numerous inquiries as to his record on the slavery question. Mr. Bell replies by referring to his record, and intimating that, if his correspondents are not satisfied, they need not vote for him.

A LIVE NEWSPAPER.—The Harrisburg Patriot and Union is one of the liveliest, sprightliest and best daily newspapers published in this State. Its editors, political and local, are just the kind of men to make a newspaper interesting and readable.

The honorary degree of D. D. has been conferred on Rev. Prof. George R. Bliss of the University at Lewisburg, by the Madison University at Hamilton N. Y.

The Baptist Church, of Williamsport, will be dedicated to the worship of Almighty God, on Friday evening, September 14th.

not known. But it is safe to say that every one connected with the scandal, including the Governor who appointed him, is now bawling out at the top of his voice about the "corruptions of the Democratic party."

REPUBLICANISM IN NEW YORK.—The N. Y. Tribune is getting "WEAK IN THE KNEES." It complains bitterly that the Republicans don't buy its documents, that the campaign line of the Rail-Splitter don't sell, and that "Gen'l Apathy" has command of its forces generally. Its no use, Republicanism has got the blind staggers in New York, and is bound to "GO UP!"

SATISFACTORY.—The proceeding of the State Executive Committee at Cresson, seems to give very general satisfaction to both wings of the Democratic party. It is the most reasonable proposition made—the only one that can bring out the strength of the party and insure a triumphant victory.

The Democracy of Clarion are sound to the core—each man is ready to adopt a policy to defeat the common enemy. The way is now clear and the policy adopted at Cresson will unite the party and elect the candidates that stand on the broad platform of Democracy.

The Clearfield Republican, like every Democratic paper in the State, speaks favorably of the action of the Committee, and expresses belief of its meeting with entire success.

THE STRUGGLE IN TEXAS is between slavery and freedom—slavery that killeth, and freedom that maketh alive.—New York Tribune.

That is the manner in which the leading Republican paper of the country speaks of the late slave insurrection in Texas. Abolitionists of the Lincoln-irrepressible-conflict school have stirred the slaves to revolt. They have instructed them to burn their masters' dwellings and stables and barns, to poison them in their meals, to massacre them, to commit outrages on their wives and daughters. The Tribune has no word of condemnation for such atrocities, inspired as they are by the demon of Abolitionism.

WITH THE ENEMY.—On the 3rd of January, 1848, ABRAHAM LINCOLN voted for the resolution of Mr. Hudson, of Massachusetts, to withdraw the Army from Mexico and relinquish all the advantages our glorious army had gained, without any guarantee of good faith to our citizens. The result of this vote, if it had been successful, would have been to give up New Mexico, Utah and California, from the last of which alone we have received over Eight Hundred Millions of Dollars. Was the Republican candidate for President for or against the enemies of his country?

SOUND REPUBLICAN DOCTRINE.—CASSIUS M. CLAY, one of the leading Republicans in the United States, recently addressed a Republican meeting at Tiffin, Ohio; in the course of his remarks he said: "The [the Democrats] tell you we are for liberating the Blacks—for setting the Negroes free. SO WE ARE! We believe, as do you, that in 1776 'all men were created free and equal; endowed with certain inalienable rights! \* \* \* \* They meant just what they said, and they repeatedly spoke of Negroes as men, and as persons. THEY MEANT THE NEGROES WERE EQUAL WITH THE WHITE MAN!"

RAIL SPLITTERS, LOOK AT THIS!—The Boston Journal claims for Mr. Lincoln 176 Electoral votes—conceding California and Oregon to the Democrats, taking all the rest of the Free States. Necessary to a choice 152.

Should Mr. Lincoln lose New York, he is a goner! Should he lose Pennsylvania, he is a goner! Should he lose Ohio and Rhode Island, he is a goner! Should he lose Indiana, New Jersey and Minnesota, he is a goner! We consider him a "GONER" any way.

HIGHALUTIN.—Somebody, at a political meeting in Delaware, very improperly said unkind things of General Scott, whereupon Mr. Briggs arose in his defense. The following is his eloquent speech: "Mr. President: Whoever says Gen. Scott is not a patriot, should be kicked out of the back door of public contempt; rolled down the gutter of degradation; picked up with the tongs of general execration, and buried in the waters of oblivion."

CATAWISSA RAILROAD APPOINTMENT.—H. Stanley Goodwin has been appointed Superintendent of the Catawissa Railroad, in the place of Col. H. A. Fonda, whose resignation we noted several weeks ago. Mr. Goodwin was formerly connected with the Pittsburg, Ft. Wayne and Chicago Railroad.—Lycoming Gazette.

The next Convention of Common School Teachers of this State, will be held at Lewisburg, some time during next autumn.

It may be interesting for the tariff men of Pennsylvania to know that the head of the New York Republican electoral ticket is William C. Bryant, the editor of the Evening Post, and for forty years an unchanging Free Trade man. Mr. Bryant denies that the twelfth resolution of the Chicago Platform contains a single word in favor of the protection of home labor or home productions. To this effect his journal remarks as follows:

"The twelfth of these resolutions is called in some of the journals an approval of a higher tariff of duties. The Tribune seems to have fallen in the same mistake when it calls it a resolution in favor of a protective tariff.—We have read the resolution several times over, and cannot find a single word in favor of raising the duties on imported goods, nor the slightest mention of the doctrine of protection. Favoritism to the manufacturers is no part of the policy it recommends to the adoption of the Government.

"This is the interpretation we put upon the resolution adopted at Chicago, and it is as fair a construction as any other.—If any other construction be a fairer or a truer one, then we do not belong to the party by which the resolution is adopted. If it was intended to pass a resolution which should mean nothing distinct or positive, but should bear two constructions, then the Convention has done what was unworthy of the party whom it professes to represent and we are ashamed of it. It would have become it better to be silent on that topic altogether.

The construction we have placed upon this resolution we shall hold to firmly. If the Republican party should elect its candidate he must not act on that construction or he will soon find himself encountered by an opposition by which he will be overwhelmed.

While Mr. Curtin is holding up this same twelfth resolution as pledging the Republican party to a protective tariff, the head man on the New York electoral ticket flatly contradicts all his assumptions.—Who is cheating and who is to be cheated? Both can't be right. Let Mr. Curtin take courage and give us a little variety by expressing his opinions on the fourteenth resolution, or "Dutch plank."

THE STATE FAIR.—The State Agricultural Society, under the superintendence of Gen. Sturdevant, have well-nigh completed the improvements on the grounds for the next exhibition. They have erected over three hundred additional horse and cattle stands, an amphitheatre near the speaker's stand, and seats fronting the track calculated to seat from two to three thousand people. They have also engaged one hundred Marjue tents and a tent one hundred feet in diameter, for the use of visitors. The boiler, containing one thousand four hundred gallons, for supplying the Fair grounds with water, will be completed this week.—[Luzerne Union.

We regret to state that the barn belonging to Wm. J. McKee, in Limestone township, Montour county, was struck by lightning on Saturday a week, and totally consumed, together with most of its contents. There were three horses in the barn at the time, two of which were got out, and the third was killed by the lightning. The barn was filled with hay and grain, the loss of which falls heavily upon Mr. McKee. In addition to this he lost all his horse-gear, some farming implements, &c. We are not able to state the amount of loss, but suppose it will reach \$3,000.—Dan's Luzerne Union.

G. G. EVANS, Esq., the American Model Publisher of Philadelphia, has sent us two of his last handsomely executed and very interesting publications, entitled—Biographical Sketches of the Signers of the Declaration of American Independence, &c., by B. N. B.—Any person sending Mr. Evans, No 439, Chestnut Street, Philad., 81 21cts. or 82 42cts.—the odd cents to pay the postage—will get by return mail the above works with valuable presents worth as much or more than the Books.

CARBON COUNTY.—The Democratic Convention of Carbon county met at Mauch Chunk on Monday the 27th ult., made the following nominations: Assembly—William H. Butler, unanimously. Commissioner—Enos Koch of Penn Forest. Auditors—Lajayette Letz, 3 years, and A. J. Landerbaum for one year. Congressional Conference—William Lilly, Dr. R. Leonard, Wm. R. Otis. Senatorial Conference—Thomas Craig, Hiram Wolf, M. M. Dimmick.

WYOMING.—The Democratic convention of Wyoming county has declared in favor Wm. M. Platt as their choice for Congress. For Assembly Thomas Osterhout. They also nominated the following ticket: Sheriff, William F. Terry; Prothonotary, John Lee; Register and Recorder, John Wall, Jr.; Treasurer, Thomas Hadley; Commissioner, James W. Gary; Auditor, Wm. Briggs.

BERKS.—The Democratic County Convention made the following nominations on the 25th. For Congress—S. E. Ancock for the full term, and J. K. McKenty for the short term, to supply the vacancy caused by the death of Mr. Schwartz.—For State Senate—Heister Clynner. For Assembly—E. Penn Smith, M. P. Boyer, and E. Rhoads.

THE BRITISH NAVY.—Donald McKay writes to the Boston Commercial Bulletin some of the results of his observations in the British navy yards. The Government is now building fifty-eight steam war vessels of various kinds, carrying 1,753 guns or nearly as many as the whole United States navy. By the middle of next year, when the ships now on the stocks are completed, the British fleet will count 745 vessels, with 17,099 guns and 132,786 horse power, or about eight times as many guns as our navy. Over two hundred thousand men will be required to man the vessels. The French navy is, in guns, only a little over half as strong as the English.

LYCOMING DEMOCRATIC TICKET. For Congress—Gen. B. Fleming, of Williamsport. For Assembly—Robt. Crane, of Lycoming Co., G. A. Achenbach, of Clinton Co. For Register and Recorder—H. Blair, of Anney. For Commissioner—Michael Curtis, of Nipponose.

HENRY FISK, convicted at April term of defacing and altering election returns at the October election last, in the south ward of Scranton, has been sentenced to pay a fine of \$500 and undergo on his imprisonment in the county jail of this county for the period of fifteen calendar months.—[Luzerne Union.

Charles F. Dunton was admitted as an Attorney, to practice in the several Courts of Lycoming county. He was formerly a printer, and the worst we can wish him is that he may receive "fat takes."

The Fortieth Anniversary of the Northumberland Baptist Association will be held in the Williamsport Baptist Church, commencing on the 14th of September.

The Tariff Cheat.

Maj. John Cummings.

This gentleman received the nomination for Congress at our County Convention, last Monday. No man has a stronger hold upon the affections of the people of this county than Maj. CUMMINGS, which has fully shown on every occasion upon where he came into competition with others. He never fails before the people.—There is one good reason for this. He never assumes any position but a right one, and with a mind as logical always as his position is right, there is no such thing as fail, when he has a fair and equal chance, to enforce his views. This nomination was as merited and deserving on the one hand as it was on the other cheerfully and unanimously given. He was nominated by acclamation, and that most emphatically, too.
