our country cannot do this they cannot but remain face to face and an intercourse either amicable or hostile must continue between them. Is it possible then to make that intercourse more advantageous or more satisfactory after separating than before? Can aliens make treaties easier than friends can make laws? Can treaties be more faithfully enforced between aliens than laws among friends? Suppose you go to war, you cannot fight always, and when after much loss both sides and no gain on either you cease fighting the identical terms are again upon you. This country institutions belong to the people who inhabit it. Whenever they shall grow weary of the existing government they can exercise their constitutional right of amending it or their revolutionary right to dismember or overthrow it. I cannot be ignorant of the fact that many worthy and patriotic citizens are desirous of having the national Constitution amended. While I make no recommendations of amendments I fully recognize the rightful authority of the people over the whole subject, to be exercised in either of the modes prescribed in the instrument itself, and I should, under exciting circumstances, favor rather than oppose a fair opportunity being afforded the people to act upon it.

I will venture to add that to me, the Convention mode seems preferable, inasmuch as it allows the amendment to originate with the people themselves, instead of permitting them to take or reject a proposition originated by others not especially chosen for the purpose, and which might not be precisely such as they would not wish to either accept or refuse.

I understand a proposed amendment to the Constitution, which amendment, however, I have not seen, has passed Congress to the effect that the Federal Government shall never interfere with domestic institutions of the States, including that of persons held to service. To avoid a misconstruction of what I have said, I depart from my purpose not to speak of particular amendments, so far as to say that holding such a provision to be now implied as constitutional law, I have no objection to its being made express and irrevocable. The Chief Magistrate derives all his authority from the people and they have conferred none upon him to make terms for the separation of the States. The people themselves can do this also if they choose, but Executive, as such, has nothing to do with it, his duty is to administer the present government as it came to his hands and to transmit it unimpaired by him to his successor. Why should there not be a patient confidence in the ultimate justice of the people, is there any better or equal hope in the world.

In our present differences in either party without faith of being in right if the Almighty Ruler of nations with his eternal truth and justice be on your side of the North or on yours of the South, that truth and that justice will surely prevail by the judgement of this great tribunal, the American people by the frame of the Government under which we live; this same people have wisely given their servants but little power for mischief, and have with equal wisdom provided for the return of that little to their own hands at very short intervals. While the people retain their virtue and vigilance no administration by any extreme of wickedness or folly can very seriously injure the government in the short space of four years.—My countrymen one and all, think calmly and well upon this whole subject; nothing valuable can be lost by taking time. If there be an object to hurry any of you in hot haste to a step which you would never take deliberately, that object will be frustrated by taking time, but no good object can be frustrated by it. Such of you as are dissatisfied still have the old Constitution, unimpaired, and on the sensitive point the laws of your own framing under it; while the new administration will have no immediate power, if it would, to change either.—If it were admitted that you who are dissatisfied hold the right side in the dispute; there still is no single good reason for precipitate action. Intelligence, patriotism, christianity, and a firm reliance on Him who has never yet forsaken this favored land, are still competent to adjust, in the best way, all our present difficulties.

In your hands my dissatisfied countrymen and not in mine is the momentous issue of civil war; the government will not assail you; you can have no conflict without being yourselves the aggressors. You have no oath registered in heaven to destroy the Government while I shall have the most solemn one to preserve, protect and defend it. I am loth to close. We are not enemies but friends. We must not be enemies. Though passion may have strained must not break our bonds of affection. The mystic chords of memory stretching from every loving heart and hearthstone all over this broad land will yet swell the chorus of the Union, when again touched, as surely as they will be the better angels of our nature.

Catarrh! Catarrh! WHAT IS IT? HOW CURED?—Thousands of persons suffer all sorts of annoyance from Catarrh. Most know what its inconveniences and results are, yet but few know how it can be cured. It is simply a chronic irritation, and often enlargement of follicles and consequent thickening of the mucous membranes, lining the nasal cavities, frontal sinuses, and sometimes extending into the throat and lungs. From this result tightness and often virtigo of the head, obstructed nose, or a profuse flow of mucus, loss of smell nasal voice, and often impaired hearing and taste.

The old-school remedies have never been able to do anything for it. Nasal injections and inhalations are as painful and expensive as they are generally worthless. Yet Humphreys' Catarrh Specific, a simple Sugar Pill, taken two or three times per day promptly cures the milder cases; cures at once all colds in the head, and radically cures, by persevering use, the most obstinate cases, as is proved by the experience of hundreds.

Price, with full directions, fifty cents per box.

N. B. A full set of Humphreys' Homeopathic Specifics, with Book of Directions, and twenty different Remedies in large vials, morocco case, $5; ditto, in plain case, $4 case of fifteen boxes, and Book, $2. Single boxes, 25 cents and 50 cents.

These Remedies, by the single box or case, are sent by mail or express, free of charge, to my address, on receipt of the price. Address,

COLUMBIA DEMOCRAT.

SATURDAY MORNING, MARCH 9, 1861.

Local and Special.

John G. Freeze, Editor.

IN assuming the control of a column or two on the Third Page of the *Columbia Democrat*, the Editor of the "Local and Special" Department feels that no extended salutatory is necessary. He will bring to the collection, selection and preparation of matter for his *special corner* whatever of industry, discrimination and ability he may possess: And while it is to be distinctly understood that he is not to be responsible for any thing that may appear anywhere else in the paper; it is equally agreed that here he is to reign and revel; that in these two columns he only is to dish up and season the delicate morsels which are to tickle the gossiping and literary palate, and of them he takes the responsibility. Nothing however will appear here contrary to the judgment of the Proprietor—nor of our own. So much is due to each of us.

The reader will observe some new features—they will be continued and improved upon; and no pains will be spared to make this department of the *Columbia Democrat* superior to that of any paper in the country.

Before we fairly don the Editorial Cap, we desire to make our most profound bow to our brethren of the quill; and ask admittance once more, into that ancient and most honorable fraternity; and now—here comes The Devil for copy!

—:o:—

☞ To-morrow is the Fourth Sunday in Lent.

March 11, 1789 Philadelphia was incorporated.

The Periodical called "The Guardian," was first published on the 12 March 1713.

The tumults at Berlin and Vienna occurred, and Metterinch fled, 13 March 1848.

The "Stamp Act" was passed by the British parliament, March 14, 1765.

The Battle of Guildford Court House was fought, March 15, 1781.

The Emperor Nero was born, according to the best authority, on the 16 March A. D., 37.

—:o:—

☞ February went out most mildly, and March came in exceedingly lamb like. We do hope the adage will not in this case be proven true; as to the mouth going out like a lion. Let us see.

—:o:—

☞ Our republican friends hoisted the flag on inauguration day, and fired several rounds with the cannon. We presume it was congratulatory of "Old Abe's" escape. Henceforward, "Lincoln's flight" will be the most renowned in history.—Was his arrival an indication of how he will leave Washing on four years hence?

—:o:—

☞ The Atlantic Monthly for March is an excellent number. The article on "German Universities" is the best on the subject we have read—Higginson's "Gymnastics" is the most sensible paper we have ever seen from his pen—"The men of Schwyz" is very readable—"The Professors Story" is to be concluded we judge in May. Address Ticknor & Fields, 135 Washington Street, Boston—$3.00 a year.

—:o:—

☞ The Lackawanna & Bloomsburg Rail Road Co. have selected J. P. Isley, Esq., Superintendent of the road, in place of M. W. Jackson, Esq., resigned. We have heard of Mr. Isley, and his experience in the business has been such, as to fit him very fully for the place. We doubt not, he will make himself intimately acquainted with the wants, and local business of the road.

—:o:—

☞ Boys, if you want a book almost equal to Robison Crusoe, send $1.25 to the Messrs Crosby, Nichols, Lee & Co., 117 Washington Street, Boston, and ask them to send you the "Adventures of James Capen Adams, mountaineer, Grizly Bear Hunter &c." —you will soon learn to love his pets, "Lady Washington" "Ben Franklin" and the rest of the bears, Wolves, &c which he traps and tames.—And if you should ever go to Barnum's Museum, in New York, you can there see "Old Samson," "Ben Franklin," "Lady Washington" and several more of Adam's Pets. We advise you to get and read the book—It is capital, life like, and full of adventure, hunting and danger.

—:o:—

☞ The Simon Pure, P. T. Barnum, Original General Tom Thumb, gave two of his entertainments in the Court House in Bloomsburg, on Saturday last afternoon and evening. The attendance was only ordinarily good, in the afternoon, but in the evening the house was crowded.

The singing in the afternoon was decidedly better, than in the evening. Neither of the gentlemen are good in the comic,—Tom can beat them both. If they desire to sing patriotic songs, we would suggest, "Hail Columbia" or "the Star spangled Banner" as worth a bushel basket full of such as they attempt to sing.

If the pianist would play popular airs in the intervals, for the entertainment of the audience, instead of more thumping, which is the most that can be said for stuff that nobody understands; there would be some enjoyment in it.

Tom himself is a good, entertaining, interesting amusing specimen—well worth seeing.

WINCHESTER'S Genuine PREPARATION of the Hypophosphites THE Specific Remedy FOR CONSUMPTION

AND FOR THE SPEEDY CURE OF

Nervous Prostration, General Debility, Asthma, Dyspepsia, Scrofula, Marasmus, Paralysis, Chronic Bronchitis, Anemia, Chlorosis, and all Disorders of the Blood System.

DO YOU KNOW IT?

CONSUMPTION IS THE MOST FATAL SCOURGE OF MANKIND. It has been truly regarded as AN INCURABLE DISEASE.—[illegible] ONE HALF OF ALL THE ADULT POPULATION of most civilized communities PERISH BY THIS DISEASE." What a sad commentary on the boasted efficacy of the Healing Art!

The brilliant Discovery of Dr. Churchill, made to the Imperial Academy of Medicine, of Paris, has proved an inestimable boon to the world. By the use of this new and powerful remedial agent, known to Chemistry as

THE HYPOPHOSPHITES,

"The CURE of CONSUMPTION, even in the Second and Third Stages (at a period, therefore, when there can be no doubt as to the nature of the Disease) is the RULE, while DEATH IS THE EXCEPTION." * * * "I KNOW," says Dr. C., "that they will prove not only as SURE A REMEDY to CONSUMPTION as Quinine is in Intermittent Fever, but also as effectual a PRESERVATIVE as Vaccination in Small Pox."

Let no sufferer, who values health and life, delay an hour to try this remedy. Remember that "prevention is better than cure." Beware of self-deception, or the soothing assurance of friends that "It is only a little cold." Fatal error! It is [illegible] grave! Give, I entreat you, prompt attention to the

EARLIEST SIGNS OF CONSUMPTION.

"AND THESE SIGNS SHALL FOLLOW THEM."—[illegible] "Tubercle, the seed of tubercular disease is [illegible] It provides the cough, and it is earlier, in point of time, than any other. It is first manifested in the *face* and hands. The muscular tissues waste; hence rapidity [illegible] there is a sense of something wrong—a feeling that there is weakness and decay. The tone of the living machine is more active than its repair."—*Dr. Pollock.*

"If, in whatever attendant cause, or under the influence of causes which induce weakness and emaciation; such as mal-nutrition, excess, pregnancy, child-bearing, nursing, rapid growth, or slow recovery from disease, a person begins to lose his flesh, strength, color, or appetite, if he suffers from shortness of breath, or sleeplessness, and experiences a general feeling of languor and depression, THERE IS REASON TO FEAR that he is already predisposed to the complaint. If to these symptoms be added cough, however slight, particularly if it has come on slowly, or during the fair season, THE PROBABILITY IS GREATER STILL."—*Churchill.*

EFFECT OF THE REMEDY.

"If, on the earliest appearance of these signs of Consumption, the patient takes daily about ten grains of the HYPOPHOSPHITES, he will usually see them all disappear in a period varying from a few weeks to a few months, and by continuing the occasional use of the Remedy, HE WILL SPEEDILY FIND HIMSELF IN THE ENJOYMENT OF SUCH HEALTH AS HE, PERHAPS, HAD NEVER KNOWN IN HIS LIFE BEFORE."

"Winchester's Genuine Preparation"

IS THE ONLY RELIABLE

Form of Dr. Churchill's Remedy. Made from the original Formula. [illegible] is two-fold and specific; increasing the principle which constitutes NERVE FORCE, and they are the most POWERFUL BLOOD-GENERATING AGENTS known. [illegible] upon the tubercular condition is IMMEDIATE, all the GENERAL SYMPTOMS DISAPPEARING with a rapidity which is REALLY MARVELLOUS. They relieve the cough, diminish expectoration, improve the appetite, arrest diarrhoea, the night sweats, chills, and fever cease; the bowels become regular, and the sleep calm and refreshing.

A FAIR TRIAL IS A CERTAIN CURE!

☞ BEWARE of Bogus Remedies advertised as Dr. Churchill's, and all other SWINDLING FRAUDS to rob sufferers of their means, lose precious time, and hasten a FATAL RESULT. Write to me for CIRCULARS, and for

Dr. Churchill's Treatise on Consumption,

which contain the only authentic information in regard to this NEW TREATMENT. Sent FREE to all inquirers.

PRICE: In 7 and 16 oz. Bottles, $1 and $2 each.—Three large, or six small for $5. My fac-simile is on both the Label and Outside Wrapper.

NO OTHER IS GENUINE.

☞ Do not confound this Remedy with the so-called "Chemical Food;" and particularly avoid all preparations containing iron, which is DANGEROUS in Consumption, which has so CERTAINLY PROVEN WHATEVER. BALTIMORE LOCK HOSPITAL.

DR. JOHNSTON,

THE founder of this Celebrated Institution, offers the most certain, speedy, and only effectual remedy in the world for effects for Gleets, Strictures, Seminal weakness, Pains in the Loins, Constitutional Debility, Impotency, Weakness of the Back and Limbs, Affections of the Kidneys, Palpitation of the Heart, Dispepsia, Nervous Irritability, Disease of the Head, Throat, Nose or Skin, and all those serious and melancholy Disorders arising from the destructive habits of Youth, which destroy both body and mind. These secret and solitary practices, are more fatal to their victims than the song of the Syrens to the mariners Ulysses, blighting their most brilliant hopes and anticipations, rendering marriage &c. impossible.

MARRIAGE.

Married persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnston, and be restored to perfect health.

He who places himself under the care of Dr. Johnston, may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS

immediately cured and full vigor restored.

This disease is the penalty most frequently paid by those who have become the victim of improper indulgences. Young persons are too apt to commit excess from not being aware of the dreadful consequence that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived of the pleasure of healthy offsprings, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged; the physical and mental powers weakened, nervous debility, dyspepsia, palpitation of the heart, indigestion, a wasting of the frame, Cough, Symptoms of Consumption, &c.

☞ Office, No. 7 SOUTH FREDERICK STREET, seven doors from Baltimore street, East side, up the steps. Be particular in observing the NAME and NUMBER, or you will mistake the place.

A Cure Warranted, or no Charge Made, in from One to Two Days.

NO MERCURY OR NAUSEOUS DRUGS USED.

DR. JOHNSTON.

Member of the Royal College of Surgeons, at London.—Graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

A CERTAIN DISEASE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill timed sense of shame or dread of discovery, deters him from applying to those who from education and respectability can alone befriend him, delaying till the constitutional symptoms of this horrid disease makes their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the skin bones, and arms, blotches on the head, face and extremities, progressing with rapidity, till at last the palate of the mouth and bones of the nose fall in, and the victim of this disease becomes a horrid object of commisseration, till death puts a period to his dreadful sufferings, by sending him to "that bourne from whence no traveller returns." To such, therefore, Dr. Johnston pledges himself to preserve the most inviolable secrecy, and from his extensive practice in the first Hospitals of Europe and America, he can confidently recommend safe and speedy cure to the unfortunate victim of this horrid disease.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by private and improper indulgences.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pain in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, symptoms of Consumption, &c.

MENTALLY.—The fearful effects upon the mind are much to be dreaded. Loss of Memory, Confusion of Ideas Depression of the Spirits, Evil Forebodings, Aversion of Society, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health. Loosing their vigor, becoming weak, pale and emaciated, having singular appearance about the eyes, cough and symptoms of Consumption.

[illegible]ON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS.

By this great and important remedy, weakness of the organs are speedily cured, and full vigor restored.—Thousands of the most nervous and debilitated, who had lost all hope, have been immediately relieved. All impediments to Marriage, Physical and Mental Disqualification, Nervous Irritability, Tremblings and Weakness or exhaustion of the most fearful kind, speedily cured by Doctor Johnston.

YOUNG MEN.

Who have injured themselves by a certain practice, indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pitty that young man, the hope of his country, and the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons before contemplating

MARRIAGE

should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

OFFICE NO. 7 SOUTH FREDERICK ST., Baltimore, Md.

TO STRANGERS.

The many thousands cured at this institution within the last 15 years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the papers and many other persons, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

TAKE NOTICE.

N. B.—There are so many ignorant and worthless Quacks advertising themselves Physicians, ruining the health of the already afflicted, that Dr. Johnston deems it necessary to say, especially to those unacquainted with his reputation, that his credentials and diplomas always hang in his office.
