BERWICK MASS MEETING

Union Democrats by Thousands in Council.

On Saturday last, the largest Democratic Ratification Mass Meeting, ever held there convened in Berwick. That peaceful Borough was literally over run by the moving masses. A large Delegation of Ladies, and four uniformed Military Companies honored the Meeting with their presence.

The meeting organized at one o'clock, in front of the Town Hall-the Officers and Speakers occupying the portico-by the election of the following sound Democratic officers :-

JAMES JACOBY, Esq., President. Fire Presidents -- Win Lamon, Peter Ent, Andrew Freas, Josiah H. Furman, David Shaffer, Geo. W. Ult, Joseph Blonk, J. R. Millard, Hugh McBride, Joseph Patton, Jr., Minuro, Hogn McDride, Joseph Patton, Jr., J. W. Diererick, Jacob Hess, Isaiah Bower, Christian Wolf, George M. Bower, Oscar P Ent Henry Bittenbender, John Michael, Thos. J. Hutchison, Esq. John Daak, Esq. Ellas Pealer, N. Seybert, Lewis Dieterick, Enos L. Adams. Secretaries - Aaron Andrews, Freas Fow

ler, John Hill, Jer. C. Smith. A committee on Resolutions, consisting

of Alem B Tate, Joseph Coleman, Wm. Hoffman and David Mil ler, were appointed who-through their Chairman, Alem B. Tate, Esq. -reported the following Preamble and Resolutions :

WHEREAS, The peculiar state of the country and the condition of the Union-in its great straggle for Nationality-require that every loyal citizen should declare his fideli-ty to the Constitution and the Union of our Fathers in normistakable language; There-

fore:- Resolved. That the Democratic party of Colombia County is now as it has ever been in favor of the unbroken Union of these States-that we will maintain the Constitution, the Government and laws, and that we will sustain the present administration in all lawful and Constitutional measutes for -upressing rebellion, restoring the Union and enforcing the laws. Recorded That while we are in favor of

supporting and sustaining the Government we are nevertheless in layor of the administration entertaining the first houorable propositions for Peace, looking to the con-tinued Union and equatity of all the States

Resolved. That we piedge ourselves to use our best endeavors to secure the elec-tion of the ticket formed by the late Democtatic Convention of Columbia County and hereby, re-new the pledge of our fidel

ity in its support. The Preamble and Resolution were read and adopted by general acclamation.

The Hon. M. E. JACESON, was called upon

for a speech. Heappeared upon the Stands remarking at the time, that he had not thought of making a speech upon that occasion, as he was somewhat indisposed and only appeared in response to the call of his friends and tellow curzens. Acknowledging the compliment paid him, he could on ly pay his respects to the Ladies present and in behalf of the great assembly of the noble Democracy of Columbia, add his tribute to their unceasing fidelity to the Union and the Constitution.

Mr. Jackson then took a raview of the state of the country and went into a logical discussion of the distinctive principles of the two great political parties. He cordially approved of the Resolutions just adopted by the meeting. Like the great Democratic Party of which he had the honor to be an humble member, he declared he was and ever should be, an ardent Union Democrat. He could discover no change in the principles of Democracy or the action of that Party-always the National Union De mocracy-the people and party that originally formed our glorious Conferencey of States-the admiration of the World-and the only surviving example of free Repubothers, in the public mind. That they aclican Government. Every triumph of our Arms he demonstrated from history, in all our struggles for Nationality with Foreign Powers, had been achieved, and that alone, under Democratic Administrations. Ap-

Hon. Warren J. Woodward. This gentleman, now President Judge of the XXVITH Judicial District of Pennsylvania, has been nominated, without opposition, as a candidate for President Judge of this District, by the Democratic Convention of Berks county. In the selection of Judge WOODWARD, the party has been singularly fortunate. A lawyer of acknowledged ability, and with the advantage of six years' experience on the Bench, he is well qualified for the dignified and responsible position to which he

has been named ; and, being personally a stranger to our people, will come among us, if elected, entirely untrammeled by any relations of a political, professional or social nature that might have a tendency to interfere with the impartial administration of Justice in his hands. The best as-

tion of Justice in his hands. The best as-surance that we can have, of his accepta-bility, both in regard to character and fit-ness, is given in the high respect that is entertained for him by the people of all parties in the District where he new re-sides, and the unlimited confidence they repose in him as a jurist. His election to repose in him as a jurist. His election to the Bench of Berks county under all them the Bench of Berks county, under all these view of enting them of Falls Church, evidently with a circumstances, would be a highly desirable event.

ble event. Judge WoontwARD was born in Wayne county, Pennsylvania, in the year of 1820, and is now 41 years of age. In politics, Judge Woodward is a Dem-ocrat; but, with a very proper apprecia-tion of his position, has taken no part in political affairs since his elevation to the Bench, beyond that which is the bounden duty of every eitizen—the expression of his opinions through his vote. That he is a true and loyal Union man, the sanctity of the oath that binds him to "support the Constitution of the United State" and o-bey the laws it is his duty to administer, and the fidelity with which he has kent In polities, Judge WOODWARD is a Dem-
