About Tories 1

EDITED BY LEVI L. TATE. PROPRIETOR.

Colambia Democrat

BLOOMSBURG, PA BATURDAY MORNING, NOVEMBER 23, 1861.

Gon or our Farmenal in thy name We noti our Standard to the mast-To conquer or to die. We claim No greater honor. While the blast Of civil strife sweeps o'er the land, We'll strike the for who dares to man Our lovely ensign, and we'll stand A wall of fire to guard each star.

Let us then twine each thread of the glorious treature out country's flag about or heart-strings, and hous upon our nomes, and catching the spirit that heads down watring the batt, did, of our futbers, betwee give that, come woal or were, we will the life about They have been while on the and to the half of a barrow of N we derive a the and to the half of a brannas, and and the solutions of its ry as a where, as the train one synthes of restalless at each power of the hare been the brave and the fre-bers and to phary. At has have any fortune to be the flag on free gradience and and the gleons of ental droppets and no right with a latime, by has the problem of the state of any hours in the delivery and empirication, on which in despatring boning. May God in the infinite nearly size you and me, and the land way we much lower, from the sound of such a degradation."-Jaceph Holt.

"Flag of the free heart's only house! Hy angel-hands to valor given--Thy stars have lit the weisin dome, And all thy have were burn in heaven. Forever floor that standard sheet ! Where breathes the for but falls before us, With Prositom's cost heacath our text. And Freedom's banner -treaming o'er us !"
