Ber We see it announced, that in conetts has been obliged to resign the command of the Sixth Penna. Reserves. We mad the public generally that he has opened a house for the cutting most unfeignedly. We are indebted to the exertions, experience and fine qualities of Col. Ricketts, for the honor accorded to Columbia County, of having sent to Harrisburg, the finest and best all drilled company that has been mustered into the service. In the late fight at Drainsville, the Iron Guards showed their coolness and training by withstanding one of the most trying tests to which a soldier FOR SEWING MACHINES. can be subjected. In the very hottest of the battle, when a regiment, thrown into confusion, was forced to fall back, the Iron 200 & 500 yds. White, Black, & Colored Guards opened ranks, let the retreating regiment through, closed up again and advanced to the charge, with as much cools.

This Thread heing made particularly for Sewing Machines, is very Strong, Smooth and Elastic, its strength is not impaired by washing, nor by friction of the needles. For Machines, use Brooks' Patent Glace, vanced to the charge, with as much coolness and regularity as if on parade. That and Brooks , Patent Six Cord. Red Tiexes.
