

THE NATIONAL PLATFORM: PURPOSES OF THE WAR!

CONGRESS, BY A VOTE NEARLY UNANIMOUS, PASSED THE FOLLOWING RESOLUTION, WHICH REPRESENTS THE VOICE OF THE NATION AND IS THE TRUE STANDARD OF LOYALTY.

That the present deplorable civil war has been kindled upon the country by the disunion of the Southern States, now in arms against the Constitutional Government, and in arms around the Capital; that in this National emergency, Congress, sustaining all feeling of more passion or excitement, will recollect only its duty to the whole country; that this war is not waged as there part in any spirit of oppression, or for any purpose of conquest or subjugation, or for the purpose of interfering with the rights or established institutions of those States, but to defend and maintain the supremacy of the Constitution, and to preserve the Union, with the dignity, equality, and rights of the several States unimpaired; and that as soon as these objects are accomplished the war ought to cease.

Opinions of Judge Douglas. Republicans of our day, now that he is no more, profess implicit faith in the opinions of the late Hon. Stephen A. Douglas. We call to the witness stand the living history of that tried patriot and eminent statesman.

HON. CHAS. J. BIDDLE, will accept our thanks for Congressional documents.

ARTHUR'S HOME MAGAZINE, for July, has come to hand, and is replete with interesting productions and richly embellished.

JOHN A. SMULL, Esq., Assistant Clerk of the H. of R., has our sincere thanks for the Bound volume of the "Legislative Record."

HON. WM. S. ROSS, of Luzerne, it is generally conceded, will be the nominee of the opposition party, for Surveyor General.

GEN. E. S. GOODRICH, formerly editor of the Luzerne Union, Wilkes Barre, Pa., died at his residence in Towanda, Bradford county, Pa., on the 11th inst., in the 61st year of his age.

COL. WILLIAM T. ALEXANDER, Senior Editor of the Clarion Democrat, with six other Democrats of Clarion, are candidates for the Legislative nomination.

HON. JOSEPH DELLONE, Member of the House, from York county, was lately robbed, on the Lebanon Rail Road, of near \$2,500.

BANK NOTICE.—The Directors of the Daville Bank, as will be seen by their notice in this Journal, intend making application to the next Legislature for a renewal of its charter.

JUSTICE TO FAITHFUL SERVANTS.—We are gratified to learn, by that old and excellent democratic Journal, the Westmoreland Republican, that the Democracy of the "Star of the West," have unanimously re-nominated their late faithful Representatives, viz:—HON. R. GRAHAM, and DR. S. WAKEFIELD.

MORE ROOM FOR THE DARKIES?—The Patriot & Union says, a day or so ago we notice four or five negroes mowing grass in Capitol Park, when we were informed that white men were refused the job.

Col. TATE, of Columbia county, who always voted as we didn't, sends us his paper with a speech delivered by himself before the Greenwood Literary Society of that County.

Brother COWAN, does us justice, in saying, we "always voted as we (he) didn't" in the Legislature, the cause being the difference betwixt our "democratic principles," and "his abominable politics."

THE examination of the Orangeville Academy and Normal School will take place on the 2d and 3d of July.

AN Excursion train will be run on the Bloomsburg and Lackawanna Railroad, on the 4th of July, to accommodate the people who may wish to attend any of the celebrations, upon that day, along the line, at half fare.

UNDER our Agricultural Department, on the 14th of June, we copied an article, entitled "The value of Coal Ashes," from the "Sunbury Gazette," just as found in that paper, which we have since learned originally appeared in and should have been credited to the "Germantown Telegraph."

Excellent Nominations.

HON. WILLIAM HOPKINS, of Washington county, has been unanimously re-nominated, by the Democratic Convention, for the Legislature. Every man in our State who knows WILLIAM HOPKINS, (as we know him intimately, and appreciate his spotless purity) will rejoice to learn that he will again adorn a seat in the General Assembly.

WILLIAM GLENN, Esq., also of Washington county, has been again, as he was last year, nominated with Mr. HOPKINS, by the Democracy for the Legislature.

HON. JOHN CESSNA, has been re-nominated for the Legislature by the "unerringly democratic Bedford." Of course he will be elected.

We notice with pleasure the name of Hon. W. S. ROSS of our County is mentioned with favor for the office of Surveyor General.

Our cotemporary of the "Advance," whilst noticing "with pleasure," the probable nomination of Judge Ross, "with favor," does not intimate by what political party he is to be supported.

Army Correspondence.

MANASSAS JUNCTION, Va., June 23, 1862.

My Dear Sir:—Rickett's Division, formerly Ord's, has left Front Royal, and now are encamped here. The Infantry and Artillery were transported over the Manassas Gap Railroad, and the Cavalry and Artillery horses came by the common road.

The operations in the "Department of the Rappahannock" have doubtless been delayed by the late accident to Gen. McDowell. His horse reared and fell backwards on the General, the pommel of the saddle injuring his somewhat portly stomach.

We are much disappointed at not being sent back to our old Commander, General Banks. He is an especial favorite in our Brigade, and though I never liked him politically, yet I prefer him as a General to any person we have yet been under.

He has had the eminent good sense to leave politics alone, and devote his whole mind to the suppression of rebellion. We have had in the Valley of Virginia at the same time Generals Banks, Fremont, Shields and McDowell; and a fair opportunity of comparing the qualities of each has been presented.

We shall not permit men whose history and descent are of the character of those of the editor of the Republican, to teach patriotism to us, nor to vaunt their own. We shall not spare the men nor the party, which in 1856 bore, in many of their professions, banners with SIXTEEN STARS only.

We have no fears that those "hundreds of imperfectly educated men in this country," will misunderstand us, or regard our denunciation of men and parties such as we have referred to, as either "PERVERSIONS OF FACT," or as "efforts to paralyze the energies of the Government."

This is not the first occasion upon which the Dr. has charged the "people" of Columbia county, and more especially the Democrats, with being IGNORANT; but we venture to assert that there are none of them, who do not see the abolitionist sticking out through his flimsy pretensions of loyalty; nor is there one of them who cannot demonstrate, to him, that an abolitionist and a secessionist are equally TRAITORS TO THE CONSTITUTION AND THE UNION.

BLACK VS. WHITE LABOR.—The Dayton Empire says that many of the Republican nabobs of that are discharging white men and women from their employ, and hiring in their places the recently arrived "contrabands," whose services they get at very low prices—as low as eight cents per day in some instances.

THE Dr.'s efforts at "reform" began with medicine—and they were a signal failure—still burning to extinguish himself, he plunged into a project for social and political reform; and is attempting now to teach the "hundreds of imperfectly educated people in this country," that niggers are as good as white men, and that the Republicans are honest and Union-loving.

The Impending Battle.

A correspondent of the New York Tribune writing from "Seven Pines," on the 9th inst; says:

There is a duelling at long range between the enemy's pickets and our own—and there are movements and preparations on our side, and undoubtedly on their side, for the great battle soon to be fought. And I will candidly tell my friends that they must make up their minds to hear the details of a conflict before Richmond compared with the battle of the Seven Pines was but a skirmish.

The Pet of Abolitionists.

Every loyal newspaper in the northern States approve of Mr. Lincoln's proclamation revoking the abolition order of Gen. Hunter in reference to the slaves in South Carolina, Georgia and Florida.

There is a duelling at long range between the enemy's pickets and our own—and there are movements and preparations on our side, and undoubtedly on their side, for the great battle soon to be fought.
