## THE APPLE.

We always feel pained to witness a decaying apple orchard; and, unfortunately, such sights are very frequent in Pennsylvania. It is a rare sight to see a well laden apple tree in southern Pennsylvania, much less an orchard in full bearing. It was not wont to be so, nor are we able to explain why, for a number of years past, the apple crop of our State has, with a few exceptions, been an almost entire failure. We shall, possibly, some of these days arrive at the cause or causes of these failures, and be able to apply the proper remedy. Until that auspicious day arrives let us live in hopes, and, in the meantime, one and all go to work with a hearty good will to ascertain where the root of the evil is to be found.

In our estimation, the apple is the king of fruits. It has no particular season. It is the fruit of all seasons. The strawberry, cherry, raspberry, peach, and indeed, almost all other fruits, are so perishable in their character, that we are able to enjoy any particular one of them for a few weeks only. Not so with the apple. From early June to early June we are blessed with this most valuable of fruits. And then, to what a variety of uses it is susceptible of application! Like the darkey's rabbit, it is "good for stews, good for fry, good for roast, good for everything." It is healthful for all; and what is equally important, may, with proper care, be grown in such abundance as to be brought within the easy reach of all classes. Let us hope and pray that we shall soon have thrifty, fruit-bearing apple orchards again. Here, in conclusion, what Dr. Hall says of this delightful fruit:

"There is scarcely any article of vegetable food more widely useful, and more universally loved than the apple. Why every farmer in the nation has not an apple orchard, where the trees will grow at all, is one of the mysteries. Let every family lay in from two to ten or more barrels, and it will be to them the most economical investments in the whole range of culinaries.

"A raw, mellow apple is digested in an hour and a half, while boiled cabbage require five hours. The most healthful deserts which can be placed on the table, is a baked apple. If taken freely at breakfast, with coarse bread and butter, without meat or flesh of any kind, it has an admirable effect on the general system, often removing constipation, correcting acidities, and cooling off febrile conditions, more effectually than the most approved medicines.

"If families could be induced to substitute the apple, sound, ripe, and luscious, for the pies, and cakes, candies, and other sweetmeats with which their children are too often indiscreetly stuffed, there would be a diminution in the sum total of doctors' bills in a single year, sufficient to lay in a stock of this delicious fruit for a whole season's use."

## TREAT YOUR HORSES GENTLY.

After witnessing one of Prof. Rarey's horse-taming exhibitions at the Academy of Music last fall, we could not repress the thought that a general acquaintance by horse-keepers with his system, would be productive of advantageous results, incalculable in amount. Let every horse-keeper read the following, from some remarks made by Prof. Rarey, and apply them to practice:—

"Almost every wrong act the horse commits is from missmanagement, fear, or excitement; one harsh word will so excite a nervous horse as to increase his pulse ten beats in a minute. When we remember that we are dealing with dumb brutes, and reflect how difficult it must be for them to understand our motions, signs, and language, we should never get out of patience with them because they do not understand us, or wonder at their doing things wrong. With all our intellects, if we were placed in a horse's situation, it would be difficult for us to understand the driving of some foreigner, of foreign ways, and foreign language. We should always recollect that our ways and language are just as foreign and unknown to the horse as any language in the world is to us, and should try to practise what we could understand were we a horse, endeavoring by more simple means to work on his understanding, rather than on the different parts of his body."—*Farmer & Gardener.*

APPLE PUDDING.—Line a basin with a crust prepared as for biscuit; pare, core, and quarter, as many sour apples as will fill the basin; sprinkle some allspice over them, a little sugar, and add a half cup of water. Cover with a crust, and steam one and a half hours. Serve with cream and sugar.

EXCELLENT COOKING.—One cup of cream, two cups of sugar, two eggs, half cup of butter, two teaspoonfuls cream tarter, one of soda, nutmeg for seasoning; flour sufficient to roll out.

**AYER'S**

**CATHARTIC PILLS.**

Are you sick, feeble, and complaining? Are you out of order, with your system deranged and your feelings uncomfortable? These symptoms often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed to health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs the natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and surely cured by the same means. Some who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

*From a Forwarding Merchant of St. Louis, Feb. 4, 1854.*

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

**As a Family Physic.**

*From Dr. A. W. Cartwright, New Orleans.*

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of diseases.

**Headache, Sick Headache, Foul Stomach.**

*From Dr. Edward Degal, Baltimore.*

DEAR DOC. AYER: I can not answer you *what* complaints I have cured with your Pills better than to say *all* that ever *tried with a purgative medicine.* I place your Pills above one an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst *headache* any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PRIBLE,

*Clerk of Steamer Chorlton.*

**Bilious Disorders—Liver Complaints.**

*From Dr. Theodore Bell, of New York City.*

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of *bilious complaints* than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,

Washington, D. C., 7th Feb., 1854.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and perfect, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.

*Physician of the Marine Hospital.*

**Dysentery, Diarrhœa, Relax, Worms.**

*From Dr. J. G. Green, of Chicago.*

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given to avoid *dose for bilious dysentery and diarrhœa.* Their sugar coating makes them very acceptable and convenient for the use of women and children.

**Dyspepsia, Impurity of the Blood.**

*From Rev. J. V. Himes, Pastor of Advent Church, Boston.*

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 21, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and *purify the fountains of the blood.*

JOHN G. MEACHAM, M. D.

**Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.**

*From Dr. J. P. Vaughn, Montreal, Canada.*

Too much cannot be said of your Pills for the cure of *costiveness.* If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe *costiveness* to originate in the liver, but your Pills affect that organ and cure the disease.

*From Mrs. E. Stuart, Physician and Midwife, Boston.*

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the *natural secretion* when wholly or partially suppressed, and also very effectual to *cleanse the stomach and expel worms.* They are so much the best physic we have that I recommend no other to my patients.

*From the Rev. Dr. Hawkes, of the Methodist Epis. Church.*

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled on my limbs and brought on excruciating *neuralgic pains*, which ended in *chronic rheumatism.* Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855.

DR. AYER: I have been entirely cured, by your Pills of *Rheumatic Gout*—a painful disease that had afflicted me for years.

VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.
