MARRIAGE.—ITS LOVES AND HATE sorrows and angers, hopes and fears, regre and joys; MANHOOD, how lost, how restore the nature, treatment and radical cure of spe matorrhœa or seminal weakness; involuntary emissions, sexual debility and impediments to marriage generally; nervousness, consumption, fits, mental and physical incapacity, resulting from SELF-ABUSE—are fully explained in the MARRIAGE GUIDE, by WM. YOUNG, M. D. This most extraordinary book should be in the hands of every young person contemplating marriage, and every man or woman who desires to limit the number of their offspring to their circumstances. Every pain, disease and ache incidental to youth, Maturity and old age, is fully explained; every particle of knowledge that should be known is here given. It is full of engravings. In fact, it discloses secrets that every one should know; still it is a book that must be locked up, and not lie about the house. It will be sent by any one on the receipt of twenty five cents in specie or postage stamps. Address DR. WM. YOUNG, No. 416 SPRUCE Street, above Fourth, Philadelphia.

☞ AFFLICTED AND UNFORTUNATE, no matter what may be your disease, before you place yourself under the care of any of the notorious *Quacks*—native or foreign—who advertize in this or any other paper, get a copy of Dr. Young's book, and *read it carefully*. It will be the means of saving you many a dollar, your health, and possibly your life.

DR. YOUNG can be consulted on any of the diseases described in his publication, at his office, No. 416 SPRUCE Street, above Fourth, Philadelphia.

CONSTITUTION WATER.

THE GREAT REMEDY
FOR THE
CONSTITUTION
AND THE
ONLY KNOWN REMEDY
FOR
DIABETES
AND DISEASES OF THE
KIDNEYS AND BLADDER

These Dangerous and Troublesome Diseases, which have thus far Resisted the best directed Treatment can be Completely Controlled by the REMEDY now before us!

THE CURATIVE

properties of the medicine direct themselves to the organs of secretion, and by so altering the condition of the stomach and liver that the starchy principle of the food is not converted into sugar so long as the system is under the influence of the

CONSTITUTION WATER,

which give those organs time to recover their healthy tone and vigor. We are able to state that the Constitution Water has cured every case of Diabetes in which it has been given.

STONE IN THE BLADDER, CALCULUS, GRAVEL, BRICK DUST DEPOSIT, AND MUCOUS OR MILKY DISCHARGES AFTER URINATING.

Diseases occuring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The dose should vary with the severity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitution Water, as above directed.

DYSMENORRHŒA, OR PAINFULL MENSTRUATION, AND IN MENORRHAGIA OR PROFUSE FLOWING,

Both diseases arising from a faulty secretion of the menstrual fluid—in the one case being too little, and accompanied by severe pain; and the other a too profuse secretion, which will be speedily cured by the Constitution Water.

That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation in the Heart, Impared Memory, Wakefulness, Flashes of Heat Languor, Lassitude, and Dimness of Vision.

SUPPRESSED MENSTRUATION.

Which in the unmarried female is a constant recurring disease, and through neglect the seeds of more grave and dangerous maladies are the result; and as month after month passes without an effort being made to assist nature, the suppression becomes chronic, the patient gradually looses her appetite, the bowels are constipated, night sweats come on, and *consumption* finally ends her career.

LEUCORRŒA OR WHITES.

This disease depends upon an inflamation of mucous lining of the vagina and womb. It is in all cases accompanied by severe pain in the back, accross the bowels and through the hips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoonful of the medicine, mixed with a half-pint of soft water, morning and evening.

IRRITATION OF THE NECK OF THE BLADDER, INFLAMATION OF THE KIDNEYS AND CATARRH OF THE BLADDER, STRANGURY AND BURNING OR PAINFUL URINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been know to relieve the most urgent symptoms. [illegible] small of the back and through the hips? A teaspoonful a day of Constitution Water will relieve you like magic.

FOR DYSPEPSIA.

It has no equal in relieving the Most distressing symptoms. Also, Headache, Heartburn, Acid Stomach Vomiting Food, &c., Take a teaspoonful after dinner. The dose in all cases may be increased if desired, but should be done gradually.

PHYSICIANS

Have long since given up the use of buchu, cubebs and juniper in the treatment of these diseases, and only use [illegible] want of a better remedy.

[illegible] ARAMEN

Has proved itself equal to the task that has devolved upon it.

DIURETICS

Irritate and drench the kidneys, and by constant use soon lead to chronic degeneration and confirmed disease.

Read. Read. Read.

DANVILLE, Pa., June 2 1862.

DR. WM. H. GREGG—*Dear Sir:* In February, 1861, I was afflicted with the sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often ten or twelve times during the night, and in five months I lost about fifty pounds in weight. Durning the month of July, 1861, I procured two bottles of Constitution Water and in two days after taking it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours truly.

J. V. L. DE WITT.

Boston Corners, N. Y., Dec. 27, 1861.

Wm. H. Gregg & Co.:

Gents:—I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the heart, attended with Falling of the Womb, Dysmenorrhœa, and "Irritation of the Bladder." I called a physician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her for about nine months, and while she was under his care she did not suffer quite as much pain; he finally gave her up and said: "her case was incurable." For, said he, "she was such a constitution that medicine given for one operates against some other of her difficulties." About this time she commenced to use CONSTITUTION WATER, and to our utter astonishment, almost the first dose seemed to have the dsired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the CONSTITUTION WATER for about four weeks and we are happy to say that it has produced a permanent cure.

WM. M. VAN BENSCHOTEN.

MILLFORD, CONN., Nov, 19, 1861.

DR. WM. H. GREGG;

Dear Sir:—I have for several years been afflicted with that troublesome and dangerous disease—Gravel which resisted all remedies and doctors, until I took CONSTITUTIONAL WATER, and you may be assured that I was pleased with the result. It has entirely cured me, and you may make any use of my name you may see fit in regard to the medicine, as I have entire confidence in its efficacy.

Yours truly,
POND STRONG.

THESE ARE FACTS ENOUGH

There is no class of diseases that produce such exhausting effects upon the human constitution as Diabetes and diseases of the Kidneys, Bladder and Urinary Passages, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the

CONSTITUTION WATER

To the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded in our efforts in placing so valuable remedy in a form to meet the requirements of patient and physician.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood—and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

DEAR BRO. AYER: I can at answer you *silent* complaints I have *cured* with your Pills better than to say *all that we ever treat with a purgative medicine.* I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst *headache* any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Clarion.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver truly wonderful. The use of them in my practice proved more effectual for the cure of *bilious complaints* than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1855.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them. Fraternally yours, ALFRED HALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Diarrhœa, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhœa.* Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. F. Hines, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in this city. They are the best remedy I have ever known, and I can confidently recommend them to my friends.

J. F. HINES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and *purify the fountains of the blood.*

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of *costiveness.* If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from this complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe *costiveness* to originate in the liver, but your Pills affect that organ and cure the diseases.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the *natural secretion* when wholly or partially suppressed, and also very effectual to *cleanse the stomach* and *expel worms.* They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and bowels, accelerating *neuralgic pains*, which ended in *chronic rheumatism.* Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855.

DR. AYER: I have been entirely cured by your Pills, of *Rheumatic Gout*—a painful disease that had afflicted me for years. VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Philadelphia April 12, 1856.

Messrs. Evans & Watson: Gentlemen—It affords us the highest satisfaction to state to you, that owing to the very protective qualities of two of the Salamander Safes which we purchase of you some five month since we saved a large portion of jewelry, and all our books, &c., exposed to the most ruinous fire in Rumstead place on the morning of the 11th inst.

When we called that these safes were located in the fourth story of the building we occupied and that they fell subsequently into a sea of burning ruins, where the most concentration of the heat caused the brass plates to melt, we cannot but regard the preservation of their valuable contents as most convincing proof of the great security afforded by your safes.

We shall take great pleasure in recommending them to men of business as a sure reliance against fire.
