BATURDAY MORNING, AUGUST 1, 1863.

" Judge Woodward is a citizen of unimpeachable character, an able jurist, and a patriotic gentleman."

Philadelphia Inquirer, June 20th.

It affords us pleasure to publish the following letter from the Rev. James L. Vallandigham, of Newark, Delaware .-

to persecution which this gentleman has seen subjected to is another evidence of the partisan malice which rules the hour and we feel assured that it will meet with the reprobation of every citizen who val ues the peace and good order of society.

NEWARK, Del , July 25, 1863. "ditors of the Age :

Military arrests have become so common as scarcely to attract notice; still, when a minister of the gospel is arrested, some explanation would seem to be neces

On the 17th inst, the Deputy Provost Marshal of this State with a portion of his guard came to Newark for the purpose of arresting three of our citizens on specific charges. Having accomplised their object they were ab at to return to Wilmington. It was, however suggested by certain per sons that they were others-Democratic neighbors - who ought to be errested, and my name was mentioned. I was accordingly arrested, together with several other gentleman of the first respectability in the community. Specific charges were now sought for, but not a single individu al-not even those who had procured my arrest - would dare to say, on oath, that I had ever violated any law of the State of Delaware, or of the United States, or had ever done anything or said anything against the Constitution or the Government. I was accordingly released, the Provost Marshal informing me that there were no charges against me. The same was the case with the gentlemen who were arrested with me - James H. Ray, Esq., Dr. N. H Clark, and Messrs, Wm. and John Reynolds, Jr .- no charges, substantiated by nath, could be brought against them, and they too were at liberty.

And now, it may be inquired, "why were you pointed out as one who ought to be screeted?" To this question I answer that several reasons have been suggested as the "procuring cause" of my arrest-a eard which I recently published in denial of a false and alanderous charge against my brother, the Hon C. L. VALLANDIGHAM -a few unpleasant words with a Republican neighbor in reference to a matter in no way connected with war, politics, or the state of the country-the fact I am aceustomed, every Sabbath to pray that the Lord would bring this war to a speedy close, and grant us again prosperity and peace. But though I may not be able just now certainly and positively to give the cause. I will state a few facts that may throw light on the subject

1. My names is Vallandigham. 1. I am a Democrat.

3. At the commencement of the war I announced to my people, that in war as in peace, I was resolved to preach only the gospel-"determined not to know any thing among them save Jesus Christ and Him crucified '-and I have strictly adhered to the determination. In consequence of this, I have been, for the last two years, the object of the petty spite of a few individuals, who have again and again threatened me with arrest They have at length accomplished their purpose-have had their malice gratified-I now I trust I may be allowed peacea-

and quietly to discharge my ministerial the thing which I most carnestly . I hald that in times like these other times, the minister lose and most effectively - - Duntry-promotes the introduction of puty and of patriotno by the ning the mock and quiet come o his divine Master, and attending

bully to the legitimate duties of his sacred office.

Very respectfully yours, JAMES L. VALLANDIGHAM.

DIED IN THE WOOL - An abolition paper praises Daniel S. Diekenson as a "democrat dyed in the wool." Yes, poor devil, he died in the wood, and will go where all niggerheads ought to go.

PROCLAMATION BY GOVERNOR PARKER OF NEW JERSEY.

TRENTON, July 27 .- Governor Parker has just issued a prolamation, stating that no draft has yet been ordered in New Jersey; that thirty days would be allowed for the purpose of raising the required number of men by volunteering; that whatever number may be ra'sed in that time will be credited, should a draft be ordered, and that there will be no draft for the old deficiency claimed to be due from the State. The proclamation closes by calling on the people to aid in raising the quota for the State, so as to avoid any necessity for a draft.

NOMINATION FOR CONGRESS .- Cincinnati Auly 21 .- Brutus J Clay, of Bourbon county has been nominated as the Union candidate for Congress in the Ashland (Ky ) district, to fill the vacancy occasioned by the death of Hon. John J. Crittenden.
