When This Cruel War is Over. Dearest love, do you remember When we last did meet, How you told me that you loved me.

Kneeling at my feet? Ot how proud you stood before me, In your suit of blue. When you vowed to me and country Ever to be true. CHORCS-Weeping, sad and lonely,

Hopes and fears, how vain. Yet praying when this cruel war is over, Pray_ ng that we meet again.

When the summer breeze is sighing Mournfully along ! Or when autumn leaves are falling. Sadly breaths the song ; Oft in dreams I see thee lying On the battle plain. Lonely, wounded, even dying. Calling but in vain.

If amid the din of battle Nobly you should fail, Far away from those who love you None to hear you call, Who would wisper words of comfort.

Who would sooth your pain? Ah ! the many cruel fancies Ever in my brain.

But our count ry called you, darling Angels cheer your way. While our nation's sons are fighting We can only pray. Nobly strike for God and Union. Let all nations see How we love our starry banner, Emblem of the free.

It is the slaveholders who have preserved the ne. from seven hundred thousand in 1790 to four millions in 1860.

So then it is admitted that those terrible fellows, the slaveholders, whose chains, whips, and bloodhounds we have heard so much about in anti-slavery novels and poems, are after all the real conservators of the negro race, while the abolitionists, with all their professions of philanthropy, contemplate their destruction. The Post is right. The freeing of the negroes means their extinction as a race in North America ; the history of the present war proves that beyond all peradventure .--From Arkansas around to Port Royal the same complaint reaches us, thatthe negroes within our army lines are in rags and starving, and that the soldiers abuse and hate them. A card in the New York Tribune, from the agents of some negro missionary society, begging for money and clothes, savs :
