In addition to this it contains all the "Domestic Intelligence of each week and full reports of every matter of pub-lic interest. As a Political Journal the Weekly New-will be found on the side of the Constitution of the country as it was framed and established by the Fath-ers of the Republic, and will scan with care and fidel-ity every public act that may tend to the violation of the letter and spirit of that instrument of our libertus-It prefers and advocates the

POLICY OF PEACE

to a ruinous and exhausting system of War Insisting upon the truth of the principle embodied in the Declaration of indepence, that the just powers of the Government are derived from the consent of the governee, it urgos the preservation of the fundamental principles of liberty, inviolate, as of more sacred importance than national grandeur or consolidated power under despotic rule, without the pale of established law, On all questions of national importance it is the indexible champion of the rights of citizens, as guaranteed under the instruments by which they have decided to be governed. It therefore boddly awows its purpose to sustain the Freedom of Speech and of the Press, with the view to protect the people from the encroaching dogmas of theorists who contemplate a modification of the democratic principles which to this time have been sustained against every effort to overthrow them. In all matters pertaining to Government the purpose of this newspaper is to protect the people from inconsiderate and rach legislation, and to hold our public servants to a strict accountability for their conduct while carrying on the machinery of power To this end the most energial attention will be given to all Federal and Legislative laws, and a firm and impartial examination of every new political proposition is any be expected as the only means of protecting the people from an abridgement of their rights.
