It is presented to him by the citizens of Cincinnatu.)
taking an observation of the field, in the latter part of
the day, as the Rebois were falling back. In the fore
ground are seen the decolations of the battle—breken
guns shuttered trees, &c. In the distance, amongst the
smock and dust, are staff officers, artislery, cavalry and
infinity. The whole picture is an admirable composition, and displays the rare genius of the Artist.
