Select Poeten.

Winter will not last forever Spring will soon come forth again, And with flowers of every color, Deck the hillands and the plain Lambs will some in flocks be sporting Birds re-echo from each tree

Winter's gone ! its days are ended! We are happy-we are free!" Heige and tree will soon be building.

Winter cannot last forever; Brighter days are yet in store! Sorrows will not last forever. Brighter times will come again

As the sunshine after rate ; Most at the approach of spring, So with all our cores and trials When the board is sad and drooping Think mongh you be vexed and nore, Borrows cannot has forever; Brighter onysure yet in store !
