I had got a better bargain of my shot,

after all, than the captain had given me credit for. The thirty-two, unbeknown to me, had been double shotted, and while that Captain West' Benner was crazy, or one of the shot cut off the funnel, as we "Ay, ay !" I replied, through my very near it. However, I put the addi- have already seen, the other passed through him all his plans and aspirations, when the ling the wet one, so as to keep the heat in tional canvass on to her and then proceed. the steamer's hull, as she rose on a sea, old gentleman addres ed the younger: to some extent, the flanuel should not be and eapsized her furnace, had set her on fire, and then went out through the lecside below the water line.

We had barely time to rescue the Spanish crew, before the steamer went down; and we immediately hauled our wind for

Captain Benner was so well pleased with the recovery of his Thereas, and the destruction of the steamer, that he treated not altogether as h would a brother-certainly much better than he deserved.

About six months after this little affair Spanish girl, and abandoned the Carlist cause, he settled down on a magnificent

Popping the Question.

very rare degree, but he could do that They were all introduced. They were all which is next best, he could appreciation as the old gentleman had said fine girls. which he endeavored to show by the fol. but the younger, rosy cheeked, blue-eyed,

"Do you like toast, Miss B --- ?"

"Yes," responded the lady, slightly surprised at the question. "Buttered tonat ?"

"Yes." "That is strange ; so do I. Let us get

There cannot be much doubt but that the lady was taken slightly abook, a fact that did not prevent the marriage from coming off in a month afterwards, nor the accession of the lady to one of the finest establishments in the city.

As a specimen of the abrupt, we shall rite the case of a gentleman who had retired from business at the age of forty and built him a beautiful house, determined to enjoy life to the utmost. One day a friend was dining with him, and

"You have everything here that the heart can desire but a wile."

"That's true. I must think of it, said he; and then relapsed into a silence for a few minutes, at the end of which time he arose, braged to be excused for a short time, and then left the room. He seized his hat and went instantly to a neighbor's and was shown into a parlor with the information that neither the master nor the misterss were at home. He told the servant that he wanted neither, and requested that the housekeeper be sent to him. She came, and the gentleman thus addressed her:

"Sarah, I have known you for many with him, had served for nearly two As soon as the usual courtesise were tain, who with his coat and his hat off, years and have just been told that I want horse, and rode down toward the road, but that I should be willing to entrust my stooping from his saddle, the laughing happiness with, and if you agree, we will be instantly married. What is your an-

Sarah knew the man that addressed her and knew that his offer was serious and well-weighed as though consided for a year; and she answered him in the same

"I "gree."

"Will you be ready in an hour."

" I will " "I shall return for you at that time." Which he did, the gentleman who had suggested the idea accompaning him to the clergyman's. Many years have passed since then, and neither party has seen any cause to regret the abruit proposal and

related to us, which we know for a true gleet in the incipient stages. "Croup is an the ill kept and badly cultivated, though pipe. Inflammation implies heat, and that really valuable farm of an uncle saw at a heat must be subdued, or the patient will glance that two things were necessary to inevitably die. If prompt efforts are made away smooth and clean, about four feet snable him to succeed; first being a wile ,o cool the parts in the case of an attack to take charge of the woman's department, of croup, relief will be as prompt as it is and the second a few thousand dollars to surprising and delightful. All know that stock it with.
