IT shall be our purpose to wage an un relenting war against all rebels A rebel as we understand the phrase, is one who revolts against the Constitution and laws of his country. The map who says the Union ac it was shall not be restored if he cap prevent it, and the Constitution as it is and a traitor. We care not whether hiname be Howell Cobb or Charles Sum ner, Jeff Davis or That. Stevens, whether he lives in Richmond or Washington. The cause we advocate will be the restoration of the Union, the maintainance of the Constitution and the enforcement of the laws. Allegiance to this platform is the only true type of American loyalty.
