DR. SCHENCE'S OWN CASE, WHILE LABORING UNDER CONSUMPTION, And how his Pulmonic Syrup, Seawced Tonic, and Mandrake Pills act on the System in curing that dis-

ease, and the

Te above is a correct likeness of Dr Schenck taken many years ago, after he had recovered from Consumption: by a course of his "Schesck's Polsonic Systep," The likeness, althoug it does not represent him any thing like as had as he was at the worst, yet it is in strong contrast with the hale and vigorous looks of the

New York, Wednesday, March 30, 1864. TO THE PUBLIC.

Thirty years ago I was in the last stages of Pulmonary Consumption, and given up to die. I resided in Philadelphia and Dr. J seph Parrish, then of this city, or seed me to Morestown, N. J., a distance of nine miles, which took me two days to get there. On my arrival I was put to bed, and there laid for many weeks. This was my native place, where all my family lived and had died of Consumption. Dr. Thornton, who attended my father in his last filness, was called, and gave me one week to fix up my affairs. He had seen all my family go that way, and thought I was to so too. Il my family go that way, and thought I was to go to Then I heard of the remedies I now offer to the public, which cared me. It seemed to me that I could feel them penetrating my whole system.

They soon ripened the matter on my lungs, and I would spit off more than a pint of off-nsive yellow mat-

ease in any part of the body, it will remain there and decay mere and more until you can get the stomach in the condition to digest food, and make new blood to take the place of diseased matter. This is the o way to heal cavities is the lungs and ulcerated for

way to heal cavities is the lungs and oberated broadchiat tubes. Correct the stomach and liver, and mature will do the heating. Many persons have an idea that certain medicines are great purifiers of the blood.—
When blood is once diseased it cannot be purified; it is diseased the same as the diseased mature in the system; but get the apparatus in order, the liver and stomach, and give it plenty of nonrishing food, it will make new blood, which will take the place of that which is diseased.

Schenck's fullmone symp is one of the best preparations of from in use, it is a powerful tonic of itself, and when the Seaweed Tonic assolves the mucus in the stomach, and it is carried offly the ant of the Mandrake Pills, the Pulmone Symp is made 16th blood.—
This is the only way to core consumption. If I cannot get a good appetite and flood does not nigget. I cannot cure the patient. Never mind the cough; remove the cause and it will stop of itself. This is the most trouble I have with my patients at my rooms. They say, "Doctor, I feel sarrouge; I can cat; my might sweats are better, and I feel better every way; but my cough is so bad yet;" and they are astomised to hear me say that does not matter; remove the cause and it will stop itself. Schenck's Seaweed creates a good appetite in about nine days, when there is no bing dispensely in the pass off. Keep the liver and the stomach healthy and there is less danger of consumption or any other disease. It is hard to take cold when those or gass are healthy. Those that are bilicous, low sprined, drary, feeling stopid, coated toague, poor appetite, nervous, stomach foll of wind, everything that is estimated by the pass off. Keep the liver and the stomach healthy and there is less danger of consumption or any other disease. It is hard to take cold when those or gass are healthy. Those that are bilicous, low sprined, drary, feeling stopid, coated toague, poor appetite, nervous, stomach foll of wind, everything that is estimated he had been added to see a substitute of the same a cal attendance, and all said she was too far gone with Consumption to be cared; but she had heard of some great cures; had made, and he desired to gratify her wishes. I called, and found her lying confined to her bed in the last stage or bronchial consumption, and without doubt must have deed show. I examined her lungs, found both broughlat tubes very much affected, but no civities had formed, her cough was very severe, the spit-box was half full of libek pus. Pulse 440, legs we olice very much; and worse than all she had chro-
